The motorcoach will depart on Thursday at 6:30 a.m. for this **three day/two night** trip to the Big Apple to jump start your Labor Day weekend!

Our first stop in Manhattan is at the South Street Seaport for free time and lunch on your own. There is a **TKTS** booth available should you wish to purchase discount theatre tickets to a Broadway show. After lunch, our motorcoach will take us to Ground Zero where we have reserved admission to the 9/11 Memorial and Museum this afternoon.

The National September 11 Memorial is a tribute to the nearly 3,000 people killed in the terror attacks of September 11, 2001, and the attacks on the World Trade Center on February 26, 1993.

The National September 11 Memorial Museum will serve as the country's principal institution for examining the implications of the events of 9/11, documenting the impact of those events and exploring the continuing significance of September 11, 2001.

Next, our motorcoach will take us to our elegant accommodations in mid-town Manhattan at **The Roosevelt Hotel**. "The Grand Dame of Madison Avenue", located at Madison Avenue & 45th St., continues to impress guests with its grand features, contemporary amenities and prime location within walking distance of restaurants, Times Square, Rockefeller Center and more.

You are now free to enjoy the "city that doesn't sleep" at your leisure until our 3:30 p.m. departure on Saturday afternoon. This is the perfect trip for those travelers wanting to truly experience New York City.
