The "Mission Statement for the Town of Wilmington" is as follows:

"The Town of Wilmington, as a municipal corporation, exists in order to deliver a wide range of municipal services to those who live, work or own property within the borders of Wilmington; and in order to make this community a good place to live, to work, and to raise and educate a family, those services must be responsive to the needs of the people. They must be effective and efficient. Principles of honesty, fairness, dependability and compassion must govern the actions of the officials and the employees of the Town. Those who work for the Town as employees or as members of boards, committees and commissions are recognized as its most important resource and the key to its success in serving the people of Wilmington."

Endorsed by the Board of Selectmen May 22, 1989.

WWW.WILMINGTONMA.GOV

Dear Fellow Resident:

It is my privilege and honor to submit, on behalf of the Wilmington Board of Selectmen, this annual report summarizing the activities of the Board of Selectmen and your town government for calendar year 2020.

We prioritized public health and safety on several different fronts throughout the year. In response to the increased workload for the Wilmington Fire Department, we welcomed the addition of eight new firefighters. As our town has seen continued growth in North Wilmington, work to identify and acquire land suitable to build a fire and police substation in North Wilmington continues in earnest.

The Environmental Protection Agency (EPA) released its proposed interim action plan for the Olin Chemical Superfund Site. The Board of Selectmen finalized an agreement that will obligate Olin Chemical to pay for the design and installation of a water main line on Cook Avenue, where residents have been dependent on bottled water after their wells were shut off in response to the groundwater contamination. Discussions with the EPA and GeoInsight, the Town's environmental consultant, continue with a Record of Decision from the EPA expected in 2021.

On March 16, at the onset of the COVID-19 pandemic, Town Hall was closed to the public and remained so through the rest of the year. On March 20, the Board of Selectmen declared a state of emergency. This state of emergency provides greater financial flexibility for the expenditure of funds, pursuant to Massachusetts General Law Chapter 44, Section 31, so that resources could be reallocated to the Health Department in anticipation of the response to the pandemic.

In order to provide some measure of financial relief to residents, the Board extended the due dates for property tax bills, exemption applications, deferral applications and further waived interest on certain payments made after due dates. In an effort to provide local restaurants with some measure of flexibility, the Board relaxed processes for allowing for outdoor seating.

Public health guidance required that the Annual Town Election be postponed from April 25 to June 20. Board members wish to acknowledge the contributions of former Board member Michael V. McCoy, who chose not to run for reelection after thirty years on the Board of Selectmen. He served with distinction, always looking out for the best interests of all residents. We thank him for his service as a member of the Board of Selectmen and wish Mike and his family the very best.

Similarly, the Annual Town Meeting was postponed from May 2 to June 27 and the location was moved from the Joanne Benton Auditorium in the high school to the high school softball field under a tent. Residents voted to proceed with feasibility studies and schematic designs for a new senior center and a new town hall/school administration building. A future town meeting vote to authorize construction on those projects is anticipated in the near future.

In order to minimize the risk of spread of COVID-19, the state and federal election in November was moved from the traditional locations of the Boutwell School, the Wildwood School and Town Hall, to the Shriners Auditorium for all precincts.

The Town entered into an agreement with a developer for a Local Initiative Program for the construction of 108 apartment units on Jefferson Road. This project will increase the town's affordable housing inventory, providing local preference to Wilmington residents. Additionally, MassWorks provided a grant in the amount of \$2,891,000 for the construction of infrastructure improvements related to the project, including the extension of the sewer line from the area of the North Intermediate School, replacement of a culvert running under Middlesex Avenue at Lubbers Brook and flashing beacon signs at the intersection of Jefferson Road and Middlesex Avenue.

The North Wilmington Commuter Rail Station continues to require construction of a platform that is handicap accessible and shifting the platform further north to prevent stopped trains from blocking traffic on Middlesex Avenue. Thanks to strong working relationships with Senator Bruce Tarr, Representative David Robertson and Representative Kenneth Gordon, the MBTA has committed funds for this project with construction expected in 2021.

The Town is pursuing funding through the Massachusetts School Building Authority to improve the six elementary schools. For the remaining debt on the high school construction, the Town restructured that debt, which will result in a cost savings of approximately \$2,600,000.00 over the remaining term of the debt.

The personnel who work for the Town are the most important resources the Town has for ensuring that the services residents need and expect are delivered in a timely and professional manner. We wish to congratulate the individuals who were promoted in 2020, including Fire Chief William Cavanaugh, Deputy Fire Chief Christopher Pozzi, Police Lieutenant David Sugrue and Police Sergeant Kevin Cavanaugh. We wish to acknowledge the contributions of individuals who retired in 2020, including Paula Barry in the Accounting Department; Walter Daley, Joseph McMahan and Robert Patrie, Jr. in the Fire Department; Linda Harris, Desiree Maguire and Linda Pavluk in the Library; Louis Martignetti in the Police Department; and Vincent McCoy, Paul O'Donnell and Robert Olson in the Public Buildings Department.

The challenges presented by the COVID-19 pandemic affected the day-to-day operations of every department. From this adversity, town employees have responded with an inspiring resilience and commitment to their high level of service to residents. Our police, fire, public works and public buildings departments continued their work in keeping residents safe and maintaining our infrastructure. Our health department has worked tirelessly to communicate state guidance to residents and businesses and distribute personal protective equipment. Our elderly services department continues providing meals to residents, provide for socially-distant outdoor programs when weather permits and to serve as a resource for seniors with questions as we have adjusted to the "new normal." Our veterans services office has continued providing needed resources to veterans and worked with Eagle Scout Liam Prigmore to add an Honor Roll monument on Town Common to commemorate the service of Wilmington residents that were killed in action or missing in action. Our building inspector's office has continued to serve as a resource as home remodeling and additions have increased. Our library has significantly increased its remote programming, and began a drive-up service program to continue to provide restructured access to patrons. Our planning and conservation department has continued to work in improving our bylaws to foster a healthy small businesses environment. Our recreation department has continued to provide limited programming consistent with public health protocols, and have worked with other departments to assist with changing workloads. Our town clerk's office has had to adapt to the rescheduling of the Annual Town Election and Annual Town Meeting, a significant increase in mail-in voting and moving the state and federal election to the Shriners Auditorium. Our

information technology department has had to introduce, and support, remote access to several town employees as well as hosting hundreds of virtual committee and board meetings. Our finance department, including the finance director/town accountant, the assessor's office and treasurer/collector's office, continues to provide excellent service in maintaining a AA+ bond rating with Standard & Poor, which noted our "very strong budgetary flexibility" with "strong management, with good financial policies and practices." Our school department continues to work within state guidelines to provide a high quality education to Wilmington students in a unique environment. Our town manager, Jeffrey Hull, and the entire staff in the town manager's office have worked tirelessly throughout the past year adapting to a unique and complex set of challenges and changing circumstances, and done so with a commitment to serving residents. The Board of Selectmen recognize and appreciate the admirable level of gumption shown by town employees during a challenging period.

The members of the Board of Selectmen fully recognize that it is a privilege to serve this community. That privilege to serve has been especially manifest over the past year, as the challenges and anxieties that we have faced have brought out some of the best in our community.

Respectfully submitted,

Jonathan R. Eaton, Chairman
Board of Selectmen

Board of Selectmen: Gary B. DePalma, Gregory B. Bendel,
Chairman Jonathan R. Eaton, Jomarie F. O'Mahony and Kevin A. Caira

WWW.WILMINGTONMA.GOV

To The Honorable Board of Selectmen and Residents of Wilmington:

The year 2020 will be indelibly etched in the minds of those who lived through it as the year of the COVID pandemic. The pandemic seemed to spread like wildfire from China to Washington State before suddenly bursting on the scene in Massachusetts and here in Wilmington. The most tragic impacts were to those who succumbed to the virus and their family members, those who suffered through it and those who lost jobs due to the economic free fall that was precipitated by it.

Customarily Annual Town Election and Annual Town Meeting occur like clockwork with elections occurring the fourth Saturday in April and Town Meeting occurring the following Saturday. Town officials, here and elsewhere, were forced immediately “off script” and establish a new plan for rescheduling these events, establishing new protocols and, in the case of Annual Town Meeting, a new venue following state guidelines being issued almost weekly. Thanks to the dedicated work of many public officials, elections were held on June 20th and Town Meeting on June 27th. Each critical function was completed without a hitch.

The Town took advantage of federal aid offered through the Coronavirus Aid, Relief and Economic Security Act (CARES) by seeking reimbursement for expenses resulting from COVID-19 from a \$2.1 million aid allotment to the Town. Zoom sessions quickly became part of our vernacular as they replaced in-person meetings. The advantages of a round building quickly became apparent as Town Hall provided drive up service, the library transitioned from in person to online programming and drive-up collection of books and materials. Elderly Services increased home delivered meals and “grab and go” meals while using WCTV, technology and check-ins to remain connected with elders and Veterans’ Services continued to check-in, call and, on a limited basis, accept visitors to ensure the needs of veterans and their family members were not forgotten. Public Buildings’ staff constructed barriers and partitions in town and school buildings throughout town and engaged in added disinfecting and cleaning of work and education spaces. Throughout the “storm” police and fire personnel confronted the virus head-on while central dispatch served as the nerve center calmly and professionally fielding countless calls from anxious residents and directing the response. Adapting to changing circumstances was critical to keeping services operating.

Six (6) Statements of Interest (SOIs) were prepared, one for each of the elementary schools. Following approval by the School Committee and Board of Selectmen, these SOIs were submitted to the Massachusetts School Building Authority (MSBA). The elementary schools range in age from the Wildwood Early Childhood Center at 75 years old to the Shawsheen School at 50 years old. While the Wildwood is the priority school, assistance is being sought from the MSBA to establish a plan for replacing and/or upgrading the schools and providing financial assistance.

Addressing the Olin Superfund site on Eames Street was a focal point of attention. The Town entered an agreement with the Olin Corporation to install a water line on Cook Avenue that would connect with the Town's water distribution system. The water line, to be fully paid for by Olin, will connect two homes which have had trace amounts of N-Nitrosodimethylamine (NDMA) in their drinking water wells. While the detected amounts have been below Environmental Protection Agency (EPA) guidelines, Olin has been providing the families of these two homes with bottled water. Other homes along Cook Avenue, off Main Street in South Wilmington, will have the ability to connect to the water line. Work on the water line is expected to be completed in 2021. As EPA draws closer to establishing a clean-up plan for the site, Town officials were active in offering comment on their draft Record of Decision (ROD) Comments were offered during a virtual information session on August 26, 2020 and during a virtual public hearing held on September 22, 2021 with written comments issued following the hearing. The EPA is proposing a \$48 million effort that includes an interim plan to address removal of sources of groundwater contamination and a final plan to address soil, sediments and groundwater. A final decision is expected from EPA in the spring of 2021. The cost for this clean-up effort would be borne by the Olin Corporation and other potentially responsible parties.

In response to the Board of Selectmen's endorsement of a 108-unit affordable housing development on Jefferson Road by Princeton Properties, the Town applied for and received a \$2,891,000 MassWorks Infrastructure grant from the Commonwealth. This grant will pay for installation of 2,700 linear feet of 8" sewer line from an area near the North Intermediate School to this development site. Additional improvements include the replacement of a 60 year-old culvert under Middlesex Avenue at Lubbers Brook, road restriping, realignment of travel lanes and establishment of bike lanes along this section of Middlesex Avenue and installation of ADA accessible sidewalk ramps, pedestrian crosswalks and flashing beacon signs at the crosswalks.

The Town's debt as a percentage of the operating budget is at a very modest level of 3.5%. In anticipation of the need for borrowing due to several building projects in the near future the Town pursued advance refunding of the high school building debt, the largest amount of debt on the books. Through this effort the Town not only successful retained its AA+ rating from Standard & Poors, but expects to save approximately \$3.0 million over the remaining life of this borrowing. This savings will create additional debt capacity for future projects.

Annual Town Meeting approved funding to complete feasibility plans and schematic designs for both a Senior Center and a combined Town/School Administration Building. This effort will require both identifying the best location for both facilities and confirming the required space needs to develop preliminary designs based upon the required square footage. After issuing a Request for Qualifications (RFQ) the firm P3, from Norwell, Massachusetts was selected to serve as the Town's Owners Project Manager (OPM) for the Senior Center. The OPM serves as the Town representative in working with the architect and the general contractor to ensure that the project is completed according to the plans, on time and on budget. A similar process is underway to hire an OPM for the Town/School Administration project.

In spite of the economic challenges posed by COVID-19, the Town continued to see economic growth. Analog Devices completed its state-of-the-art HUB building, which houses a large dining area, fitness center, open assembly area, conference rooms and roof deck area. Work continued on their 144,000 square foot three story office building. Amazon renovated a 100,000 square foot warehouse on Fordham Road to serve as one of their many distribution facilities. While the vacancy rate increased slightly it remains at a low 5.5%. Atlantic Oliver/Bain Capital Real Estate, one of the world's leading private multi-asset alternative investment firms purchased six (6) buildings in Wilmington totaling 687,000 square feet of warehouse/flex space for \$154,000,000.

Additionally, they purchased four (4) properties on Ballardvale Street totaling 254,000 square feet of flex warehouse space for \$55,000,000. Wheelock Street Capital, a private equity firm from Greenwich, CT purchased 312,923 square feet of flex and office space on Ballardvale Street for \$47.8 million. Clearly, Wilmington is attracting attention from the commercial investment community.

The Wilmington Economic Development Committee, established by the Board of Selectmen, met regularly throughout the year. Given the challenges that COVID-19 posed for the business community, particularly the medium to small businesses in Town, a significant part of their efforts were directed towards identifying ways to assist local business. A recommendation that was adopted by the Board of Selectmen permitted businesses, like dance and yoga studios, to use Town property at the Swain Green to conduct outdoor programs. This provided some relief from the restrictions for indoor gatherings instituted by Governor Charlie Baker as part of the response to the pandemic. Additionally, the committee obtained funding for the services of a consultant to develop short to intermediate term strategies to assist businesses along the Main Street corridor.

Every year poses its unique challenges and opportunities but 2020 will likely be remembered as one of the most challenging years in recent history. Nearly every aspect of life has been impacted by the pandemic. Through it all the Town has continued to perform the work of providing “public service.” That service has certainly been adapted to the times but it has been provided with the same passion and compassion that residents have come to know. My sincere “thank you” goes out to all the employees who report to work every day and to the volunteers who offer your time and talents for no remuneration, very little thanks and all too often criticism. It is only through their collective efforts that you, the residents, receive the services you rely upon and expect.

Town Manager Jeffrey Hull and Jeyanthi Ghatraju, Director, India Association of Greater Boston

Respectfully Submitted,

Jeffrey M. Hull
Town Manager

ADMINISTRATION & FINANCE

Town Clerk

The Town Clerk serves as Records Access Officer, Chief Election Officer and Local Registrar of Vital Records and Statistics. The Clerk is charged with the responsibility of ensuring that the appropriate process, with notification and procedure, is adhered to in the making of legislative policy and of managing public access to this information. This office is often the first door of government accessed by individuals seeking information and the resolution of problems. Even during the COVID pandemic of 2020, being closed to the public for walk-in service for much of the year, the Office of Town Clerk has worked hard to continue to serve our residents. It is with a sense of pride and accomplishment that we submit this annual report with the hope that we have performed our duties well.

The following information and vital statistics were recorded during 2020:

Births	211
Marriage Intentions	99
Marriages	96
Deaths	352
Deaths - Out of State	0
Burial Permits	207
Veterans Buried in Wildwood Cemetery	42

Flammable Permits and Registrations:

Flammable permits are issued by the Board of Selectmen through the Town Clerk's office. Notice is sent to the owner or occupant of land where the storage is located on or about April 1st for renewal by April 30th of each year. Failure to register on time, or to comply with the Board's regulations, may result in revocation of the permit after a public hearing. Thirty-seven permits were issued during the year.

Permits & Recordings:

Business Certificates and Withdrawals	124
Pole & Conduit Locations	0
Dog Licenses	1,835
Raffle and Bazaar Permits	3

The Town Clerk also serves as Clerk to the Board of Registrars. In this capacity she has met with the Board of Registrars on a regular basis, kept the minutes up to date and supervised all elections and the annual town census by mail. The Town Clerk's office also maintains current voting lists and registers voters during regular office hours. She also meets with the Board for special evening sessions to register voters and to certify nomination papers for candidates.

Town Meeting & Elections

NOTE: THE DATES SHOWN BELOW FOR THE ANNUAL TOWN ELECTION AND MEETING WERE POSTPONED FROM THEIR TRADITIONAL DATES DUE TO THE COVID PANDEMIC:

Presidential Primary	March 3
Annual Town Election	June 20
Annual Town Meeting	June 27
State Primary	September 1
State Election	November 3

Board of Registrars

In accordance with Section 1, Chapter 3 of the Town By-laws, meetings of the Board of Registrars were held as needed for the registration of voters and to conduct business. Under Chapter 616 of the Acts of 1958, these meetings were open to the public and press and were so posted in the Town Hall. The Board also met many times for certification of signatures on nomination papers and assisted at all elections and town meetings.

The Board held registration sessions as mandated by Massachusetts General Laws Chapter 51, Sections 26, 28, 31 and 32 and supervised the conduct of elections, mandated by Chapter 54, Section 64 and Chapter 53, Sections 43 and 63, all in accordance with the Town Charter and By-laws of the Inhabitants of the Town of Wilmington Revised.

The calendar year 2020 had a total of 18,091 registered voters from our listed 23,377 inhabitants.

The Board of Registrars wants to thank the many households that returned their town census forms in 2020.

Town Counsel

The law firm of KP Law, P.C. serves as Town Counsel for the Town of Wilmington. As Town Counsel, the firm provides advice and representation on all legal matters to the Board of Selectmen and Town Manager, as well as the Town's various boards and departments. Town Counsel represents the Town in state and federal courts and agencies, undertakes enforcement of the Town's by-laws and addresses issues involving legal, administrative and regulatory matters. Town Counsel advises the Town in real estate and land use matters, and drafts, reviews and approves contracts with vendors and contractors providing goods and services to the Town, including specialized design and consulting services. Town Counsel assists with preparation of the Warrant for, as well as providing advice at, Town Meeting. Town Counsel also serves as labor counsel to the Town, assisting the Town Manager with labor and employment matters and collective bargaining.

