Certified copies of death records are available from the community where the death occurred, where the deceased resided (if in Massachusetts), and at the Massachusetts Registry of Vital Records and Statistics.

If you are certain that the death record is on file in this office, you may order a copy by printing this form, completing as much detail as is available and mailing to the address above along with a check or money order made payable to the "Town of Wilmington".

If you are not sure that the record is on file in Wilmington, you may call us at (978) 658-2030 to confirm.

Your mail-in request will be processed the day it is received. Certified copies of the records may also be obtained in person at the Town Clerk's office.
