

## DESIGN PUBLIC HEARING Butters Row Bridge Wilmington, MA

## What is happening?

A Design Public Hearing will be held on-line to present the design for the proposed **Butters Row Bridge over MBTA Tracks** project. The Hearing will be live but on-line/virtual only. Access to the hearing can be found on the mass.gov website below.

## How will this affect you?

This bridge needs replacement. It will be demolished and replaced with a new bridge consisting of a 5'-5" sidewalk, a 5' shoulder and an 11' lane in each direction. The Butters Row alignment between the bridge and Route 38 will be adjusted to align with a future intersection improvement on Route 38 and Cross Street. The improvements will begin at Factory Road and finish across Route 38 on Cross Street. While the bridge is being built the traffic will be detoured around the site.

Wednesday, December 1, 2021 7:00 PM to 8:00 PM

Please note this Hearing will be recorded. Information will be available on the website starting on November 17th. www.mass.gov/massdot-highway-design-public-hearings