Town Counsel is currently representing the Town in the following litigation and labor and employment matters:

1. Eames Street v. Board of Appeals
Land Court, Misc. Case No. 20 MSC 000549
This action is an appeal by the owner of the property located at 90 Eames Street of two special permits issued by the Zoning Board of Appeals.
2. Katsikis (Trustee of the H&S Realty Trust II) v. Town of Wilmington
Middlesex Land Court, Misc. No. 16 MISC000114 (GHP)
This is an action seeking to eliminate rights in certain paper streets.
3. Mark D. Nelson v. Bank of America and the Town of Wilmington
Middlesex Superior Court, C.A. No. 2081CV00790
This is a complaint seeking release of definitive subdivision surety
4. Town of Wilmington Board of Health v. Donald Lyman
Northeast Housing Court, No: 20H77CV000162
This is an enforcement action by the Board of Health to compel the owner of property located to upgrade the failing septic system.

5. Town of Wilmington v. BMC Corp.
Middlesex Superior Court, C.A. No. 1981CV02085
This is an action to collect unpaid personal property taxes assessed upon the defendant for equipment utilized at its composting operation at Krochmal Farm.
6. Town of Wilmington, by and through its Zoning Enforcement Officer and Board of Selectmen v. Mark Nelson, individually and as Trustee of Kaiser Realty Trust
Middlesex Superior Court, C.A. No.
This is a prospective action by the Town to enforce the provisions of the Wilmington Zoning By-law and to enjoin violations at property on Polk Street owned by the defendants.
7. Tresca v. Zoning Board of Appeals
Middlesex Superior Court, 1681CV01986 & 01987
These are consolidated appeals from the Zoning Board of Appeals' June 2016 denial of two special permits to expand the existing sand and gravel use located at 90 Eames Street to include a concrete manufacturing use.
8. Tresca Brothers Sand and Gravel, Inc. v. Eames Street, LLC, et al.
Middlesex Superior Court, C.A. No: 2081CV00614
This action relates to the real property located at 90 Eames Street and the special permits at issue in Tresca v. Zoning Board of Appeals, Middlesex Superior Court, 1681 CV 01986 & 01987.
9. Wells Fargo Bank, N.A. v. Town of Wilmington, et al.
Land Court, 15 Misc. 000178
In this action, Wells Fargo Bank seeks to eliminate an affordable housing restriction on a single-family residence located at 12 Silverhurst Avenue as a result of a notice of mortgage foreclosure.
10. AFSCME, Council 93, Local 1703 and Town of Wilmington
AAA # (pending) (Gr. Middle School football arbitration)
In this matter, the DPW Union requested arbitration of a grievance over the Town's alleged failure to call employees in on overtime to staff the newly established Middle School football games.
11. Fiore v. Town of Wilmington
MCAD #18BEM03460
In this matter, Patrol Officer Anthony Fiore filed a charge with the Massachusetts Commission Against Discrimination.

It is our privilege to serve the Town of Wilmington as Town Counsel. We thank the Board of Selectmen and Town Manager for the opportunity to serve the Town and for their efforts and dedication in attending to the many needs of the Town. We appreciate the opportunity to work with the Town's department heads, employees and boards, and look forward to continuing to provide the Town with effective legal advice and representation.

Information Technology

The Town's Information Technology Department is committed to meeting the current and future technological needs of all departments, to providing support for this technology and to ensuring that all electronic information communicated through the Town of Wilmington remains secure.

2020 was a considerable year for our department. The pandemic challenged our ability to be flexible in all areas of our technologies without missing a beat. We believe we met this transition with success. We have remote capabilities, mobile capacities for work on the go, virtual tools and online services providing residents with continuity of service and access while buildings have been closed to the public. We continue to evaluate areas where our online services can expand in a cost-friendly manner.

Highlights include:

Completing backup project to increase data retention and resiliency across our systems.

Deploying replacements for 20% of all Town and Public Safety workstations to maintain substitution schedule cycle for hardware.

Expanding the Town's social media presence.

Resolving 1,797 support requests.

We are grateful for the support we have received from town leadership, fellow employees and all board and committee members. We will continue our efforts to be helpful, diligent and precautionary in our roles as custodians of the Town's technology and data.

TOWN OF WILMINGTON, MASSACHUSETTS
GENERAL PURPOSE FINANCIAL STATEMENTS
AND REPORT OF THE TOWN ACCOUNTANT
FOR THE FISCAL YEAR ENDED JUNE 30, 2019

Members of the Board of Selectmen
and Town Manager
Town Hall
Wilmington, Massachusetts 01887

The Annual General Purpose Financial Statements of the town of Wilmington for the fiscal year ended June 30, 2020 are hereby submitted. This report was prepared by the Office of the Town Accountant. Responsibility for accuracy of the data and the completeness and fairness of the presentation, including all disclosures, rests with the town.

To the best of our knowledge and belief, the enclosed data are accurate in all material respects and are reported in a manner designed to present fairly the financial position and results of operations of the various funds and account groups of the government.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read 'B. Perry'.

Bryan T. Perry
Finance Director/Town Accountant

TOWN OF WILMINGTON, MASSACHUSETTS
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020

1. Definition of Reporting Entity

The Town of Wilmington is incorporated as a municipality in the Commonwealth of Massachusetts. It is governed by an elected Board of Selectmen and an open Town Meeting. The Board of Selectmen appoint a Town Manager who in accordance with Chapter 592 of 1950, serves as chief fiscal and administrative officer of the town. Other town officials are appointed by the Board of Selectmen and the Town Manager. Generally Accepted Accounting Principles (GAAP) requires that the accompanying general purpose financial statements present the Town of Wilmington (the primary government) and its component units. Component units are included in the Town's reporting entity if their operational and financial relationships with the Town are significant. Pursuant to this criteria, the following entities have been excluded from the accompanying general purpose financial statements:

Wilmington Housing Authority - provides housing for the elderly as well as subsidizing low income housing units.

Middlesex Regional Retirement System - provides county government and various services for member communities.

Shawsheen Valley Regional Vocational Technical High School District - provides education services for member communities.

Massachusetts Water Resources Authority - provides sewage disposal services and supplements the water supply.

2. Summary of Significant Accounting Policies

The accounting policies for financial reporting purposes of the town of Wilmington conform to generally accepted accounting principles for local governmental units except as indicated in Note 3. The following is a summary of the significant accounting policies:

A. Fund Accounting

The town reports its financial activities in several funds and one account group in order to comply with the limitations and restrictions placed on both the resources made available to the town and the services provided. The various funds are grouped in the financial statements in this report into five generic fund types as follows:

Governmental Funds

General Fund - The general fund is the general operating fund of the town. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Fund - Special revenue funds are used to account for the proceeds of specific revenue resources (other than expendable trust or major capital projects) that are legally restricted to expenditures for specific purposes.

Capital Projects Fund - Capital project funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities or equipment.

Fiduciary Funds

Trust and Agency Funds - Trust and agency funds are used to account for assets held by the town in a trustee capacity or as an agent for individuals, private organizations, other governments and/or other funds. These include expendable trust, non-expendable trust and agency funds. Non-expendable trust funds are accounted for in a manner that permits the periodic measurements of revenues earned, expenses incurred and/or net income in order to demonstrate maintenance of capital. Expendable trust funds are accounted for in essentially the same manner as governmental funds. Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

ACCOUNT GROUP

Long-term Debt and Liabilities - Long-term liabilities expected to be financed from governmental funds are accumulated in the general long-term debt group of accounts. This account group is not a fund. It is only concerned with the measurement of financial position and, therefore, is not involved with a measurement of the results from any operations.

B. Basis of Accounting

The accompanying financial statements have been prepared principally on the modified accrual basis of accounting. This method recognizes revenues when they become measurable and available. Expenses are recognized under this method as they are incurred.

Revenue - Property tax revenues are recognized when they become available. Available means then due or past due and receivable within the current period or expected to be collected soon enough thereafter to be used to pay liabilities of the current period.

All other revenues are recognized throughout the year when cash is received.

In applying the susceptible to accrual concept to intergovernmental revenues, the legal and contractual requirements of the numerous individual programs are used as guidance. There are, however, essentially two types of these revenues. In one, moneys must be expended on the specific purpose or project before any amounts will be paid to the town. Therefore, revenues are recognized based upon the expenditures recorded. In the other, moneys are virtually unrestricted as to purpose of expenditure and are usually revocable only for failure to comply with prescribed compliance requirements. These resources are reflected as revenues at the time of receipt or earlier if the susceptible to accrual criteria is met.

Expenses - Expenditures are recorded during the year on a cash disbursement basis. In addition, as required by Massachusetts General Laws, disbursements made during the fifteen days immediately following the close of each fiscal year and which pertain to the prior year are recorded as warrants payable and expenses as of June 30th.

Purchase orders and other contractual obligations outstanding at June 30th related to annual operating expenses are recorded as encumbrances and, accordingly, as a reservation of fund balances at that date.

Deferred Revenue - Property taxes and other revenue that is measurable but not available has been classified as deferred revenue on June 30th.

Encumbrances - Encumbrance accounting under which purchase orders, contracts and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed in governmental funds. Open encumbrances at year-end are reported as reservations of fund balances. Encumbrances do not constitute expenditures or liabilities.

Inventory - Inventory items (materials and supplies) are recorded as expenditures when purchased (purchase method).

General Fixed Assets - General fixed assets are recorded as expenditures in applicable governmental funds. The town does not capitalize the cost of general fixed assets in a general fixed asset account group, which is consistent with the practice of municipalities in the Commonwealth of Massachusetts.

C. Total Columns

Total columns on the combined statements are captioned Memorandum Only to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations or changes in financial position in conformity with generally accepted accounting principles. Such data is not comparable to a consolidation since interfund eliminations have not been made.

D. Retirement System

The Town contributes to the Middlesex Regional Retirement System, a single employer plan, established under Chapter 32 of the General Laws of the Commonwealth of Massachusetts. Substantially all full-time and some part-time employees of the town except teachers and certain administrative personnel employed by the School Department participate in the system. Benefits paid under the plan, referred to as retirement allowance, include both an annuity portion, funded principally from amounts contributed by the participants, and a pension portion funded by the town.

The participants contribute a certain percentage of their compensation annually, determined by their date of employment. The Town's employer contribution as determined by the County's actuarial valuation is determined by normal cost plus the amortization of the original unfunded actuarial liability.

Teachers and certain administrative employees of the School Department participate in a contributory retirement plan administered by the Massachusetts Teachers Retirement Board. Contributions to this plan are made entirely by the Commonwealth of Massachusetts, and therefore, the town does not contribute to the plan.

3. Departures from Generally Accepted Accounting Principles

For years prior to 1985, the town presented its financial statements on the basis of accounting practices prescribed by the Commonwealth of Massachusetts, Department of Revenue. These practices differed in many significant respects from G.A.A.P.

During 1981, the Commonwealth of Massachusetts issued a revised uniform municipal accounting system entitled Uniform Municipal Accounting System. The departures from G.A.A.P. under this revised system have been significantly narrowed. The town has adopted a modified Uniform Municipal Accounting System for its financial statements.

The significant departures from Generally Accepted Accounting Principals included in the town of Wilmington’s financial statements are:

- A. Retirement benefits are provided for in accordance with Chapter 32 of the Laws of the Commonwealth of Massachusetts (see note 1D).
- B. General fixed asset acquisitions are recorded as expenditures at the time purchases is made rather than being capitalized in a general fixed asset group of accounts.
- C. Purchases for materials and supplies inventories are recorded as expenditures rather than assets at time of purchase.

4. Budgetary Accounting

An annual budget is legally adopted for the General Fund. All financial orders are initiated or recommended at Town meetings. Expenditures are limited to the line items as voted at the Town meetings. Department heads may not transfer, without approval, appropriation balances from one expenditure account to another within their department or budget. These along with transfers or unencumbered appropriation balances between departments or agencies must be approved at Town Meetings.

5. Long-term Debt

State law permits the town to authorize indebtedness up to a limit of 5% of its equalized valuation. Debt issued in accordance with this state law is designated as being inside the debt limit. In addition, however, a town may authorize debt in excess of that limit for specific purposes. Such debt when issued is designated as being outside the debt limit. The following summarized the annual debt service requirements as of June 30, 2020.

General Obligation Bonds

	Principal	Interest	Total
Outstanding June 30, 2019	\$ 39,519,605	\$ 13,086,414	\$ 52,606,029

PUBLIC SAFETY

Fire Department

While 2020 was an exceptionally difficult and trying year for the Town of Wilmington and all of its residents, I am proud to report that the Fire Department never missed a beat. The members of this department answered the calls for service day in and day out, throughout the unprecedented COVID-19 pandemic. They have proven themselves to be true professionals in these times of uncertainty and added stress.

Our team changed dramatically in 2020. We bid farewell to Chief Joseph T. McMahon, Lieutenant Walter Daley and Fire Fighter Robert Patrie. We thank them for their service, leadership, knowledge and passion for helping the citizens of Wilmington throughout their combined 95 years. William F. Cavanaugh, III was appointed Fire Chief and Christopher G. Pozzi, Deputy Fire Chief, in February. Thomas Ceres was appointed as Provisional Lieutenant in June. We also welcomed George Boudreau, Jason Baker, Michael Feyler, Meredith Welch, Joseph Leverone and Brian Souza to the department as probationary Fire Fighters. Additionally, Lauren Parisi joined us as our part time clerk. These new members of the department have done extremely well during some trying times!

We overcame many obstacles in 2020. The Massachusetts Fire Academy was placed on hold for all classes including Career Recruit, which is required for our new hires to become certified Fire Fighter I/II. We saw delays in the delivery of our new Engine 1 due to the factory shut down in Pennsylvania. Supplies were limited, nursing homes were hit extremely hard by the pandemic, and we were having to adjust quickly to the “new norm”.

The following Department roster is provided:

Chief

William F. Cavanaugh, III

Deputy Fire Chief

Christopher G. Pozzi

Clerks

Rebecca Sanderson

Lauren M. Parisi

Lieutenants

Ryan P. Quigley, Fire Prevention

David P. Woods, Operations and Training

Chief William F. Cavanaugh, III

GROUP 1

Lieutenants

Robert W. Varey, III, Commander

Russell D. Sterling, Company Officer

Fire Fighters

Jason A. Baker

Edward J. DeLucia

Christopher S. Elliott

Jason M. Kennedy

John T. Mulrenan, IV

Edward C. Sousa

Brian K. Souza

Charles R. Taylor, Jr.

GROUP 2

Lieutenants

Brooke C. Green, Commander

William J. Herrick, Jr., Company Officer

Fire Fighters

George E. Boudreau

Jesse C. Bozzella

Thomas C. Casella

Michael P. Jennette

Gregory S. Murphy

Michael Rideout

Meredith L. Welch

GROUP 3

Lieutenants

Erik J. Nansel, Commander
Thomas W. Ceres, Company Officer

Fire Fighters

John C. Baker
Alexander C. Danas
Keith E. Kelly
Joseph A. Leverone
Michael P. Robbins
Joseph F. Russell
Kyle R. Skinner
Megan L. Sullivan
Matthew D. Tremblay

GROUP 4

Lieutenants

Frederick J. Ryan, Commander
Eric S. Robbins, Company Officer

Fire Fighters

Anthony Adamczyk
Michael A. Feyler
Eric M. Gronemeyer
William J. Kent, III
Robert R. Lynch, Jr.
Nicholas Newhall
George M. Robinson
Eric R. Siegel

The Board of Selectmen Welcome New Members of the Fire Department.

To say that 2020 was a year of changes, and adjusting on the fly is an extreme understatement. The COVID pandemic has tested our resources, our resourcefulness and our nerves. Our members were forced to deal with PPE shortages and higher disinfection for equipment after almost every call. We waited for assistance from the State and FEMA to procure PPE. The members of this department came together and were able to make sure that we took advantage of every opportunity to protect ourselves and our families. Deputy Pozzi and Lt. Woods were instrumental in obtaining supplies as part of the Emergency Management Team. Making sure that the equipment we received was up to par with safety and health standards.

We worked tirelessly with other Town departments, especially the Board of Health, to ensure that we were prepared for any situation. We assisted them with acquiring surgical masks for public distribution, coordinating election procedures and practices with the Town Clerk and vaccination clinics for first responders. Public Buildings made numerous disinfection passes through the building to augment the day to day cleanings that were done by the staff here. We also had some interoperability adjustments to make with the Police and Public Safety Dispatch. These changes went flawlessly thanks to the hard work and coordination of all that were involved.

We have also been heavily involved in navigating reimbursements for costs associated with the COVID pandemic through the CARES Act and FEMA. We have been collecting and submitting documentation to be eligible for reimbursements. Senior Clerk Rebecca Sanderson has been instrumental in making sure that all Department Heads were up to date on the ever changing requirements and eligible items for both programs. Without her diligence, the Town would have missed out on many opportunities to recover funds incurred during this pandemic.

The Fire Prevention Division, led by Deputy Chief Pozzi and Lt. Quigley, conducted 692 inspections with the assistance of the on duty crews in 2020. Fire Prevention is responsible for ensuring compliance of Massachusetts Fire Code in all public buildings and private businesses. Lauren Parisi has been instrumental in scheduling and maintaining records of inspection throughout the year. With the system that she has developed, Deputy Pozzi and Lt. Quigley are able to efficiently inspect nursing and health facilities, gas stations, day care centers, new residential construction, residential transfers and restaurants. Prevention is the main permitting entity within the Department as well. Permits such as flammable storage, hazardous materials processing, propane and oil burners are just a few of the permits that are issued through Fire Prevention.

