

BOARD OF SELECTMEN MEETING

Monday, September 30, 2019

The Board of Selectmen had scheduled this meeting for the purpose of discussing the renovation, expansion and/or replacement of town/school facilities. The meeting was scheduled to include the Finance Committee, School Committee and the Facilities Master Plan Committee.

Due to the untimely death of Public Buildings' employee Joseph P. Costello, Jr. on September 26 and the schedule for his services, the meeting of September 30, 2019 was not held.

Respectfully submitted,

Recording Secretary
