

Swimming Pools

Just a reminder: ALL pools having a depth of **18 inches** or a surface of 150 square feet or more require the following:

- A building permit along with a plot plan showing the location of pool.
- A wiring permit
- A 5-foot non-climbable fence with a self-latching gate.
- Inspections, both wiring & building

For more information please visit the Building Inspectors website at – www.town.wilmington.ma.us or contact this office at 978-658-4531.