Operations has taken on a slightly different role this year. Lt. Woods has done a phenomenal job in keeping up with changes in state licensing and contract renewals. Along with his regular duties of supply ordering and training scheduling, he has been a vital part of our emergency PPE tracking. As COVID ramped up, Lt. Woods kept a close eye on inventory on hand, expedient ordering of replacement PPE and thinking outside the box when our regular suppliers ran out of stock. He also continued to work closely with the State to renew our ambulance and drug licenses, coordinate EMT refresher training for the department, and work with the DPW to ensure timely repairs of vehicles.

Not all was bad this past year. I am pleased to report that all but two of our new members have attended the Massachusetts Fire Academy and are now working on shift. We took delivery of a 2020 KME Severe Service Rescue Pumper over the summer. It is an extraordinary vehicle that we refer to as “Engine 1”. We also teamed up with the Department of Fire Services Special Operations Division to become the new home of one of the States Hazardous Materials response vehicles. This is a great thing for the community such as ours because the response time for that vehicle to a scene when requested in Wilmington is almost immediate.

The Making of Engine 1

In closing, we would like to thank the Town Manager, Assistant Town Manager, Finance Committee, Board of Selectmen and residents for the support that has been shown to us over the last year.

The Department responded to a total of 4,067 calls for assistance during 2020.

Brush Fire	78	Motor Vehicle Crash	253

Public Safety Dispatch

Our Public Safety Dispatch Center is the main point of contact for all emergency and business calls. They also handle all of the walk-in inquiries from the public. Each of our Dispatchers are trained and certified in 9-1-1 call taking, Emergency Medical Dispatch, CPR/AED, Computer Aided Dispatch and CJIS terminal. These professionals handled 25,618 emergency calls in calendar year 2020. They also handled an estimated 40,000 additional business calls for Fire and Police as well as inquiries from the public for a wide range of information.

We are fortunate to have such dedicated and hard working professionals in the Dispatch Center. They are the voice that is heard by every caller in Wilmington that dials 9-1-1 for assistance. These men and women triage calls, dispatch appropriate Public Safety resources and enter key information in our mainframe which allows for prompt and accurate reporting to the State and other agencies as required.

We are fortunate in Wilmington to continue to have Emergency Dispatchers in house. This gives us an advantage over surrounding communities because they are a big part of the Public Safety team. Our Dispatchers learn each Fire Fighter's and Police Officer's routines and radio mannerisms. This is important because they can anticipate when additional help is needed and minimize delays in getting that help to the scene. They come from varying backgrounds and all bring with them a variety of skills that make them a well-rounded and diverse group.

During COVID, Fire and Police were recognized as "being at work 24/7". These professionals are no different. They reported to work each and every day to ensure the safety of Fire, Police and, most importantly, the citizens of Wilmington.

The following roster is provided:

Dispatch Supervisor

Corey K. Swift

Dispatchers

Kyle L. Sencabaugh

Jamie A. Miano

Marc A. Fluet

Jill Regan

Derek W. Leffler

Jared D. Winston

Jocelyn M. Jenks

Trey M. Griffith

John M. Stavro

Matthew L. Stone

Police Department

In accordance with the By-Laws of the Town of Wilmington, I hereby respectfully submit the annual report on the activities of the Wilmington Police Department for the year 2020.

In January 2020 we, at the Wilmington Police Department, started the year with hope for a safe and secure New Year for the residents of Wilmington. We had no idea at the time that our nation would be facing a global pandemic as well as some of the largest civil unrest since the 1960s. Not many of us took notice on January 9th as the World Health Organization announced a mysterious pneumonia detected in Wuhan, China. Little did we know how much our lives would change in a matter of weeks. As the global pandemic took hold of the country we at the Wilmington Police Department were met with challenges we had never faced before. It was a stressful time for all of us. But I'm happy to report the men and women of the department rose to the challenge. Our top priority in the months that followed was the health and wellbeing of our residents. With stay at home orders in place the isolation that comes with the orders was a great concern. A priority for the department was to let residents know that we are here for them and will always respond to their needs. The response may have looked different with officers in masks and personal protective

equipment (PPE). But, the same professional and compassionate response did not change. In May of this year, following the death of George Floyd in Minneapolis, protests erupted across the nation. At least 140 cities and 21 states called out the National Guard to assist with the unrest. It was a difficult time for those of us in law enforcement who were frustrated that the negative actions of a few in our profession reflect upon all of us. On June 4th Wilmington held a peaceful walk for justice. Organized by Wilmington Alumni Maggie Brown, citizens of all ages participated in the walk. Ms. Brown worked closely with our department to ensure the event was safe and peaceful. The Wilmington Police Department is committed to engaging with the community to improve the way we serve the community.

At the June 27th Annual Town Meeting the residents voted to increase the department by funding an additional sergeant and patrol officers positions. Officer Kevin Cavanaugh was promoted to the rank of Sergeant and was sworn in on October 9th. Sergeant Cavanaugh is an 8 year veteran and has a Bachelor's Degree from Salem State, currently he is finishing his Master's Degree in Criminal Justice at University of Massachusetts Lowell. More supervision is needed to handle the growing complexities and potential liabilities associated with modern policing. We believe Sergeant Cavanaugh will be well suited to meet these challenges. During the continuing pandemic, the Police Department has worked hard to maintain the same level of service we have always provided. We will continue to focus our efforts to assist those residents that struggle with mental health and substance abuse issues. Both of these issues have been compounded by the isolation associated with COVID -19. We continued to strengthen our collaboration with the Wilmington School District this past year. We also worked closely with Veterans' Services and support them whenever needed as they serve those veterans who have unselfishly served for us.

We will continue to focus our efforts to assist those residents that struggle with mental health and substance abuse issues. Both of these issues have been compounded by the isolation associated with COVID -19. We continued to strengthen our collaboration with the Wilmington School District this past year. We also worked closely with Veterans' Services and support them whenever needed as they serve those veterans who have unselfishly served for us.

We worked with Elderly Services this year to ensure that our older population understood that, even in the pandemic, Town departments are here for them. We believe it is essential to work in collaboration with all Town agencies to assist our most vulnerable.

Despite the overall reduction in traffic and accidents related to the pandemic, traffic concerns continue to be a frequent concern of many residents. The volume of commuter traffic may have declined, but the overall speed sharply increased. In February of this year, Officer Daniel Furbush was assigned to the Traffic Safety Division to fill the vacancy left by Sergeant Matthew Stavro. Officer Furbush has enthusiastically embraced his new role. He meets with residents on a regular basis to try and come up with solutions to alleviate traffic concerns. In the coming year we are hopeful that we start to get back to normal. Officer Furbush and Safety Officer Brian Moon will continue to work closely with residents, the Department of Public Works and local officials to meet whatever the post pandemic traffic related issues are ahead of us.

During this past year Department Clinician Samantha Reif finished her course and field requirements and is now a Licensed Independent Clinical Social Worker (LICSW). We congratulate Samantha on this accomplishment. The Department also hired a new Recovery Coach to assist with Samantha's great work. In November, Erin McCauley joined the Department when she was hired as a part time Recovery Coach. They will both continue to assist us in expanding services to individuals and their families who are struggling with addiction disorders and mental health crises. The pandemic has only made this position a more vital one.

I would like to thank Susan O'Neil, Dawn Naimo and Julie Magaldi for their work during this difficult year. While many Town employees worked from home or could not work because of stay at home orders, these three were dedicated professionals and made sure the work of the Department was always done. I want to recognize the Public Safety Dispatch for the incredible work they have done all while trying to stay safe and healthy in one room. Providing service during this difficult time would not be possible without the support of these dedicated men and women. They too experienced the stress of loved ones who contracted COVID-19, but still had to show up at risk to their own health. All the while maintaining the high level of service the Town is accustomed to. Our Animal Control Officer, Christopher Sullivan, had another busy year despite COVID-19. ACO Sullivan still brings his enthusiastic and professional dynamic to the position. He looks forward to keeping the many positive relationships with the Wilmington community he gained before the pandemic. He hopes to initiate more education efforts through social media and in person classes in the future.

We officially welcomed officers Kathryn Goodwin and Michael DiLorenzo in July. Officers Goodwin and DiLorenzo had the difficult task of trying to complete all their academy training during a global pandemic. The academy was suspended for a period of time. After hard work and perseverance they successfully graduated on July 1, 2020.

Lastly, we said goodbye to Officer Louis Martignetti in January of 2020 and Officer Rafael Cruz in November 2020. Officer Martignetti retired after 30 years of dedicated service to the Town of Wilmington. Lou will be remembered for his kind demeanor and dependability when his fellow officers needed him. Officer Cruz made the decision to leave law enforcement and accept an opportunity he was offered in the private sector. Officer Cruz was an 8 year veteran of the Police Department. We wish him well in his new career.

The following was the Departmental Roster of Personnel for 2020

Chief of Police

Joseph A. Desmond

Deputy Chief

Brian Pupa

Lieutenants

Christopher J. Ahern, Primary Evidence / Evening Watch Commander
David J. Bradbury, Operations
Charles R. Fiore, Jr., Detective Bureau / Crime Analysis / Licensing
Daniel E. Murray, Accreditation / Policy Development
Scott A. Sencabaugh, Emergency Planning / Training
David A. Sugrue, Shift Commander

Sergeants

Kevin Cavanaugh
John W. Delorey
Brian T. Hermann
David M. McCue
Mathew D. Stavro

Detectives and Specialist

Ronald J. Alpers, Jr., Detective / Community Liaison
Dan C. Cadigan, School Resource
Christopher J. Dindo, Detective
Brian J. Gillis, Inspector / Court
Brian M. Moon, Safety Officer
Patrick B. Nally, Detective
Michael J. Patterson, Narcotics
Julie M. Pozzi, Detective
Emily L. Stebbins, School Resource
Brian J. Stickney, Detective

Uniform Patrol Officers

Michael R. Cabral
Daryl J. Ceruolo
Richard A. DiPerri, Jr.
Scott Dunnett
Michael R. DiLorenzo
Joseph A. Fitzgerald
Shane A. Foley
Daniel P. Furbush, IV

Kathryn C. Goodwin
Dillon K. Halliday
Paul W. Jepson
Michael E. Johnson
Paul A. Krzeminski, Training
Thomas A. McConologue
Nicholas Nofle

Julio J. Quiles
Kevin J. Skinner
Megan M. Sousa
Brian E. Tavares
Brian D. Thornton
Michael W. Wandell
Michael A. Wilson

Department Clerks

Julie A. Magaldi
Dawn M. Naimo
Susan M. O'Neil

Animal Control Officer

Christopher H. Sullivan

Health and Recovery Coordinator

Samantha P. Reif, LICSW
Erin M. McCauley, Recovery Coach

Auxiliary Police Officers

Stephen M. Cain
Charles E. Holmes, Sr.
Mario R. DiMeco

Animal Control

Below are my final numbers for 2020. As you'd expect, most of the numbers are down from the previous year due to COVID. This is most reflective in the number of inspections, which the state instructed Animal Control Officers not to do, and the number of Rabies Clinic participants which, unfortunately, was canceled in 2020.

Total Animal Calls For Service:	732
Deceased Animal Removal:	144
Dog/Cat Bites:	34
Barn Inspections:	12
Reports:	59
Loose Dogs Picked Up:	23
Dogs Returned To Owners:	23
Quarantines:	45
Quarantine Releases:	45
Citations:	3

FACILITIES & INFRASTRUCTURE

Public Buildings Department

Carpenters Barry Ferrara and David Sullivan Install Flexiglass Barrier in the Town Manager's Office.

The Public Buildings Department is responsible for the maintenance of all town and school buildings. We ensure that all town facilities are properly cleaned, disinfected and maintained for school students and staff, town employees as well as the general public. The Public Buildings Department provides service for town-owned traffic signals, the set up for state and town elections, town meetings, High School graduation plus other community events throughout the year which has been particularly challenging during the pandemic.

Before and After – New Lights Installed at Shawsheen Elementary School

The following are highlights for some of the projects completed during 2020:

- ◆ Routine maintenance performed in all school and municipal buildings.
- ◆ Set up voting stations for the election at the Shriners Auditorium.
- ◆ Built shields and dividers to assist with social distancing during the pandemic.
- ◆ Delivered and maintained PPE, HEPA filters, air purifiers and supplies needed during the pandemic.
- ◆ Air quality testing in all school buildings during the pandemic.
- ◆ Disinfected all Town and School buildings during a pandemic.
- ◆ Set up for High School Graduation and awards ceremonies during the pandemic.
- ◆ Food and supplies delivered for Food Services to support the Food Assistance Program during the pandemic.
- ◆ Set up and break down for the Annual Town Meeting which was held outside under a tent.
- ◆ All schools cleaned over the summer break and made ready for a clean, fresh start to the new school year.
- ◆ Paint the exterior of the “Little West Schoolhouse”, Harnden Tavern and Barn, the 4th of July Building and the Art Center.
- ◆ Light fixtures at the West Intermediate School are now 100% LED (Light Emitting Diode).
- ◆ Removal of all asbestos containing material (ACM) ceiling tiles and replaced with new tiles at the West Intermediate School.
- ◆ Replaced the old light fixtures at the Sargent and Butters Row Water Treatment Plants.
- ◆ All Town buildings boilers, Univents, air handlers and exhaust systems were serviced, cleaned, all filters changed and outside air dampers opened for increased air circulation.

- ◆ Maintained emergency generators and emergency lighting at all schools and Town buildings.
- ◆ Remodeled and updated the interior of the Art Center in preparation for the Students Services Division of the School Department.
- ◆ Complete kitchen make over, refinished hardwood floors, replaced bathroom partitions and fixtures, painted the interior walls, removed and replaced interior doors and installed two new Split HVAC Units at the Senior Center.
- ◆ All town-owned traffic signals were maintained and repaired as needed.
- ◆ All lighting maintained for the Town parks, Town Common, tennis courts and the exterior of all Town owned buildings.
- ◆ Continued lighting replacement with new LED light fixture throughout Town buildings.
- ◆ Installed a new dual fuel heating system at the Library with new variable frequency drives, pumps and controllers.

For an updated list of completed projects please visit our department's website at www.wilmingtonma.gov

We gratefully acknowledge the support of the Board of Selectmen, the Town Manager, all Town Departments, School Administration and especially all the employees of the Public Buildings Department for their continued support and cooperation making 2020 a productive year.

Permanent Building Committee

The year 2020 has been a busy one for the Permanent Building Committee. At the 2020 Annual Town Meeting the Town voted to appropriate the funds for a feasibility study and schematic design for two building projects: a new Senior Center and a new Town Hall / School Administration building. The first part of this phase is for the Town to hire an Owners' Project Manager (OPM) for each of these building projects. The Building Committee plays a key role in this process by interviewing qualified firms to determine which firm is best suited to represent the Town of Wilmington. Once an OPM for each project has been chosen, the next step will be to obtain a designer for each building project. The Committee is focused on these two building projects while utilizing information provided by the Facilities Master Plan and we look forward to the next steps in the process.

We gratefully acknowledge the support of the Board of Selectmen, Town Manager, Town departments, the School administration and especially the people of Wilmington for their support and cooperation for these and future projects.

Department of Public Works

In accordance with the By-laws of the Town of Wilmington, I, Michael J. Woods, hereby respectfully submit the annual report on the activities of the Wilmington Department of Public Works for the year 2020.

The Department of Public Works consists of six (6) divisions: Highway, Tree, Cemetery, Parks and Grounds, Engineering and Water & Sewer.

Major Public Works Projects and Programs:

The Department of Public Works worked on the following major projects during 2020:

Underground Fuel Storage Tanks Conversion Project

As stated in last year's Annual Report, the two existing 30-year old 10,000 gallon underground gasoline and diesel tanks (USTs) at DPW were removed and replaced with new 10,000 gallon above ground fuel tanks. Preparation work on this project began on September 10, 2019 with the actual tank extraction work beginning on November 18, 2019. The new above ground fuel tanks were completed on January 17, 2020 and the first vehicle to receive fuel from the new tanks was the Operation Manager's vehicle, Highway 2. A new Spill Prevention Control and Countermeasure (SPCC) Plan was prepared for the new tank system in February of 2020.

Roadside Spill Control Plan and Training for DPW Personnel

A new roadside spill control and response plan was prepared and implemented for DPW staff. The plan includes standard protocol for emergency roadside response in dealing with spills within traveled roadways and town property. All DPW staff was trained in the new procedure during a safety meeting on February 12, 2020. The policy seeks to streamline DPW emergency first response during car accident and other spill situations when the Department's services are required.

Coronavirus Impact to DPW Operations

Due to the Coronavirus Pandemic (COVID-19), the Department of Public Works shifted to a remote / essential work schedule from March 24, 2020 through May 22, 2020. During this time, crews stayed busy performing essential and first responder work, coordinating with public safety for as-needed response, continued to perform essential maintenance tasks such as road patching, infrastructure repair, pump station maintenance, seasonal field preparation, tree and limb removals, fleet repair and burials at the Wildwood Cemetery. The Operations team held daily remote meetings to coordinate the day's essential work activities, ensuring all required work was executed. Crew safety was paramount during this unprecedented time.

Improvements to Boutwell School Grounds

Several small construction projects occurred at the Boutwell School grounds during 2020. Fifty feet of new wooden guardrail was installed on February 18, 2020 between the parking lot and the playground by the Town's FY21 guardrail contractor. As part of the FY21 furnishings & equipment operating budget, the existing chain link fence on the west side of the Boutwell School property was removed and replaced. In total, approximately 340 feet of existing chain link fence was removed and 170 feet of new 4 foot high, 6 gauge black vinyl coated chain link fence was installed between the playground and the adjacent residential property. This work was completed during the week of August 17, 2020. Furthermore, minor repairs were made to the existing concrete curbing on the property.

Tree Planting Program

Pathfinder Tree planted 10 trees in Wilmington on April 9, 2020 and April 10, 2020. Five trees were planted along the sidewalk in the Town Right-of-Way at the intersection of Middlesex Avenue and High Street (2 Katsura, 2 Ginko and 1 London Plane), two trees along Middlesex Avenue in front of St. Thomas' Church (1 Katsura and 1 London Plane) and three trees at Rotary Park at the walkway by the baseball fieldhouse (1 Katsura, 1 London Plane and 1 Ginko).

