Billing Adjustments & Correction - There were none

35 Fiorenza Drive - Abatement Request

Kathy Dwyer-Hydorn, owner of 35 Fiorenza Drive was present to discuss an abatement request for water usage reflected on the November 2022 water bill. She explained that they hired a plumber to install a water pressure booster pump in their home at 35 Fiorenza Drive. A check valve was not installed therefore a certain amount of water would drop back into the meter and when water was called for again, the same water would go through the meter again. A representative from the Water Division was on site to witness this situation. This has since been corrected by the installation of a check valve. The owner is looking for some relief of the November bill due to water essentially being billed more than once. ON A MOTION MADE BY COMMISSIONER ALLEN SECONDED BY COMMISSIONER LAVITA IT WAS UNANIMOUSLY VOTED TO ADJUST THE NOVEMBER 2022 WATER BILL BACK TO THE AVERAGE OF THE NOVEMBER 2020 AND NOVEMBER 2021 PREVIOUS TWO NOVEMBER WATER BILLS, TO \$727.83, AND WAIVE THE NOVEMBER LATE FEE.
