

Real Estate & Personal Property Tax Payment Information

Town Hall Office Hours: Monday through Friday 8:30am – 4:30pm
Please make all checks payable to: “Town of Wilmington”

Payments must be *received* in the Collector’s Office before the due date to avoid interest & late charges from being added to the tax.

- **Payments should be received on or before the due date** indicated on Tax Bills & Notices. Late payments will be assessed interest and late charges in accordance with Massachusetts General Laws.
- **Payments postmarked on or before the due date** may *not* ensure that interest and late charges will be avoided. Payments must actually be *received* in the office to avoid further charges. Mail payments early to avoid interest and late charges.
- **Checks should be payable to** “Town of Wilmington”
- **Enclose the remittance portion of the Tax Bill/Notice** with payment to ensure proper credit. If you would like a receipt, enclose a self addressed & stamped envelope with both the payment, the remittance portion and taxpayer portion of the Tax Bill/Notice.
- **If your taxes are being paid by your bank or mortgage company** contact your bank or mortgage company representative immediately to ensure that they have received the appropriate tax information in order to submit payment in a timely fashion. Occasionally lenders will require taxpayers to submit tax bills to them before processing tax payments. **Remember** as the property owner *you* are ultimately responsible for fulfilling property tax obligations on your property.
- **Online Bank Checks.** If you are paying using an online bank check from your personal or business account, please make sure that the correct bill number and bill year are updated for each payment submitted. This enables us to properly identify and post your payment.
- **Please do not “post-date” personal checks.** It is presumed that all checks may be deposited on the day in which they are received. If a check is dishonored by a bank, for any reason, a fine of \$25.00, plus applicable interest and late charges, will be added to the tax. *Remember*, it is illegal to submit “post-dated” checks as payment.
- **Credit Card Payments are not accepted.** Currently the Town of Wilmington only accepts Cash, Checks or Money Orders as acceptable forms of payment.

- **DO NOT MAIL CASH.** Cash payments may only be made *in person* in the Collector's Office during business hours.