In FY21, Pathfinder Tree re-secured themselves as the Town's annual tree planting contractor as part of the DPW's annual bid process for materials and planted 11 additional new trees on October 23, 2020. The trees included a new honeylocust at the North Wilmington Commuter Rail parking

lot, a new Sweetgum tree to replace a dying tulip tree at the Town Common, 2 new Little Leaf Linden trees at the Swain parking lot entrance, 4 Kwanzan Cherry trees at the entrance to the Whitefield School fields and Registry of Motor Vehicles grass strip on Middlesex Avenue, and 2 Riverbirch trees and a Tulip Tree at Rotary Park.

Weather-Related Emergency Response

In addition to typical winter storm response, the DPW provided storm response services for several warmer weather storm emergencies.

A large nor-easter struck Wilmington on April 13, 2020 which prompted DPW crews to respond to downed trees and limbs during the Corona Virus shutdown.

In addition, Tropical Storm Isaias hit the Town of Wilmington on Tuesday night August 4, 2020 at approximately 4:00 p.m. DPW crews provided response until approximately 11:00 p.m. when the storm let up. The primary threat was damaging wind gusts to approximately 55 mph. The DPW recorded approximately 35 reports of trees or limbs down and completed the storm cleanup entirely in-house without contractor assistance.

Palmer Way Drainage System Upgrade

A new drainage system was installed on Middlesex Avenue at the intersection of Palmer Way. The system includes approximately 400 feet of corrugated plastic drainage pipe, two manholes and two catch basins in the vicinity of 316 Middlesex Avenue. The project seeks to alleviate gutter line ponding in Route 62 Middlesex Avenue and was completed on June 25, 2020 by the Highway Division's in-house crews.

DPW First Responders Recognized

On June 19, 2020, the DPW held an appreciation ceremony to honor DPW employees as First Responders. The ceremony coincided with an "essential employee" appreciation luncheon sponsored by the Sons of Italy and was held in the DPW garage. During the ceremony, DPW management presented the American Public Works Association's (APWA) stance on public works employees as first responders and reminded the crews of their obligations as essential workers. The ceremony concluded with the raising of the APWA First Responder national symbol flag to the DPW flagpole. The ceremony was documented locally in the Town's quarterly newsletter "Town Topics", regionally by the New England Chapter of American Public Works Association website, and nationally as a featured article in the August 2020 edition of the American Public Works Association magazine, "The Reporter".

Woburn Street School Parking Lot Reconstruction Project – Phase 2

The DPW's School and Town Building Parking Lot Resurfacing Program continued this year with the inclusion of the resurfacing of the Woburn Street School's upper parking lot. The work was performed with the Town's annual roadway management contractor and included reclaiming the existing pavement, removing the existing bituminous curb, grading and compacting the existing base material, installing approximately 580 tons of 2.75" thick modified state wearing course and the installation of approximately 1,600 linear feet of new granite curbing. The parking lot was striped in-house by DPW crews and was completed the week of August 6, 2020. The work also included a reduction in the impervious area of the parking lot by reducing the width of the pedway to Marcia Road and introducing a drainage swale to mitigate runoff from the parking lot.

Walkway Rehabilitation at the Silver Lake Fishing Pier

Approximately 400 square feet of root damaged walkway was replaced on August 12, 2020 at Silver Lake between the gravel parking lot and the fishing pier. This work received a Negative Determination of Applicability with the Wilmington Conservation Commission and erosion controls were implemented during construction activity. Work was performed by in-house DPW forces.

New Connecting Walkway in Section N of Wildwood Cemetery

A new walkway was constructed in Cemetery Section N to provide handicap access to all other poured walkways in this section from the access driveway. The walkway consists of approximately 150 linear feet of 4' wide stamped concrete. The work was performed in-house by DPW crews and was completed the week of August 3, 2020.

New Privacy Fencing Installed in Cemetery Section O

New privacy screening fencing was installed separating the new cemetery Section O from the cemetery garage. Approximately 64 feet of 8' high vinyl privacy fence was installed as part of the FY21 Operating Account (Furnishings and Equipment) in November of 2020. In addition, a new cedar post and rail wetland delineation fence was installed along the wetland line of Section O on August 11, 2020.

New Traffic Signal Camera Detection at High Street and Middlesex Avenue

As part of the FY21 Capital Plan, a new single lens traffic detection camera was installed at the intersection of Middlesex Avenue and High Street. This camera, in conjunction with the recently upgraded traffic controller, provides a more efficient phasing operation based on actual traffic queuing at the intersection. This system replaces the existing timed phasing control of the existing signals. The project was awarded to Electric Light Company, Inc. after an advertised bid process and has greatly improved the efficiency of the existing traffic signal.

Shawsheen School Tennis Court Reconstruction Project – Design Services Phase

Design services to reconstruct the existing tennis courts at the Shawsheen School were funded by the Town's FY21 Recreation Revolving account. A consultant was hired by the Town of Wilmington to develop conceptual options for the area and follow through to design documents on a selected layout. A preliminary kickoff meeting was conducted virtually on August 10, 2020 and a design consisting of 2 reconfigured basketball courts and 2 tennis courts was presented to the Department. Design services on this project will continue into 2021 with the preparation of written specifications and bid documents for FY22.

Repairs to the Walkway at the Public Safety Building

The Highway Division repaired the concrete sidewalk outside of the police cruiser parking area at the Public Safety Building. The existing sidewalk had spalled and the new sidewalk included drainage improvements at the start of the walkway, which aims to mitigate a low area prone to icing in the winter. This work was completed on September 18, 2020.

Drain Line Repairs on Shawsheen Avenue near the Billerica Town Line

The Highway Division repaired a portion of drain culvert on Shawsheen Avenue near the Middlesex Canal Aqueduct on September 23, 2020. A portion of the existing corrugated metal pipe had corroded, allowing water to redirect and exit the face of the aqueduct wall through existing spacing in the stones. The repair consisted of restoring the damaged section of pipe in the shoulder of the roadway, allowing water to flow out the existing drainage outfall as intended.

Repairs to Drainage Culvert at 290 Middlesex Avenue

As part of the FY21 Capital Improvement Plan, the existing drainage culvert adjacent to 290 Middlesex Avenue which runs across Route 62 was rehabilitated using a unique spin-casting technique. The rehabilitation effectively extends the life of the culvert, which was failing due to excessive corrosion. The procedure applies a cast-in-place concrete to the existing culvert walls, restoring pipe integrity without the burden of excavating to replace the culvert. The project was advertised for public bid and the project was awarded to the successful bidder. The project was completed at the end of October 2020.

Highway Division (978-658-4481)

All regular highway maintenance work was carried out during the year, such as sweeping streets, installing street and warning signs, patching streets, cleaning catch basins, cutting brush along the roadsides, picking up trash along our roadsides, painting and replacing guardrails, repairing broken curbing, repairing sidewalk and walkway damage, painting safety lines and crosswalks on streets, etc. Along with completing highway related tasks, this division also oversees the fleet maintenance aspect of Police, Fire, School, DPW and all other Town vehicles. With over 150 pieces of equipment to maintain, jobs range from performing scheduled preventative maintenance to addressing repairs that need immediate attention.

During a 60 degree day in February, a new drywell was installed at the Wildwood Cemetery on Aspen Drive.

The town-wide arterial sidewalk sweeping operation, which typically occurs in April, was postponed due to the COVID-19 restricted work hours during the spring of 2020.

The Highway Division conducted miscellaneous repair of snow damage, lawn damage, guardrail damage and fence damage from Town plowing operations during May and June of 2020.

Required drainage system maintenance was performed at the Wilmington High School parking lot and grounds area, as required by the Order of Conditions. This work occurred on March 18 and 20, 2020.

The Wilmington DPW maintains a stormwater public service video on the Town's DPW website. This is the same video that ran last year on Wilmington's Public Access cable station.

Roadway Projects:

Chapter 90 funds from the Massachusetts Department of Transportation were used for bituminous concrete resurfacing and associated reconstruction on a total of 14,205 linear feet (2.6 miles) of roadway work on the following projects:

Anthony Avenue	Catherine Avenue to Salem Street	325 linear feet
Arlene Avenue	Salem Street to Ella Avenue	1,200 linear feet
Baland Road	Ballardvale Street to End	550 linear feet
Barbara Avenue	Dorothy Avenue to Anthony Avenue	870 linear feet
Catherine Avenue	Anthony Avenue to Arlene Avenue	980 linear feet
Dorothy Avenue	Arlene Avenue to Barbara Avenue	1,530 linear feet
Lockwood Road	Ballardvale Street to End	950 linear feet
Old Salem Street	Salem Street to End	550 linear feet
Salem Street/Route 62	Woburn Street to North Reading Town Line	5,100 linear feet
Woburn Street	Salem Street/Route 62 to Park Street	3,740 feet

These projects collectively represent approximately \$780,000 in state Chapter 90 roadway infrastructure funding.

Approximately 750 linear feet of Research Drive was also resurfaced from Ballardvale Street. This work was funded privately by the owner of 800 Research Drive and was performed by a third party paving contractor.

Chapter 90 funding was also used to fund the 2020 Roadway Crack Sealing Program. Crack Sealing was performed over five days between September 2, 2020 and September 10, 2020. The following roads were crack sealed:

Glen Road	Harnden Street to Middlesex Avenue
Lowell Street	Main Street to Woburn Street
Andover Street	Route 62 to the Andover Town Line
Church Street	Olsen Way to Adams Street

Storm Events and Snow & Ice Removal:

The Highway Division recorded 30.5 inches of snow for the winter of 2019-2020.

The new 10-year average annual snowfall for Wilmington is approximately 67 inches.

The winter included six plowing events and 16 deicing events, which utilized approximately 2,768 tons of salt and 3,047 gallons of liquid magnesium chloride deicing solution. No sand was used for deicing during this winter.

Household Rubbish Collection, Disposal and Recycling (978-658-4481)

The Department of Public Works is responsible for the Town’s various refuse disposal and recycling programs. These programs include household rubbish and recycling; appliance, television and computer monitor recycling; yardwaste recycling; waste oil collection; and household hazardous waste collection. This year, Wilmington’s Household Hazardous Waste Collection event was canceled due to the COVID-19 Pandemic.

Solid Waste and Recycling

In 2020 the Town collected the following amounts of trash and recyclable material:

Trash Collected at Curbside	7,385 Tons
Recyclables Collected at Curbside	2,635 Tons (Recycled)
White Goods Collected at Curbside	97 Tons (Recycled)
Yardwaste Collected at Curbside	560 Tons (Recycled)
Yardwaste Delivered to Recycling Center	266 Tons (Recycled)
Cathode Ray Tubes (TV’s, Monitors) Collected	25 Tons (Recycled)

The yardwaste recycling program continued with the recycling of leaves, grass clippings, brush and Christmas trees. In January, approximately 2,345 Christmas trees were collected at curbside by the Department of Public Works between January 4, 2020 and January 17, 2020.

Working under a Beneficial Use Determination (BUD) issued by the Massachusetts Department of Environmental Protection (DEP), the DPW removed the following waste material from our Yardwaste Center in 2020:

Water Treatment Plant Residuals	785 Tons
Street Sweepings & Catch Basin Cleanings	262 Tons
Compost Tailings	1,046 Tons

The mixed material was approved by DEP for cover material at the Peabody, MA landfill, South Swale Project.

Tree Division (978-658-2809)

Tree Fell at Town Hall

The Tree Division carried out all regular maintenance work such as trimming, cutting, tree removal and tree planting. We removed roadside trees that were dead or interfered with public safety at numerous locations.

Two public shade tree hearings were held this year for the Department of Public Works to request permission to remove healthy public shade trees, per MGL Chapter 87 at the request of the abutting residents. The hearings were for trees located at 530 Shawsheen Avenue and 13 Marcus Road. The dates of the hearings were August 21, 2020 and September 25, 2020, respectively. No opposition was received at either public tree hearing and therefore permission was granted per MGL Chapter 87 to remove the trees at homeowner expense using private contractors of their choice.

Twenty-one new trees were planted by the Town of Wilmington – see information above in “Major Public Works Programs” section.

Winter Moth, which has become a recent problem for New England communities, was again monitored this year. Winter moths in caterpillar form are defoliating insects which burrow deep into the bud of certain deciduous trees and feed on pre-emerged leaves. The caterpillars fall to the ground where they pupate in the soil until late fall / early winter where they emerge as moths and seek a mate. Winter Moth damage in 2020 was substantially less noticeable than previous years, a sign that biological control in other parts of the state may be having an impact on populations.

The Gypsy Moth died out in impressive numbers in 2018 and no resurgence was noticed in 2020. Scientists have attributed this to the high amount of spring rainfall which led to a comeback of the naturally occurring fungus called *Entomophaga maimaiga* that naturally kills off the gypsy moth and keeps populations to manageable levels. This pest will continue to be monitored over the next several years.

The Town Common was illuminated again this year with Christmas lights installed by the Tree Division using LED lights exclusively. The Tree Lighting Ceremony was canceled out of precaution from the COVID-19 Pandemic. LED lights use significantly less energy than conventional lights.

Cemetery Division (978-658-3901)

All regular maintenance work was carried out throughout the year, such as mowing grass, weeding, trimming, resetting grave markers, pouring foundations for monuments, etc. In addition, 160 feet of new replacement cemetery fencing was installed along Wildwood Street in May 2020.

A new bench was installed on Friday, October 2, 2020 at the Scatter Garden in Wildwood Cemetery. The bench is a 4 foot long granite bench situated to the east of the Scatter Garden.

The following cemetery statistics were recorded in 2020:

Internments:

Residents	123
Non-residents	78
Moved/Disinterred	<u>0</u>
TOTAL	201

Receipts	\$	154,216.50
Reserve	\$	39,775.00
Trust Fund	\$	34,575.00

Parks & Grounds Division (978-658-4481)

In 2020, the DPW continued to implement the turf management plan that began in 2010. This turf management program has the goal of improving the safety and playability of the Town’s approximate 40 acres of playing fields using the following program components:

- Greater use of organic soil amendments and fertilizers to build the long term sustainability of the soils.
- Increased core aerations with the addition of a much greater concentration of sports turf mix.
- Greater mowing frequency to improve plant health.

In addition to implementing the turf management plan, the Parks & Grounds Division carried out regular maintenance such as cutting grass, trimming shrubs, aerating playing fields, marking ball fields for baseball, softball, football, field hockey and soccer. All playing fields were fertilized and brush was cleared from the air vents at all the Town’s schools.

In recognition of retiring West Intermediate School Principal Dennis Shaw, the Department replaced the bench slats on the existing benches in front of the West Intermediate on July 8, 2020. The work was partly funded by “Parents at the West”.

New ADA adaptable playground swings were installed at the Boutwell School and Wildwood School playgrounds. The swings were requested by the School Department and were included in the DPW’s FY21 operating budget. The swings were installed on August 4, 2020.

The synthetic turf field at Wilmington High School and the new synthetic field at Yentile’s received regular grooming and cleaning maintenance during 2020. GMAX concussion impact tests were also performed at both fields with passing results.

Lining Field at Shawsheen Elementary School

Various playground repairs were made as a result of ongoing and regular safety inspections.

Annual dog park maintenance was performed by this division, with the grooming of sand and general regrading of the area. The majority of the daily maintenance and general tidiness of this park is performed by the users of the dog park, with monitoring supplied by Wilmington Animal Control Officer Christopher Sullivan.

The Division again worked with Chem Serve laboratories to collect the annual sample of water from an irrigation well near the turf field in order to test it for water quality, as required by the Order of Conditions from the High School Project. All required parameters from the water

samples were reported to be below GW-3 drinking water standards, as required.

The Division is also responsible for the daily maintenance and general upkeep of Silver Lake Beach. Both the main beach and Baby Beach were maintained, mechanically groomed and inspected for litter.

The Parks & Grounds Division was also responsible for the fall collection and removal of all leaves and tree debris from Town fields, parks and building grounds. This project utilizes the Department's tow-behind leaf vacuum and high-box body attachment.

Engineering Division (978-658-4491)

The Town's Engineering Division is responsible for providing Engineering, Permitting, Surveying and Inspectional services for various Public Works projects. In 2020, the Engineering Division provided these services for multiple projects highlighted by the following:

- Construction Oversight and Administration for Middlesex Avenue Culvert Repair Project;
- Construction Oversight and Administration for Palmer Way Drainage Improvement Project;
- Design and Permitting for Brentwood Avenue Drainage Improvement Project;
- Design and Permitting for Shady Lane Sidewalk Extension Project (Phase 2);
- Design for Cemetery Expansion Plan;
- Prepare Survey Plan for Salem Street Wellfield Improvement Project;
- Project Manager for Lowell Street and Woburn Street Intersection Improvement Project;
- Project Manager for Main Street Corridor Improvement Project;
- Project Manager for the Environmental Protection Agency's MS4 Permit Compliance;
- Project Manager for the Energy & Environmental Affairs Municipal Vulnerability Preparedness Plan.

The Engineering Division also provides internal support to various departments including Planning and Conservation, Assessors, Building, Health, Police, Fire and Recreation. This includes peer reviews for various applications including Site Plan Review, Subdivisions, Notice of Intent Applications, Stormwater Management Permits, Building Permits and Occupancy Permits. This also includes establishing surety and performing construction inspection services for various new subdivision roadways including Murray Hill Estates, North Wilmington Estates, Highland Estates and Green Meadow Subdivision.

Wilmington's Geographic Information System (GIS) is also run through the Engineering Division. The Town's GIS is the storage center for all of the Town's spatial data. Spatial data associates a geographic location to infrastructure through utilizing a coordinate system. This data is then illustrated on a map available online. As infrastructure is continuously being improved, expanded or repaired, it is imperative that data can be updated and edited in a timely manner to ensure the most accurate information is conveyed to the user. In 2020, the Engineering Division continued to implement dynamic map layers as the GIS program continues to push towards its goal of being the up-to-the-minute database for the Town. The GIS program is also responsible for implementing and maintaining databases for engineering operations, and the operations of the Department of Public Works as a whole.

