

Governor Charlie Baker has ordered that the United States of America flag and the Commonwealth of Massachusetts flag be lowered to half-staff from sunrise until sunset on Tuesday, February 22, 2022, the day of interment, in honor of United States Army Specialist Huguens Pierre, of Worcester, MA, who passed away on February 5, 2022.

*SPC Huguens Pierre, immigrated to the US from Haiti with his family at the young age of six. They settled into life in Framingham and became a part of its fabric relatively quickly. He attended local schools, Charlotte Dunning, Fuller Middle School and then onto Framingham High School. !*

*There was no question about it, Huguens was a good athlete he excelled in both football and wrestling and was named as a top 5 wrestler more than once. In the middle of his senior year at Framingham a move to Sharon was inevitable, and he wrestled to another top 5 and graduated from Sharon High School in 2019. !*

*He was a calm and “chill” presence in any situation and known as fiercely loyal to family and friends. Two traits that not only served him well, but his country as an SPC in the US Army based in Fort Campbell, KY. !*

*Sadly, Huguens died unexpectedly on Saturday morning February 5, 2022 from injuries sustained in an automobile accident at the age of 21. !*
