

Starting this fall, the Town of Wilmington will be updating its

Open Space & Recreation Plan.

The Open Space & Recreation Plan provides an inventory of the Town's open space and outlines open space goals and action items for the next five years.

If you are interested in serving on the Open Space Committee to help update the Plan, please submit an [application](#) to the Town by July 31, 2019.

If you have any questions about the upcoming Open Space & Recreation Plan update, please contact the Department of Planning & Conservation at 978-658-8238.