In 2021, the Engineering Division plans to continue progress on establishing our electronic based file management system for more efficient access to Town infrastructure records. Hard copy record drawings, reports and permit applications are being continuously scanned to a PDF file format and saved on a shared network drive. The objective is to create an information hub for existing Town-wide infrastructure design and record drawings. This will improve the level of service the Engineering Division can provide to the community and various Town departments.

Water & Sewer Divisions (978-658-4711)

The Water Division of the DPW is responsible for overseeing, operating and maintaining the water system for the Town of Wilmington. With 138 miles of water mains, 7,600 service connections, 1,251 public fire hydrants, approximately 1,239 main valves, 3 storage tanks, 9 pumping stations and 2 water treatment facilities, the system provides drinking water and fire protection to 99% of the properties in town. Personnel within the Water Division are also responsible for assisting the Highway Division with roadway snow and ice removal operations.

The following is a summary of projects completed and other pertinent information from the 2020 calendar year.

Water Division:

The Water Division continued the established pro-active practice of replacing distribution infrastructure. Over the past year, the Water Division focused its efforts on improving the water distribution system by replacing fire hydrants that were not operating properly or were old, solid barrel style. As the replacement fire hydrants were installed, the fire hydrant database that contains information on each fire hydrant in Town was also updated. Over the course of 2020, the Water Division installed 30 new fire hydrants.

Nassau Avenue Water Storage Tank Construction

In November of 2018, the Town executed a contract with Statewide Aquastore, Inc. to construct the replacement of the water tank located on Nassau Avenue/Eagle Road. Construction of the new 400,000 gallon elevated composite water storage tank began in the spring of 2019, with oversight being administered by the Town's water consultant, Kleinfelder. In addition to the construction of the new tank, the project included associated site work, construction of a new gravel access drive, installation of new yard piping and fire hydrant, improvements in landscaping, modifications to an existing altitude valve vault and coordination with private telecommunications companies. The new tank was officially activated in January of 2020.

Salem Street and Shawsheen Avenue Wellfield Redevelopment

In January of 2020, Well 9B at the Salem Street Wellfield and the Shawsheen Avenue Well were redeveloped by Maher Services, Inc. Both wells were redeveloped using chemicals and mechanical pumping and surging and specific capacity was improved at the completion of the project. Also, the pre redevelopment videos at both wells showed that the screens had some iron encrustation. The post redevelopment videos showed that the screens were clean and appeared to be in good condition.

Lead and Copper Sampling

The Town of Wilmington Water Division completed its latest round of lead and copper sampling in June of 2020. The Wilmington Water Division collected water samples from 30 residences in town and then a certified laboratory analyzed samples for lead and copper levels. Results of the sampling showed that the Town of Wilmington did not exceed the action levels for lead and copper and remains in compliance with regulations.

Meter Calibrations

In order to maintain an accurate account of water within the distribution system, 10 master meters in our system were inspected and calibrated. All were found to be in good condition and are reading accurately. These meters quantify the amount of water pumped from the following locations; the aquifer at the pump stations, water into both water treatment plants (WTPs), water leaving both water treatment plants and at the MWRA vault.

Clearing Sergeant Treatment Plant Lagoon

Water Storage Tanks - Inspections

In December, the three water storage tanks in Wilmington were inspected by automated ROV (Remotely Operated Vehicle). This method utilizes a sanitized underwater device with video camera and recording equipment to inspect all surfaces of the tank below the water level, without removing the tank from service. The assessment indicated that the tanks were in satisfactory condition and that there were no deficiencies that required immediate action.

Vehicle Replacements

During the year, the Water Division purchased two replacement trucks. The first truck purchased was a heavy duty ¾ ton pick-up truck with plow to replace an aging vehicle in the fleet. This new vehicle will also be used for snow plowing operations. The second vehicle purchased was a Ford Ranger pick-up truck to be used by maintenance staff for inspections and other smaller scale jobs that do not require a larger vehicle. This truck replaced a 2010 Ford Ranger.

Water Main Flushing Program

Due to the Covid-19 Pandemic, the annual water main flushing program that typically occurs during the months of April, May and June was rescheduled to the fall. A standard practice in the water works industry, this program helps to remove sediment and tuberculation that have accumulated in water mains. Another benefit of the program is that it is effective in reducing odor, taste and color in the water. Approximately **10.2 million gallons of water** were used to accomplish this task in 2020. While they are flushing the hydrants and operating the valves, employees also take the opportunity to identify any hydrants that are not in proper working condition. All fire hydrants identified are then repaired.

Pumping Statistics:

<u>Wilmington Treated</u>	<u>GALLONS</u>	<u>CUBIC FEET</u>
Maximum per Day	2,146,142	286,917
Maximum per Week	14,272,414	1,908,077
Maximum per Month	60,291,896	8,060,414

MWRA Purchased

Maximum per Day	2,554,118	341,460
Maximum per Week	13,459,937	1,799,457
Maximum per Month	43,593,978	5,828,072

Combined

Maximum per Day	4,084,897	546,109
Maximum per Week	27,232,496	3,640,708
Maximum per Month	98,009,431	13,102,865
Average per Day	2,311,683	309,049
Average per Month	70,351,637	9,405,299
Total Purchased (MWRA)	250,000,000	33,422,460
Total Treated (Wilmington)	609,774,430	81,520,646
Total Provided for Distribution	859,774,430	114,943,106
Total Pumped from Aquifer (Raw)	642,766,131	85,931,301

Precipitation Statistics:

Annual Rain Fall (Inches)	39.33
Annual Snow Fall Winter 2019-2020 (Inches)	30.5

<u>Consumption Statistics:</u>	<u>GALLONS</u>	<u>CUBIC FEET</u>	<u>PERCENTAGE OF TOTAL PUMPED</u>
Municipal Use	10,672,905	1,426,859	1.2
Residential Use	523,316,216	69,962,061	60.9
Commercial Use	39,644,486	5,300,065	4.6
Industrial Use	258,867,137	34,607,906	30.1
Annual Water Main Flushing	10,191,805	1,362,541	1.2
Miscellaneous Hydrant Use	442,720	59,187	0.1
Total Accounted For Pumped	843,135,270	112,718,619	98.1
Unaccounted for Use *	16,639,160	2,224,487	1.9

* The difference between accounted for and unaccounted for water consists of water lost to main and service breaks, unrecorded water used while fighting fires, street sweeping and theft.

Sewer Division:

The Sewer Division maintains approximately 34 miles of main pipe, 11 pump stations, 1,752 services and a septage receiving facility. Approximately 20% of the Town of Wilmington is serviced by the municipal sewer system. Wastewater flow from Wilmington discharges to the

Massachusetts Water Resource Authority (MWRA)'s Wilmington Trunk Sewer at the Wilmington/Woburn town line and ultimately to the MWRA Deer Island Treatment Plant.

Over the past year, the division continued to maintain and clean sewer lines as needed. Any discovered leaks, blockages or structural deficiencies were corrected as soon as possible. As part of standard operating procedure, all pump stations were inspected daily to ensure they were operating properly.

In general, the sewer system continues to be in very good condition.

Inflow/Infiltration Removal Sewer Rehabilitation Project

In the fall of 2020, the Town saw the start of a construction rehabilitation project to remove inflow and infiltration from the sewer system. Seventy-five percent of the contract costs were paid by a grant made available through the MWRA I/I Financial Assistance Program. Using various construction methods (cured in place pipe sewer lining, cured in place spot repairs, manhole repairs, etc.), this project addressed the sewer deficiencies that were identified in a study that was approved in FY17. Arcadis was the engineer for this project and also provided construction oversight services while Insituform was the general contractor. The rehabilitation is expected to be completed in January of 2021.

HUMAN SERVICES & CONSUMER AFFAIRS

Library

COVID-19

In response to a worldwide pandemic in 2020, Wilmington Memorial Library adopted new approaches to service that provided for the health and safety of staff and patrons while keeping our commitment to meeting community needs.

In keeping with Governor Baker's Stay At Home Advisory, the library building closed on March 24 and staff began working remotely from home and meeting virtually on Zoom. During this period, we focused on promoting and expanding our electronic services including downloadable e-books, audiobooks, movies, music, etc. We added new resources such as Creative Bug which offers more than 1,000 video classes on knitting, sewing, cooking and other crafts. In addition, the home page of the library's website was redesigned so patrons could easily find resources they needed including a way to easily apply for a library card online. We also reached out to library patrons via our weekly email newsletter and on social media. Library Director Tina Stewart and Assistant Library Director Charlotte Wood worked diligently to research best practices and guidelines from the Massachusetts Board of Library Commissioners in developing a phased reopening plan to submit to the Board of Library Trustees, Town Manager and Health Director.

Library staff returned to the workplace on May 26. All staff were assigned workstations that were in compliance with the social distancing protocols and were given COVID-19 safety and hygiene instructions. Over the course of the summer, the Public Buildings Department implemented

enhanced cleaning protocols and installed safety shields at service desks. While the library building remained closed to the public, we rolled out curbside service on May 26 with library staff placing requested library materials in the trunk of the patron's car. We began accepting returned library materials in early June putting them in quarantine for three days before returning them to circulation.

On August 3, the library moved to the next phase of reopening by allowing patrons inside the library by appointment in order limit the number of patrons in the building to maintain social distancing. Beginning Monday, November 2, patrons were permitted to visit the first floor of the library without an appointment while still requiring appointments to visit the Youth Services Department. Due to the virus surge after Thanksgiving, we closed the building to the public and rolled back to curbside service only. Staff continued to work on site offering virtual programs and responding to patron requests.

Virtual Programs

The emergency shutdown in March resulted in the cancellation of all scheduled in-person spring programs. Staff began to identify which in-person programs could easily transition to a virtual environment. As staff, presenters and our patrons became more comfortable with the presenting and participating in virtual programs, we continued to expand our virtual offerings. In addition to book discussions and storytimes, we added lectures, crafts, interactive games and more.

Wilmington Memorial Library joined forces with a number of area libraries to offer virtual programming such as Author Talks with bestselling authors Fredrik Backman, Elin Hilderbrand and James Patterson, as well as smaller collaborations such as cooking workshops with Liz Barbour of The Creative Feast and backyard bird watching programs with Steve Hale of Open World Explorers. In addition, eight MVLC teen librarians collaborated on offering MVLibCon, a virtual comic con with 16 events offered during June.

WML also worked with WCTV to broadcast many of the library's daytime programs on television and through WCTV's streaming platform. Circulation Librarian Lisa Crispin created a Cookin' the Books show on WCTV highlighting cookbooks from the library's collection and demonstrating recipes. Concerts with local musicians such as the Swing Fever Trio were also broadcast on WCTV.

Wilmington's Earth Year

Most of the programs that were part of Wilmington's Earth Year initiative to raise awareness of environmental issues were cancelled in the spring due to the emergency shutdown. However, Library Director Tina Stewart and Assistant Library Director Charlotte Wood handed out 300 Fraser Tree seedlings on Earth Day and Arbor Day. In addition, Youth Services Librarian

Barbara Raab created a list of at-home Citizen Science activities for kids and families on the library's website that focused on the environment with an opportunity to earn badges. We plan to continue Wilmington's Earth Year with programs and resources in 2021. Thanks to the Friends of the Library 2019 Annual Appeal for funding this initiative.

Working Towards Antiracism

The WML Working Towards Antiracism initiative aimed to educate our community about antiracism, raise awareness of racial and social inequities, and foster discussions through programs, resources and community reads. These programs included a panel discussion with the local Diversity, Equity & Inclusion group, an author talk with E. Delores Johnson who discussed her book *Say I'm Dead: A Family Memoir of Race, Secrets and Love*, a lecture about the life and work of African American poet Phillis Wheatley and a talk about the disproportionate impact of environmental burdens on communities of color. Technology Librarian Brad McKenna led a monthly film discussion on documentaries focused on antiracism and social justice themes. In addition, the library's Antiracism Committee curated a list of resources for kids, teens and adults including book, movie and podcast recommendations and links to local social justice organizations on the library's website.

Voter Engagement

Assistant Librarian for Teen Services Brittany Tuttle spearheaded WML's Voter Engagement initiative with outreach to the Wilmington High School and collaboration with Town Clerk Christine Touma-Conway. A voter registration drive was held in front of the library on Tuesday, September 29. In addition, Technology Librarian Brad McKenna developed a voter information page on the library's website and Marketing Librarian Ellen Boyle created a Wilmington Voter Information bookmark and "I am registered to Vote" pins. Voter registration forms, bookmarks and pins were available at the Library on the Lawn through the month of October. In addition, teens had the opportunity to express what issues were important to them during the election season by inviting them submit "For Freedoms" statements that were placed on signs on the library's front lawn. Kids also participated in the voting process by voting for their favorite book characters.

Reading in 2020

WML kicked off the New Year in January with our "Read 20 in 2020" reading challenge. The promotion engaged 321 readers who read 3,961 books, an average of 12 books per person. Prizes included a WML-logo notebook, reusable straw, mug, ice scraper and fleece blanket for everyone who read 20 books.

While the library building was closed and patrons did not have access to our physical collection, many discovered e-books and audiobooks. However, many patrons still missed reading physical books and were appreciative when we began offering curbside service in late May. In addition, we began offering Library on the Lawn in June to give patrons the opportunity to browse new bestsellers as well as children's books while the building remain closed. Staff also selected books for patrons based on their interests via the "Book Match" service on the library's website.

Youth Services

Due to pandemic protocols, only one family at a time was permitted in the Children's Room. All toys, games and chairs were removed and everyone missed the normal activity and enjoyment of using this space. However, Youth Services Librarian Barbara Raab and her staff strived to stay connected with children of all ages during the shutdown and during the restricted access to the

building. Three storytimes per week were offered all summer and fall geared toward different age groups. Parents of babies and toddlers were particularly appreciative of our efforts as noted by the following comments:

From Christine Peters: *Thank you, Barbara! Elizabeth loved the baby story time video! She said “more Barbara!” after it finished.*

From Tiffany Laudano: *Just wanted to say thank you. Cameron loved the video, he has watched multiple times.*

From Audrey Bourque: *Thank you so much for doing these storytimes! My 2 year old son, Nathan, really misses the library but he loves watching the videos. After we watch he says “again?!”*

The annual summer program featured a mixture of virtual programs presented by staff and those done by outside presenters. Programs that had been popular in person, including Travel Club, Book Club and LEGO Club were offered. The attendance for our summer programs was significantly lower than other years due to the impact of the pandemic. However, there was a core group of families that attended virtually all of the programs that were offered and greatly appreciated them.

Many of the virtual children’s programs had a “pick-up” component, where registrants would come to the library in advance to pick up materials that staff had prepared that were then used at home as part of the program. While the weather remained warm during the summer and early fall, Baby Times and Preschool Storytimes were held at Yentile Farm both during the week and on Saturdays. Other outdoor programs included a Halloween party and a scarecrow contest plus the annual “Noon Year’s Eve” celebration with music, dancing and noisemakers on the library’s front lawn welcoming 2021.

Tie Dye on the Lawn

Youth services staff reached out to Wilmington Public School teachers and parents via a digital newsletter identifying how to access the library’s resources as well as offering personal assistance from the staff. Youth Services Librarian Barbara Raab and Marketing Librarian Ellen Boyle also created two videos for the elementary schools with one demonstrating how to search for materials in the WML catalog and how to get a library card and the other how to access e-books on the library’s website.

Library Building

New Space in Children's Room

Renovation of the front stairwell that created two small rooms was completed in late spring. The first floor room became an office for the Technology Librarian. The second floor room is earmarked to become a gathering space for children and teens once the library returns to normal operations. During the pandemic, the Youth Services Librarian used this room as an office to accommodate social distancing requirements.

In the fall, a small meeting room was created on the first floor using glass architectural panels. Looking ahead, we plan to offer this room for small meetings of up to six people. This room will also be used for tech help sessions providing a degree of privacy. We acknowledge the Barbara Johnson Trust which enabled the library to fund these projects.

In June, Town Meeting voted to name the outdoor seating area behind the library the “Peggy Kane Reading Garden” in honor of her service to the library and the Town. A dedication was held in late September with immediate family, Trustees and the Friends Executive Board.

Library Staff

This past year we saw a number of staff changes. Linda Harris, Assistant Technical Services Librarian, retired in January after 18 years of service. Circulation Librarian Linda Pavluk retired in September. Linda was a valued member of the WML staff for 24 years, becoming the Circulation Librarian in 2002. Part-time Library Associate Lisa Crispin was promoted to the full-time position of Circulation Librarian. Part-time Library Assistant Desiree Maguire retired in November after 14 years of service. Library Page Jaqueline Strob was promoted to the part-time Library Associate position.

Adult Services Librarian Kimberly Blakely resigned in January. Technical Services Assistant Erin Driscoll was promoted to the position of Adult Services Librarian. Part-time Library Associate Laurie Wierzbicki was promoted to the position of Technical Services Assistant. Library page Britney Chin was promoted to the part-time Library Associate position. Assistant Children's Librarian Victoria Oatis and Marketing Librarian Danielle Ward resigned in June. Ellen Boyle joined the staff as the Marketing Librarian in August. Nicole Chevalier joined the staff as the Assistant Children's Librarian in September.

Library Director Tina Stewart and Assistant Library Director Charlotte Wood attended the Public Library Association Conference in Nashville February 26-February 29, which was a wonderful opportunity to learn from experts in the field. When the pandemic hit in March, travel to conferences and workshops shifted to virtual training. While working remotely from March through May, staff assignments included a list of online training modules. Technology Librarian Brad McKenna developed a comprehensive technology competencies assessment plan for staff to identify areas of weakness with follow up training. Assistant Library Director Charlotte Wood instituted a self-directed training program in July requiring staff to spend one hour a week on training and development in areas that help them do their job better. In addition, library staff completed Cybersecurity Awareness Training as assigned by the Town of Wilmington's IT Department.

Acknowledgements

In closing out an unprecedented year like no other, it is important to acknowledge the WML staff for their resiliency and dedication. While navigating uncertainty during the pandemic, their commitment to serve the community never wavered. Seeing many of the staff accept the challenge of doing virtual programming and becoming adept at online presentations was inspiring.

Thanks to Health Director Shelly Newhouse for her expert guidance in our planning and decision making process in response to the pandemic. The Friends of the Library Book Store volunteers are acknowledged for organizing a number of outdoor book sales providing reading materials to shoppers as well as revenue for library programs.

Going forward, WML is committed to responding to the recovery from the pandemic and creating a new normal that heals and brings our community back together.

LIBRARY STAFF (as of December 31, 2020)

Library Director - Christina Stewart
Assistant Library Director - Charlotte Wood
Administrative Assistant - Gloria Corcoran
Adult Services Librarian - Erin Driscoll

Wilmington Arts Council

The Wilmington Arts Council is a Local Cultural Council (LCC) made up of volunteers to fund cultural projects that will benefit the Town to the greatest possible extent. In Massachusetts, public funding for the arts is provided through the Massachusetts Cultural Council and Wilmington is one of the 329 LCCs in the Commonwealth. This extensive grassroots system of public support for community cultural programs is unmatched anywhere in the United States.

At the 1986 Annual Town Meeting, an Article seeking matching funds to develop the vacant "Old Town Hall" as a center for artistic and cultural pursuit passed unanimously, and the building was turned over to the Council in the fall of 1986. The Arts Council held its first meeting in the new Wilmington Art Center on November 13, 1986 and a lease was signed in mid-December of 1986 to continue development of the Center for the Arts in Wilmington.

Since that time, the Art Center offered ongoing lessons in watercolor, oils, acrylics, photography and drawing. Each year the Center had a magnificent exhibition, which was always an elegant affair with live piano music, refreshments, cash prizes and a wonderful opportunity for the public, local artists and their friends and families to meet each other and view the exhibited pieces. Entrants came from Wilmington, as well as surrounding towns.

The year 2020 was a disappointing year in many ways. In February of 2020 the Council was informed by the Town Manager that the building was no longer to be used as the Art Center and would instead be turned over to the School Department to supplement sorely needed space for the Special Needs Program. Over the next several months the Council members struggled to find an alternative site to no avail and faced the daunting task of rehomeing over 200 pieces of art work as well as the Center's grand piano. The Stewart Highland Pipers and the Merrimack Valley Chorus, who for many years had rented the Center for evening rehearsals, were forced to find new sites. The many piano recital programs were also canceled, as well as all art lessons. To add to the Council's difficulties, the coronavirus came to town, which made it impossible to carry on with lessons, even if a suitable venue became available.

The Wilmington Arts Council currently has nine active members.

For Fiscal Year 2020, the Council received \$7,500 from the Massachusetts Cultural Council to distribute to grant applicants. Grants included funding for projects for all age groups: Museum passes, musical and dance programs, inspirational speakers, theatrical productions and a musical instrument lending program. Some of the grant programs were forced to cancel or postpone due to COVID restrictions, however, the Massachusetts Cultural Council approved carrying the funds over until 2021 so that programs could hopefully be held at a later date.

Sarah D. J. Carter Lecture Fund Committee

Since 1910, the Sarah D. J. Carter Lecture Fund Committee has brought to Wilmington interesting programs to entertain residents. The programs are presented free of charge through the generosity of Sarah Davis Jaquith Carter who, 110 years ago, left the Town a bequest for that purpose.

The Committee met in January to plan its 2020 program to be presented in October. Several options were discussed and the entertainers were contacted. In the following months, COVID-19 restrictions necessitated the cancellation of the 2020 program.

Members of the Committee, Adele Passmore, Ann Berghaus, Andrea Houser, Ann St. Onge and Barbara Bishop, look forward to October 2021 when, hopefully, our long overdue 110th program will be presented.

Historical Commission

In a challenging year, the Wilmington Historical Commission has remained committed to bringing public awareness to Wilmington's wealth of historic resources.

The year began with a focus on the approaching 75th anniversary of the end of World War II. New Commission member Paul Chalifour researched and presented an online tribute to Wilmington's World War II service members. Plans for a video presentation and a Museum exhibit documenting life in Wilmington's home front during the war were discussed early in the year, but had to be cancelled due to pandemic restrictions. The Historical Commission was proud to display a photo exhibit of Wilmington servicemen and women on the front lawn of the Town Museum in September, on the day that Veterans' Services led a parade through town to honor Wilmington's surviving World War II veterans.

The Commission continues to be invested in the maintenance of informational plaques on properties of historic significance located within the Town. Many of the plaques currently on homes are over 20 years old and substantially deteriorated. Some of these plaques have been replaced and efforts are ongoing to evaluate which other plaques may require replacement. The Commission also has made it a goal to install signage to mark the five National Register Historic Districts that are within the Town.

The privately owned Boutell-Hathorn House, as well as the Butters-Avery House (known locally as the Butters Farm House), are both important artifacts of the Town's colonial past. In a year in which site visits were largely postponed, the Commission, in cooperation with Historic New England, remains committed to stewardship and preservation of these two important properties. We are grateful to the dedicated property owners for the work they do to maintain and improve, in a historically sensitive manner, these significant historic structures.

Although the Town Museum's Holiday Social was cancelled this year due to the COVID-19 pandemic, the Commission was proud to donate a decorated holiday wreath to We're One Wilmington's virtual Festival of Trees in December. The Commission looks forward to a return of the Holiday Social in the future.

Memberships in historic preservation organizations were renewed. Memberships include Historic New England, the American Association for State and Local History, the New England Museum Association and the American Alliance of Museums. During this year of pandemic closures and restrictions, these memberships were a valuable resource of pandemic-related information, especially for the Town Museum, as we all struggled to understand the implications of a public health emergency that changed the way citizens can experience and understand local cultural resources.

Henny Penny Birdhouse

The Wilmington Town Museum is the Town's greatest historic asset and at the cornerstone of the Commission's mission to cultivate public awareness of the Town's past. As curator of the Town Museum, Terry McDermott has been tasked this year with overseeing the Museum in a year in which it must remain closed to the public. Even without visitors, caring for the Museum necessitates cleaning and other maintenance activities, as well as care and conservation of Museum archives and artifacts. Our curator remains a resource for citizens of the Town, ready to research and answer queries as needed. In addition, the curator established a social media presence this year to share Town history and some of the Museum's resources to the public while the Museum was closed.

The Commission is grateful for the Town's support of the Town Museum and other work of the Commission. Thanks are extended to all members of Town administration, especially the Town's Department of Public Works and the Public Buildings Department.

Bonny Smith remained Chairman of the Commission in 2020. Gerry Duggan, Diane Harvey, Bob Mallett, Megan Delehanty Coslick and Christine Johnston continued as active Commission members and Paul Chalifour was appointed to fill a vacancy. Nancy Kirwin was hired as the new Clerk of the Commission.

The Wilmington Historical Commission meets on the second Monday of the month at Town Hall and the Wilmington Town Museum.

Col. Joshua Harnden Tavern and Wilmington Town Museum

The Wilmington Town Museum, located at the historic Col. Joshua Harnden Tavern, works with the Wilmington Historical Commission to bring cultural and educational programs, exhibits and events to the Town's citizens. Like everyone else, the Museum has faced challenges this year, but we have endeavored to continue serving the Town in new ways, in spite of COVID-19 pandemic restrictions and the fact that the Museum has been closed to the public since March.

While most of the programs and events that were being planned at the beginning of the calendar year were cancelled, including the Museum's annual Holiday Social, the Wilmington Town Museum Curator reached out to the public through social media and in cooperative efforts with other Town departments. After pandemic related closures went into effect, the Curator worked with the staff from the Wilmington Memorial Library to release a short video about Wilmington's experiences during the 1918 Spanish Influenza pandemic. Later in the spring, the Museum Curator created a Twitter account (Wilmington Town Museum @town_museum) to release Museum and history-related images for Wilmington residents: photos of the Museum grounds, Museum donations, artifacts and newspaper clippings from, or about, events and people in Wilmington history.

In addition, the Town Museum was pleased to be able to share a part of the George Spanos World War II photo collection with the public on September 2 when Wilmington's Veterans' Services Department organized a parade through Town to honor Wilmington's World War II veterans. Historical Commission Chairman Bonny Smith and Museum Curator Terry McDermott staged an exhibit of Spanos photos on the front lawn of the Museum, which could be viewed by parade participants.

While the Museum has been closed to the public due to the restrictions imposed by the pandemic, the work of historic presentation and preservation has continued. The Museum Curator is available to answer questions from the public about the Town's rich history, including families, businesses and houses of historic significance. The Museum has provided historic images to the Reading Municipal Light Department's annual calendar, loaned mannequins for displaying military uniforms to the Town's Veterans' Services Department, researched ownership of the "Town Clock," provided historical information to Eagle Scout candidates and answered many other questions about Wilmington's historical people, places and events. In addition, the Curator is working to create a comprehensive inventory of the Museum's artifacts and archives.

Maintenance of the Town Museum's historic Harnden Tavern building continues to be a high priority. The exterior of the Town Museum was maintained and improved in various ways in the past year. In January, a new sign was installed in front of the building, to replace its deteriorating twenty-year old predecessor. The Eagle Scout project of Cyrus Rich, completed in 2019, yielded an abundant and attractive crop of hops in front of the Carriage House in the summer of 2020. In the fall, the Wilmington Public Buildings Department arranged to have the Carriage House and parts of the back of the Harnden Tavern painted. Several times during the year, volunteer Stephen Berghaus was on site to stain the stairs to the Carriage House side door and to do some landscape maintenance around the property.

Hops Plant

Even in a year of social distancing, generous Wilmington citizens, and others, added to the Museum's collection of Town artifacts. A donation by Stephen Jeffrey expanded our collection of early twentieth century photos produced by local photographer Luther Shattuck; Jerome Eichholz of Florida donated two small nineteenth century ledger books; Rochelle Toth donated *A History of Education of Women in the United States*, a book by Wilmington educator Elene Wilson Farello; Michael Burke and the Ritchie family donated sports memorabilia from WHS coach John Ritchie; Diane Clifton donated WHS memorabilia from her mother, Virginia (Colucci) Salera; on behalf of the late Donald Lord, Susan and Sharon Downs donated the Henny Penny birdhouse/replica of Wilmington's Congregational Church.

In a year of social distancing, volunteering at the Museum was not possible in the way it has been in years past. However, the Museum was well-served by the efforts of Ann and Stephen Berghaus, who always provide service and insight, in regards to Museum maintenance, as well as Wilmington history more generally. Early in the year, the Museum benefited from the service of Michelle DiNatale as a Senior Tax Work Off participant.

Wilmington's Public Buildings Department and the Department of Public Works have continued their stellar work maintaining the Museum and grounds, for which we are thankful. The Museum Curator is also grateful for opportunities to work with the staff of the Wilmington Memorial Library; although several programs planned in cooperation with the Library this year were postponed or cancelled due to the pandemic, we look forward to renewing our cooperative relationship in the future. The Town Museum and the Historical Commission are appreciative of continuing support of the Museum from the Town Manager's office, as well as from other Town departments. We look forward to providing enriching experiences for the citizens of Wilmington in the future.

Winter Hours	Tuesday & Thursday, 10 a.m. to 2 p.m. First Sunday of month, 2 p.m. to 4 p.m.
Summer Hours	Thursday & Friday, 10 a.m. to 2 p.m. First Sunday of month, 2 p.m. to 4 p.m.

Recreation Department

The Recreation Department's continuing goal is to offer high quality, relevant programs and services to the residents of Wilmington. The Recreation Department aims to provide solutions to new challenges faced by residents in evolving life situations. New residents can meet others, parents can find a wide variety of reasonably priced programs for their children to sample, "empty nesters" might take a class or enjoy theater or sporting event tickets and residents of all ages continue to reap the benefits of group travel and assorted fitness programs. The Recreation Department has been in full-time operation for 50 years. The Department is located in Room 8 at Town Hall. Office hours are 8:30 a.m. to 4:30 p.m., Monday through Friday.

The Recreation Commission, formed in 1953, acts in an advisory and policy making capacity. Volunteer members are: C. Michael Burns, Chairman, Charles Biondo, Vice-Chairman, Sheila M. Burke, Jennifer Crane and Laurie Robarge. Commissioners are active in various groups, committees and clubs throughout town.

The Recreation Office staff remains small, with only three full-time employees: Director Karen Campbell, Senior Clerk Linda Kanter and Program Coordinator Brett Sawin. In addition, there are normally over 80 part-time and seasonal employees and over 350 volunteers who help to run the department's programs. The department offers, on a year-round basis, an ever-changing slate of activities for residents of all ages. While the office is open Monday through Friday, recreation programs are scheduled virtually every day of the week and into the evening hours.

A primary objective of the Recreation Department is to offer a wide variety of quality programs that are as affordable as possible. Registration fees remain low, especially in comparison to other towns or organizations. The Department is funded by a variety of sources. The town-appropriated budget provides for a full-time Director and Senior Clerk as well as some limited supplies and staff training costs. Program fees fund the position of the Program Coordinator and heavily supplement the town-funded budget. We strive to keep fees and costs low by utilizing cost-saving methods including the bid process, fund-raising and in-kind services. We continue to search for innovative ways to generate funds to offset costs for the recreation consumer.

Volunteers are critical to the success of Recreation programs. Volunteers might find themselves coaching a T-Ball or Basketball team, or distributing treats to children marching in our annual Horribles Parade. We greatly appreciate our residents who give so generously of their time and most report that they also gain on personal levels by volunteering.

2020 was a vastly different year – social distancing required by the pandemic is the polar opposite of Recreation programming. During the spring, many ongoing classes, sports leagues and clinics were cancelled as the “stay at home” order shut down the schools and even the fields and parks. All of our trips were postponed or cancelled, Town Beach was closed and we could not hold any of our customary community events. Once restrictions eased a bit, and the weather was nicer, we were able to begin running safe outdoor programming with limited participants, and we began to find some quality online programs as well.

While programming options were limited, Recreation Department customers played on tennis and Pickleball courts, mountain biked on Town conservation trails and kayaked on Silver Lake during the summer. In the fall, we ran our Flag Football League at half capacity, held a Pickleball tournament, a Punt, Pass & Kick Tournament as well as a varied slate of virtual programs.

The Recreation Department is responsible for the oversight of Town Beach at Silver Lake. Our responsibilities include staffing the beach with lifeguards and gate attendants, training the staff, working with Public Buildings to ensure the Bath House is stocked, clean and safe, and coordinating with DPW to be sure the beach is maintained at the high level deserved by residents for this important resource. During the pandemic, the Recreation Department was unable to open the beach. There were not any lifeguard certification courses available, so there were no new lifeguards available to augment staff that left (usually for internships or full time employment upon graduation from college). Lifeguards have been scarce in the past few years, but this year that scarcity was compounded. In addition, the requirements for social distancing were very strict, and our beach is small in area. The capacity at the beach would have been very low, while costs to operate would have risen with new disinfecting routines and higher staff to patron ratios. The Town opened Town Beach to the public on September 1, without access to the Bath House or lifeguards. We hope to reopen the beach in June 2021 if it will be safe to do so.

Shooting Hoops at Town Hall

Many residents turn to our quarterly flyer when making decisions for their entertainment options. We offer gift certificates that may be redeemed for any of our programs or trips. Increasing numbers of residents are choosing to give the gift of travel and recreation programs, providing enhanced life experiences for their family and friends.

We are anticipating a building demand for our trips when travel is once again safe. Our trips to the Canyonlands and the Canadian Rockies, originally scheduled for 2020, were moved to the fall of 2021. Our customers are letting us know that when the time comes, they will be “ready to roll”. A recent article in the Boston Globe addressed a phenomenon called “Revenge Travel”. Some people have managed to save money during the pandemic, and are anxious to invest in travel and adventure as soon as possible as we have all learned that we do not know what the future will bring. The Recreation Department will be planning a selection of day, overnight and extended trips designed to accommodate and attract residents.

The Recreation Department is privileged to “give back” to Wilmington and its residents. In 2020, we funded the design and engineering plans for the new Shawsheen Elementary School outdoor courts. We will continue to self-fund our community events to further our positive impact on Wilmington residents.

In an attempt to be as accommodating as possible, we have an online registration system providing residents the option of registering for most of our programs and trips from the comfort of their home. Of course, registrations can still be handled in the Recreation Office by phone, mail or drop-off in the Town Hall night slot. Our newsletter is available online through the Town website by accessing Recreation, followed by the link for “Recreation Matters”. Our newsletters are also available in Town Hall, the Wilmington Memorial Library and the Buzzell Senior Center. One of the most common requirements of the Recreation staff is to act as an information source. We answer a wide variety and large number of questions daily about local and regional services.

In order to improve our communication methods to our residents, we maintain a Facebook profile page. Having a social media presence allows us the opportunity to interact with people in a relaxed, online environment at no cost to the Department. We are able to share announcements about new events or happenings, market our existing programs, and receive direct feedback from our customers. Additionally, our visitors are able to ‘Like’ and share our posts as well, thereby expanding our outreach to potential new customers.

Wilmington is a suburban community, considered a “well located town”, with easy access to major roads, parks and beaches, sporting events, theatre, arts and museums. Today’s recreation consumer is searching for opportunities to access all of these area attractions, as well as local activities. The Recreation Department allows people to choose a new sport or science class, learn a new skill, socialize with fellow residents and enjoy recreation at a convenient location and at a reasonable price. These dynamics stress the importance of Town support for the Recreation Department. The positive feedback and generous donations of time from volunteers that we receive are evidence of the appreciation of local residents for the Recreation Department. We are an ever-changing environment and a solution to the continual changing needs of our residents. The Recreation Department’s ability to adapt and our commitment to provide quality service is a trademark that we stand by. While we were tested in 2020, we are ready to bring our residents back together in 2021 through our facilities and programming.

Elderly Services

When reviewing the year 2020, one would immediately feel the anxiety of the pandemic, but this was also a time that you saw family, friends, neighbors, the community come together to figure this out together. The Wilmington Department of Elderly Services has a motto – “Better Together” and in the year 2020, this motto was more important than we could have ever imagined.

Let’s go back to January 2020, when we were welcoming the new year, we had our regular programming: special exercise, Zumba, Yoga, Tai Chi, knitting group, art group, bingo and of course our special functions. On Thursday, March 12, 2020 it all changed. The Wilmington Department of Elderly Services had to pivot with the rest of the world. How were we going to continue our services in this new environment?

The impact of COVID-19 runs far beyond the clinical implications for physical health. Local, state and national response to the pandemic has led to changes in social, financial, nutritional and medical environments across the country, all of which may disproportionately affect older adults. With the spread of COVID-19, the uncertainty about the present and future often induced feelings of anxiety and depression. Nearly a quarter of older Massachusetts residents reported experiencing symptoms of anxiety most, or all, of the time.

It became apparent early on that there were some significant issues facing our older adults. Food insecurity and social isolation being the two that were the focus in the very beginning. With everyone being told to social distance and to stay away from large gatherings, our population was immediately impacted. The Department of Elderly Services immediately began reaching out to our older adults. Phone calls (over 1,300) were our initial form of contact and then we started our “Happiness…” Card Campaign. The community reached out to assist with making cards and Monteforte Law helped with the cost of postage. Over 400 cards were sent out during the months of March and April. Local businesses, Dovetails Companies (70) and Designs by Don (75), provided flowers for the staff to distribute as a way of letting older adults know that they were being thought of during these tumultuous times.

The Department provided Home Delivered Meals, Monday through Friday, to over 70 residents of Wilmington. In 2020, we delivered 16,341 home delivered meals. This necessary service continued, throughout the course of the pandemic, with the staff taking over for the regular drivers to keep everyone safe. During this time the department also offered to assist with grocery shopping for anyone in need. The community stepped up ready to volunteer to assist with this task as well.

The Department provided ongoing social services to our residents. This included case management, fuel assistance (25 new applicants), SNAP application, medical equipment, home visits (when needed, with safety protocols in place). Transportation to medical appointments was resumed in May, with guidance from the Board of Health. We continued with our monthly mailing of birthday cards, an average of 45 cards per month, as well as daily outreach calls (1,300). Our SHINE counselors were able to continue to provide information on healthcare plans over the phone. The Income Tax Program, which had to stop scheduled appointments in March, was able to resume in June (82 recipients). The volunteers from AARP were able to complete all tax appointments that had been previously scheduled. A Flu Clinic conducted by the Board of Health was held outside at the center in October. Seventy seniors received the vaccine.

The department continued to offer specialty programs such as the “Medical Equipment Lending Program,” a service that has increased in demand, especially when more people were quarantined at home. Elders and their families can borrow equipment to help elders stay home safely and assist in deferring the cost of such equipment. We offer wheelchairs, walkers, canes, bath chairs, benches and commodes. We also offer electric wheelchairs, scooters and electric recliners as part of this lending program when available.

Improvements Were Made to Buzzell Senior Center

The Department received many requests for the Buzzell Senior Center to return to regular programming. There was an overall feeling of the need to be with one another. This could not take place safely inside the Senior Center, but once the weather improved, we started programming outside. The Buzzell Senior Center Book Club was the first program to be held outdoors, meeting the last Monday of the month. With the success of the Book Club, we introduced Tai Chi (Monday mornings), Gentle Yoga (Thursday mornings), Art Class (Thursday mornings) and Bocce Group twice a week (Tuesdays and Thursdays). This was all able to occur with safety protocols set in place. During the time of the pandemic, a new group was formed at the Buzzell Senior Center. The Hiking Group began in the fall. This group was able to hike different trails in the surrounding area with Arnold Peterson as the leader. They met weekly as the weather cooperated. Arnold is quick to remind us that hiking is a great way to get some exercise, connect with others safely and explore some natural resources.

When the winter months approached, most in person classes had to be put on hold. However, Tai Chi continued to meet on Monday mornings. The cold weather was not going to stop them, they took it on as another challenge, showing that they are strong New Englanders.

The Buzzell Senior Center has a wonderful library of books and puzzles available to everyone. This being another way of reaching out. Another way the center was able to reach out was through WCTV. Through their assistance, we were able to bring the center programming into the homes of the residents. There was Gentle Yoga, led by Joan Lawrence and special exercise lead by Mary Denehy and Fred Hogan. Each were filmed and placed on a regular weekly schedule with WCTV. Director Terri Marciello filmed frequent episodes of the WCTV series "Let's Be Candid About Elder Issues." These episodes kept Wilmington's older adults up-to-date on what the department was doing. WCTV was extremely instrumental in being able to showcase entertainers such as Howie Newman and Davis Bates who provided a form of live entertainment they could view right from home.

As the weeks went by, everyone was eager to get back to their normal, daily activities. The department had to once again pivot into a new way of programming. In May, we were very fortunate to have the Wilmington Fire Department Union prepare American Chop Suey for 100 participants. The Fire Department was able to personally hand out our first official "Grab and Go" meals. Spirits were high as the folks were able to thank the Town's first responders for always taking good care of our community. In June 2020, our "Grab and Go" luncheon was held to celebrate all "our" volunteers at the Buzzell Senior Center. Over 90 participants stopped by the center to the cheers of the staff. Each volunteer was provided with a box lunch. The response was amazing. Seeing those smiling eyes, above the masks was a true inspiration for the staff and residents alike. From that moment on, "Grab and Goes" became **the** "social event" event. We had the Buzzell Senior Center's Annual Summer Cookout, prepared by Mastrorilli's, in July with over 100 participants enjoying chicken, potato salad and watermelon. In August, we had a strawberry shortcake "Grab and Go." Winchester Hospital Community Fund heard about the "Grab and Goes" and offered to sponsor, with a generous \$2,000 donation, the month of September to celebrate National Senior Center Month. We were able to have weekly "Grab and Go" meals due to their generosity. We were able to serve over 400 meals that month and we are extremely appreciative of Winchester Hospital's donation. We had a "Grab and Go" on Halloween, with Mother Nature providing the best "trick" of all... snow. In November, the "Grab and Go" featured Harrow's Pot Pie, a fan favorite. The year ended with a "Grab and Go" prepared by Rocco's. One hundred complete chicken dinners were served, a perfect way to celebrate the holiday.

The Department, like so many, has utilized the Zoom platform to connect with others. The staff was able to attend the Massachusetts Council on Aging Annual Conference in the fall. Kelly Fordham, Senior Clerk, has been able to walk through the steps of Zoom for older adults who were interested in assessing this program. Kelly also held Zoom Trivia contests twice a month, which became another fun way to connect with others.

In 2020, the Department was able to establish a Buzzell Senior Center Facebook page. It was a great way to keep everyone involved with different exercise classes, “Grab and Go” events and fun special programs and messages that were directed right to them. Our monthly newsletter continued to be written and edited by our staff. This newsletter not only provided information about activities and great photos of the happenings at the Buzzell Senior Center but also alerts elders to assistance programs which include prescription programs, senior tax work off program, fuel assistance program and food stamps. The newsletter can be found on our website, Facebook, Twitter, the Buzzell Senior Center, the Town Manager’s Office and can be sent to you by email monthly. Our website continues to be informative, not only to the elders in the community, but also their families. Our Twitter account, @TheBuzzellBuzz, has over 300 followers. These have proven to be great communication tools for the Department.

The Department has been able to provide a wide range of services and programs throughout this challenging time with the assistance of many. There have been so many acts of kindness. In February and March, Lucci’s Supermarket and Nichols Funeral Home provided toilet paper, the “priceless commodity,” that were added to our “Survival Bags”. We were fortunate to have many stitchers in our community who made and donated hundreds of masks that the staff were able to personally deliver to the home delivered meal recipients, Deming Way residents and elders within the community. One unanimous donor provided over 100 “Power of Flower” arrangements to be distributed to everyone receiving home delivered meals and to others that needed a ray of sunshine in a cup. Another anonymous donor sponsored one of our “Grab and Go” lunches. So many individuals have provided beautiful homemade cards that the Department was able to send out to remind everyone they are being thought of during this time. For the year 2020, there were over 1,928 meals that were given at our “Grab and Go” events.

Like everything else that happened during 2020, the Giving Tree looked different. What we did find through these times, was that the support from the community was as strong as ever. Gift cards to local grocery stores, restaurants with delivery or take out were mailed to our elder residents. Wilmington students were supportive in their own unique ways. An amazing student, Cait Hayes, a 6th grade student, made 100 beautiful ornaments. Ms. Cowden and Mrs. Lipski first grade students made handmade cards which were delivered to our home delivered meal recipients. Grant Sawyer from the 2nd grade Wolf den in Pack 361 stopped by to donate five Christmas wreaths. Grant said he “likes to help people”. They were truly appreciated by those who received them. Tyler Fenton, a Senior at Wilmington High School, completed his community service project by dropping off over 70 cozy socks for the residents at Deming Way. Matt DeSario, Wilmington Eagle Scout, and Senior at Wilmington High School, with his dad, prepared 70 care packages to be delivered. Each package contained a crossword puzzle or a deck of cards, a handwritten card, an ornament or mug, a pack of gum, a bag of candy, hand sanitizer, tissues, hand cream or floss and a homemade, sewed mask that included a filter and a metal piece within the mask to keep it in place. The staff hand delivered each one to the residents of Deming Way, who were extremely appreciative. Jessica Moore, Wilmington resident, donated 70 handmade ornaments for our home delivered meals recipients

At the Annual Town Meeting, which was delayed until June 27, 2020, the townspeople overwhelmingly voted to proceed with the request to complete a Feasibility Study and Schematic Design and to hire an Owner’s Project Manager (OPM) for replacement of the Buzzell Senior Center. The older adults were extremely happy with the support the community showed in understanding the need for a new senior center.

The year 2020, proved to be a very pivotal year for the Department of Elderly Services. The Department continues to provide key social, educational and health services for the older adult as well as continuing to work collaboratively with other community agencies. Working with the community has given everyone a sense of belonging, caring and hope that we could all make it

through this very difficult time, no matter what age. We would like to thank the Town Manager, Selectmen and the following organizations, businesses and Town Departments: Wilmington Fire Department, Wilmington Police Department, Board of Health, WCTV, Wilmington Methodist Church, Wilmington Elks, Wilmington Rotary, Wilmington Food Service, We're One Wilmington, AJ's Kitchen, Designs By Don, Dovetail Companies, Wilmington Dunkin Donuts, Monteforte Law, As Good As It Gets Café, Power of Flowers, Assisting Hands Home Care, Beth Israel Lahey Health, Winchester Hospital, Advinia Care Wilmington, Nichols Funeral Home, Lucci's Market and Pizza Mia.

Housing Authority

The Wilmington Housing Authority (WHA) is authorized to administer two housing programs in accordance with Department of Housing & Community Development (DHCD) regulations for state-aided public housing and a small number of Housing Choice Vouchers in accordance with the United States Housing and Urban Development Office of Public and Indian Housing (HUD) regulations (Federal Section 8 Certificate Program). The programs supply the Town with decent, safe, and local affordable housing options. A five-member Board of Commissioners, consisting of four elected and one state appointed member, oversee the Authority's policies and procedures. The Executive Director is charged with the administration of these programs.

At the close of 2020, the Wilmington Housing Authority programs provided state-aided affordable housing to 110 residents. The elderly/handicapped housing (Chapter 667) is located on Deming Way (69 units) and our family housing (Chapter 705) is scattered throughout the Town (13 houses). The Authority gives a preference on the waiting list to local Wilmington residents and to all veterans. The Authority has open waiting lists for our one-bedroom elderly/handicapped units and our three-bedroom family units. Applications can be found and filled out at: <https://publichousingapplication.ocd.state.ma.us/>. The WHA website has a link to the state website and to the paper application for printing. The new online waiting list is long and we advise potential applicants to apply as soon as they can.

This past year the Housing Authority's Capital Improvement Program funded a new roof for Deming way units, carpet replacements for a family unit, repaving of a driveway in a family unit property and new boilers for both Deming Way properties. We continue to be creative and actively work with the state to take care of our properties. The back log of unmet capital needs will always be a problem unless there is a significant funding increase from the state. We do often hear from people that visit many other housing authority sites that our units and sites are in good condition and well maintained.

WHA employees are Executive Director Ms. Emily LaMacchia, MPHA, the Administrative Assistant position is being temporarily filled by another Housing Authority employee, per diem until it is able to be filled permanently, and Maintenance Mechanic, Mr. Steve McDonald. The commitment and knowledge of the WHA employees provides the community and our tenants with professional and excellent service. The WHA receives regular assistance from the Middlesex Sheriff's Department Community Work Program from the House of Correction in Billerica. The guards and the work crews are an irreplaceable asset to the WHA turning over our vacant units and taking care of the grounds.

Department of Housing & Community Development state support team consists of Mr. Thomas Lee, Housing Management Specialist; Mr. Avalon McLaren, Project Manager and Mr. Robert Watt, Construction Advisor. We also receive assistance from our Regional Capital Assistance Team (RCAT) Project Manager, Mr. Frank Stitham.

Our continued thanks for the ongoing support and professionalism provided by Town Hall, the Department of Public Works, the Police Department, the Fire Department and Elderly Services. We continue in our efforts to work cooperatively with the Town and all its departments with a goal of delivering comprehensive services to our tenants.

We welcome your questions and comments. Please feel free to visit the WHA office located at 41 Deming Way, or contact us at 978-658-8531. You can also visit our website: www.wilmingtonha.org.

Veterans' Services

The Department of Veterans' Services is responsible for administering and supervising the assistance given to Wilmington veterans and their dependents in matters pertaining to their rights and benefits under the various federal government programs. Direct involvement in implementing such programs is practiced. Our duties include giving advice to veterans, their dependents and others properly concerned of their rights, privileges and benefits under the several governing bodies involved and for a variety of types of benefits. Receives applications, investigates and approves disbursements of monies and benefits. We file applications on behalf of veterans and/or their dependents for various benefits and allowances, i.e., state bonus, G.I. Loans, burial allowances, etc. Assists veterans of Wilmington in obtaining service records and assist them in the preparation of applications and documents of all sorts pertaining to their welfare. We keep posted and updated on all changes in rules, regulations, law's, etc. relating to Veteran's benefits. Dispenses information, answers questions of veterans and the public. When requested, locate housing for the homeless and requesting donations of clothing and household supplies as needed. The Department coordinates the Memorial Day Parade including the preparation of the Programs for distribution, Veterans' Day ceremony and all other Veterans related services throughout the year for the residents of Town of Wilmington.

The Town of Wilmington receives 75% reimbursement from the State for funds expended by the Town in accordance with M.G.L. Ch. 115. The VSO also assists Wilmington veterans with applying for all other State benefits such as tuition waivers, grants, student loans, annuities, outreach centers, counseling, tax exemptions, burial in Massachusetts and National cemeteries, employment and Veterans license plates, etc.

Under the category of Federal Aid, veterans are assisted in processing applications for benefits including service-connected compensation, disability pensions, personal aid pensions, social security benefits, medical, education, housing, employment, medals, life insurance, death benefits and retrieving military records for veterans who, without such documents, would not be eligible for any benefits. The Wilmington Dept. of Veterans' Services has assisted many veterans and their dependents to increase their compensation from the Federal government received through the Veterans Administration (VA) through compensation, pension and widow's pension. We also do many home visits as necessary for our older home bound veterans.

The Department also works to coordinate public events such as Veterans' Day and Memorial Day observances. The Town of Wilmington continues to show its commitment to veterans of all eras. The large crowds every year at the Memorial Day and Veterans' Day ceremonies are truly impressive and show the commitment the Town of Wilmington has for all its veterans and this past year was no different.

Memorial Day 2020 was also well attended and the ceremony was special for so many reasons especially the reading of Lincoln's Gettysburg Address by Rebecca Russo and the Memorial Day Poem read by Katie McConologue. As always, the Wilmington VFW, American Legion, Police and Fire Honor Guards were in attendance with the Legion Riders from Wilmington and Cambridge. The Minutemen of Wilmington fired their traditional volley with their Ceremonial Cannon. It was truly an honor to have Mrs. Joyce Dalton, sister of Ronald Dow Eaton KIA Korea, speak during our Memorial Day Services. Joyce always makes our services special talking about her brother and the Town of Wilmington will never forget our Fallen Heroes.

This past Veterans' Day Ceremony was very special. We were able to unveil a new monument to honor Wilmington's Fallen Warfighter's thanks to the hard work of Eagle Scout Liam Prigmore. Liam's Eagle Scout project was to erect a new monument on Wilmington Town Common listing the names of the men who were killed in action (KIA) during WWII, Korea and Iraq. Liam's commitment to our fallen heroes was truly inspiring and it was an honor to be able to work with him during his project. Congratulations Liam.

Wilmington further showed its commitment to our Fallen Heroes by dedicating a new street "Sgt. Veloza Way" to the memory of George Veloza, who we lost in April of this year.

With the rise in the number of COVID-19 cases, we found ourselves recognizing important dates in non-conventional ways. This included recognizing D-Day, the anniversary of the invasion at Normandy on June 6, 1944, with a classic car parade. The parade drove past all of Wilmington's fallen heroes squares and monuments. Residents were encouraged to wave and fly the American flag as the parade passed by.

September 2nd was the 75th Anniversary of the end of WWII. The Department of Veterans' Services held a second classic car parade that drove past the homes of WWII veterans. More than 25 cars participated in honoring the members of The Greatest Generation.

On September 11th the Town of Wilmington hosted a joint 9/11 Ceremony with the towns of Andover and Billerica. There was a large crowd in attendance on our Common and we were honored to have Mr. Francisco Ureña, former Secretary of Veterans' Affairs for the Commonwealth, speak along with many other dignitaries. It was a very nice way to honor those who perished on that day as well as the men and women who have passed in service to their country since September 11, 2001.

The Veterans' Administration reports that twenty-two (22) veterans commit suicide every day. Please look out for any veteran in need and direct them to our office. The Wilmington Veterans' Services office has become a place for veterans to gather and connect with other veterans who are handling the same issues they are. We are committed to helping any veteran that is in crisis. Over the past year we have connected many veterans with the programs and the counseling they need. Wilmington's Department of Veterans' Services is represented at Department Head meetings, Massachusetts Veterans' Services Officers Association meetings and training conferences as well as speaking at the Wilmington Methodist Church, Senior Center and also assists with the John F. Landry Memorial Breakfast at Lowell Catholic High School, a virtual event this year, and the Celebration of India's Independence.

< Memorial Day Ceremony >

Classic Car Parade on June 6

Dedication of Sgt. Veloza Way

(l to r) Representative David Robertson, Senator Bruce Tarr, Director of Veterans' Services Lou Cimaglia, Anthony L'Esperance, Grandson of Sgt. George Veloza, Office Ronald Alpers, Selectman Gregory Bendel, Board of Selectmen Chairman Jonathan Eaton

Liam Prigmore and Francisco Ureña,
Former Secretary of Veterans' Affairs

The Director of Veterans' Services for the Town of Wilmington also serves as the Graves Officer and we are also responsible for the decoration of all veterans' graves and memorials in town on Memorial Day.

We extend our appreciation to Wilmington resident Paul Devlin who has shared his photography talent by documenting the events held by the Department of Veterans' Services.

Board of Health

The office of the Board of Health is located in the Town Hall at 121 Glen Road in Room 5 and the Public Health Nurse's office is located off of the foyer in the main entrance. The Board of Health consists of three members appointed by the Town Manager for staggered three-year terms. Serving on the Board in the year 2020 were Elizabeth (Libby) Sabounjian, Chairman, Daniel King, D.D.S. and Jane Williams, M.D. Thank you to Dr. Mark Curdo for serving as the Medical Doctor for the Board of Health.

The Director of Public Health is Shelly Newhouse, R.S. Mark Masiello serves the Town as a Food Inspector. The Public Health Nurse is Traci Mello, R.N., M.S.N. The Animal Inspector is Christopher Sullivan. The Secretary for the Board of Health is Kim Mytych.

This year the Town of Wilmington Board of Health became the host agency under a Tobacco Control Grant and hired Erin Murphy, a Tobacco Compliance Inspector in the collaborative communities. Inspectors, work closely with program staff, Boards of Health and other city/town departments on enforcement issues. This is a 19.5 hour per week position split between four towns: Wilmington, Bedford, Concord and Lexington. Duties and Responsibilities include:

- Coordinate compliance checks: Sales of tobacco to minors in the assigned communities within the collaborative. Coordination includes scheduling the youth, other adult monitors, supplies and routes.
- Conducts compliance checks using trained underage youth to purchase tobacco.
- Must keep detailed and accurate documentation of all sales of tobacco to minors.
- Conducts regular inspections to ensure retailers are in compliance with tobacco control regulations/ordinances/by-laws and works closely with the Boards of Health.
- Conducts regular inspections to ensure that regulated establishments/workplaces are in compliance with tobacco control regulations/ordinances/by-laws and works with the Boards of Health.
- Assists the Director in preparing materials for any hearings, court cases and/or any other meetings as needed. Attends hearings as needed.
- Follow-up on status of violations, file appropriate documentation for hearings and appear in court or at Board of Health hearings.
- Ensures that all retailers are informed on Youth Access (YA) issues. Must be familiar with the regulations/ordinances/by-laws, state and federal laws, for all collaborative communities.
- Conduct retailer, establishment and workplace trainings as needed.
- Maintain database of YA compliance checks and inspections and prepare any documentation required for comparison studies.
- Follow-up on complaints as they are referred to the office.

- Participate in any assigned event, task and/or outreach effort associated with the passage of YA and/or tobacco control regulations/ordinances/by-laws.
- Attend any meetings and/or trainings as requested by the Program Director or the Massachusetts Department of Public Health Tobacco Control Program.

The administrative duties of the office includes issuing permits, reviewing plans for subdivisions, septic systems and other development proposals, issuing enforcement orders and citations, holding hearings, keeping records, attending meetings, operation of the Board of Health website, and other regular administrative duties. The Board of Health meetings were generally held twice monthly through ZOOM, on the first and third Tuesday of each month, and usually at 5:30 p.m. Records of all meetings and other documents are kept at the office of the Board of Health.

Environmental field activities included inspection of restaurants, retail food stores, cafeterias in industrial buildings and schools, mobile food trucks and other temporary food stands such as the Wilmington Farmer’s Market. The Wilmington Farmer’s Market operations were scaled back due to COVID-19. There was no indoor winter market this year. Additional Board of Health responsibilities include percolation tests and soil evaluations, subsurface sewage disposal system inspections, semi-public pool inspections, tanning salon inspections, nuisance complaint investigations, air quality testing at the ice rink, hazardous waste investigations, housing inspections, smoking and tobacco law enforcement, Canada Geese control, beaver control and other miscellaneous investigations and activities. Eastern Equine Encephalitis and West Nile Virus plagued the state of Massachusetts again this year with several bordering towns having positive EEE. The Town of Wilmington is part of the Central Massachusetts Mosquito Control Project which routinely provides preventative spraying and larvacide control throughout the town. Silver Lake was closed this year due to COVID-19.

COVID-19 presented in Wilmington in early February 2020. With the Governor’s state of emergency order, the COVID-19 pandemic effected all duties of the Board of Health. The Department’s main focus became case investigations and contact tracing. The Baker-Polito Administration continually announced further measures to Stop the Spread of COVID-19. Governor’s orders included restrictions on gathering limits, travel restrictions, masks & face-covering orders, reopening protocols & business and recreation restrictions. Coronavirus Disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus. Most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease and cancer, are more likely to develop serious illness.

The best way to prevent and slow down transmission is to be well informed about the COVID-19 virus, the disease it causes and how it spreads. Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face. The COVID-19 virus spreads primarily through droplets of saliva or discharge from the nose when an infected person coughs or sneezes. The Public Health Nurse, along with four other nurses, began the task of case investigation, contact tracing, cluster investigations, education and outreach for COVID-19. Wilmington has had 1,282 positive COVID-19 cases in 2020.

With the help of donations and several volunteers, the Health Department was able to hand deliver hundreds of masks throughout town and hold several drive-through handouts in an effort to curve the spread.

COVID-19 has challenged our department's workforce. At times, our department has worked seven days a week up to 70 hours a week. Several grants were obtained and additional staff were required to keep up with the workload. With the pandemic expected to continue in 2021 and the rollout of a vaccine, 2021 will prove to be much of the same.

The clinical component of the Board of Health is primarily the responsibility of the Public Health Nurse, Traci Mello, R.N, MSN. The Department of Public Health's mandated responsibilities included communicable disease surveillance, investigation and follow-up along with adult and child immunization, Mantoux Skin Testing for Tuberculosis (TB) and TB Case Management. Non-mandated services included a number of health screenings, prevention and educational programs for general wellness.

Elder Services programs were halted due to COVID-19. In-home elder services were also halted.

Public Health Nurse, Traci Mello, R.N., MSN is active in the Massachusetts Association of Public Health Nurses in which she holds a seat as a Member At Large, Massachusetts Health Officers Association and Community Health Network Area (CHNA-15). Traci is also the Chairwoman to the Education and Research Committee of the Massachusetts Association of Public Health Nurses. Traci is a certified CPR/AED, First Aid Instructor through the American Heart Association and continues the certification and recertification of town employees. The Public Health Nurse continues as a site leader and training coordinator for the Board of Health Public Access Defibrillation Program. AED's may be used by trained personnel in the event of cardiac arrest. She is also certified to teach Youth Mental Health First Aid through the National Council of Behavioral Health. She is also a certified Title V Inspector. Monthly educational boards are presented by the town nurse and can be viewed outside the nurse's office at the Town Hall. Health pamphlets located in the Town Hall lobby are maintained by the Public Health Nurse.

The Baker-Polito Administration announced that influenza immunization will be required for all children six months of age or older who are attending Massachusetts child care, pre-school, kindergarten, K-12 and colleges and universities. The new vaccine requirement is an important step to reduce flu-related illness and the overall impact of respiratory illness during the COVID-19 pandemic. Students will be expected to have received a flu vaccine by February 28, 2021 for the 2020-2021 influenza season, unless either a medical or religious exemption is provided. Wilmington did offer large flu vaccination clinics by way of drive up. These types of clinics have proved to be very successful and we will continue to offer these type of clinics in the future. The Board of Health receives state supplied flu vaccines every year. This year we received our allotment of state supplied flu vaccine and the Health Department purchased flu vaccines privately. This was done to meet the demand of our residents for flu shots. With all the vaccine arriving in early fall of 2020, the Board of Health held several Town Wide flu clinics at the Town Hall throughout the season. This year we successfully conducted our first Drive-Thru Flu Clinics with online registration. Holding six drive-thru clinics, 788 flu vaccinations were given this season, an increase of 378 more than last year. The public flu clinics were for all residents ages 3 and up. Since the Health Department is a Mass Immunization Site, we are still taking advantage of a reimbursement program administered by NHIC and UMass Medical that reimburses towns for the program costs related to the seasonal flu vaccine. Kim Mytych, Senior Clerk for the Board of Health, takes part in annual training programs to learn about submitting claims for reimbursements from various private insurance companies for administering and administrative costs associated with the flu vaccination clinics.

In a continuing effort to control the environmental impact of elemental mercury, residents can exchange fever thermometers containing mercury for digital thermometers at no charge at the office of the Board of Health. The office will also receive and recycle thermostats, mercury switches, button cell batteries and any other items which contain mercury. The Button-Cell Collection Program is a voluntary program offered to our community through Wheelabrator. Small collection boxes are placed throughout the town and a volunteer from our office will monitor the boxes and periodically collect the button-cell batteries. Once a year Wheelabrator collects these batteries from our office and reimburses a local organization of our choosing for each pound submitted by us, \$100.00 per pound up to 10 pounds. We happily collected over 10 pounds this year generating much needed funds to Local Heroes, Inc. Sadly, 2020 will be the last year for this program.

In coordination with the Wilmington Police Department, the Board of Health sponsors a sharps disposal kiosk at the Public Safety Building. Residents can drop off sharps containers in the kiosk that is located in the Lobby. There is also a medication disposal kiosk for residents to drop off unwanted prescription and non-prescription medications

The Director participates in the ongoing activities of the Medical Reserve Corps (MRC) and the Health and Medical Care Coalition for Region 3B (HMCC). The coalition participates in local Boards of Health emergency planning and infrastructure improvements for emergency response activities. In 2020 the Coalition met virtually for training and communication for local emergency planning. The purpose of Public Health Emergency Management training is to develop an emergency ready public health department. Both Medical and non-Medical members of the community are encouraged to join and become part of a public health emergency response team whose function is to respond to emergencies such as bioterrorism, hurricanes, vaccination planning and other such disasters.

The Title 5 Septic System Betterment Loan Program, which began in 1999 and has continued every year thereafter, received funding again in 2005 and was reauthorized in 2010. Loans were made to homeowners which are to be repaid to the Town through the betterment process appearing on the real estate tax bill. This was made possible by a \$200,000 grant from DEP and the Massachusetts Environmental Trust and will continue as encumbered monies are still available.

There was no Rabies Clinic this year due to COVID-19. The next rabies clinic is planned to be held on Saturday, April 3, 2021.

Funds Collected:

Animal Permits	\$	1,960.00
MicroBlading	\$	450.00
Food Establishment Permits	\$	14,485.00
Funeral Homes	\$	200.00
Housing Inspection Certificate Fee	\$	50.00
Ice Rink	\$	100.00
Installers Licenses	\$	3,600.00
Medical Reimbursement	\$	6,857.85
Mercury Reimbursement	\$	0.00
Percolation/Soil Tests	\$	4,500.00
Pool Permits	\$	300.00
Transport/Haulers Permits	\$	8,600.00

Rabies Clinic	\$	0.00

EDUCATION

Wilmington Public Schools

There is little question that the 2019-20 school year will go down as one of the most memorable in history given the developments associated with COVID-19. As a District, we were excited to launch what was the first year of our multi-year strategic plan that was completed the prior year, after considerable engagement with almost 50 stakeholders. Not only did this six month effort during the 2018-19 school year help to identify a number of strategic priorities to advance our programs and services, but it also led to the development of a new WPS mission and vision that undergirds four (4) strategic objectives.

Our mission: to educate and develop students academically, socially and emotionally to be active, civic-minded contributors to our global society.

Our vision: to provide an inclusive, respectful and collaborative learning environment where all stakeholders are engaged in the development of the whole child.

Strategic Objectives: include four broad areas that have been identified as important to help advance the work we do with students:

- i. *Student Learning* – where we aim to deliver innovative, student-centered instruction to promote academic success for all learners.
- ii. *Social & Emotional Learning* – where we seek to foster the well-being of each child to achieve social, emotional and academic success.
- iii. *Culture of Inclusion* – where we promote an inclusive, collaborative school community culture that embraces diversity, including race, religion, socioeconomic status, ability, gender, sexual orientation and the physical, emotional and learning needs of all students to provide an equitable educational experience.
- iv. *Learning Environments* – where we seek to improve upon our schools’ facilities and technology to provide safe, secure and flexible learning environments for all students to maximize their potential.

While the school year got off to a good start with our strategic plan in-hand, things came to an abrupt halt when our schools were closed down in early March. This development led to the immediate pause of the considerable work that had begun which was identified as most pressing for us, not only at the district level, but at each of our eight schools.

It is because of the immense and ongoing demands of the current year that I have decided not to ask our school principals to include specific write-ups about their school programs. It is always one of the challenges in trying to provide these reports so long after the conclusion of the previous year, but the particular circumstances at this moment in time and our school principals' focus on continuing to best support their students and staff, made it that such a request did not seem appropriate.

In looking through the rear-view mirror, the impact of the pandemic on not only our school system, but every single one around, cannot be underestimated. The immense challenges and circumstances that began in March of 2020 ultimately continue to be felt at the time of the generation of this year's report, and will impact the work we do one way or another for some time to come.

Despite the challenges associated with the latter part of the 2019-20 school year, there were some key developments that serve as highlights of the last year.

Massachusetts School Building Authority – it has become clear that our school system currently relies upon six very dated elementary school facilities that provide limitations on ideal contemporary educational programming for our youngest students. While the Wildwood School is indeed the most in need, the fact is that our other elementary facilities are not far behind in terms of age and respective facility needs.

While WPS is certainly grateful for the ongoing maintenance that the Town's facilities department has continued to provide, the necessary renovations to upgrade these facilities, while maintaining as many schools as we have, brings the Town to an important juncture. In recognizing both the need for improvements and previously identified benefits for exploring school building consolidation, we applied to the Massachusetts School Building Authority (MSBA) in the spring of 2020 for consideration to partner with them for a future building project. Wilmington has had a successful partnership with MSBA in the recent past as the high school project was completed as part of their grant program. By the time of the Town Meeting this spring, we will know the status of our application.

Assistant Superintendent of Curriculum & Staff Development Search - following the departure of Dr. Brian Reagan, who was appointed the Superintendent of the Waltham Public Schools in the spring of 2020, the District completed a search for his successor and hired Ms. Christine Elliott, who came to WPS from the Tri-Town district (Boxford, Middleton and Topsfield).

West Intermediate School Principal Search – after almost 15 years of service to WPS, Mr. Dennis Shaw, Principal of the West, retired. The District also completed its search in the middle of the pandemic and successfully hired Dr. Edward Foster as the new principal of the school. We wish Mr. Shaw all the best and good health in his retirement.

Director of Athletics Search – just prior to the school closure the District launched a search for a new permanent Director of Athletics and we were fortunate to be able to hire Ms. Mia Muzio, who came to us from the Weymouth Public Schools.

I am extremely proud of our entire staff for their considerable efforts in helping best support our students and their families. Each person, in their own way, was forced to redefine the way that they approached their work with the students and families they serve. What our school system asked of them during the pandemic cannot be measured, but everyone at WPS rose to the occasion and our community should be proud.

Sincerely,

Glenn A. Brand, Ed.D.
Superintendent of Schools

Town Report –Student Outcomes

College Acceptance

There were 215 students in the Class of 2020. Of these students, 87 percent are continuing their formal education at four or two-year colleges, universities or preparatory schools. The remaining 13 percent entered the workforce, joined a military or pursued a gap year.

The future plans of graduates from the past five years are documented in the chart below.

Table 1- Future Plans of WHS Graduates, 2016-2020¹

Class of...	Number of Graduates	Percent to 4-year	Percent to Other Educational Inst.	Percent Total Continuing On
2020	215	78	9	87
2019	207	76	16	92
2018	227	77	9	86
2017	225	81	11	92
2016	196	78	17	95

¹Data compiled from student exit surveys provided via the School Counseling Office

Of the 215 students in the Class of 2020, 86% submitted at least one application to an institution of higher learning. In total, the Class of 2020 submitted 1206 applications to colleges and universities. Students who have determined their college interests earlier in their senior year often apply to college under an Early Decision or Early Action program, which require students to submit applications earlier, in October and November. A total of 115 students, or 47 percent, applied under an early designation application. The 187 students continuing on with their studies will attend 69 different colleges and universities, located in 13 states.

Standardized Testing

Though there is a growing body of research that suggests standardized test scores do not accurately predict a student's academic success at the college level, a student's performance on college entrance exams is often considered an indicator of their academic achievement or college readiness. Wilmington High School students perform above the national average on the SAT and ACT, which are exams used as part of the college admissions process.

Table 2- Average SAT Scores of WHS Students Compared to National Averages, 2016-2020¹

Wilmington High School ²						National Population of Testers ³		
Class of...	Total Score Average	Evidence-based Reading	Mathematics	Class Size	% of Students Testing	Total Score Average ³	Evidence-based Reading	Mathematics
2020	1135	576	559	215	80	1051	528	523
2019	1140	575	570	207	88	1059	531	528
2018	1145	575	570	227	89	1067	536	531
2017	1141	574	567	225	86	1060	533	527
2016	1065	526	539	196	91	1002	494	508

¹ The College Board redesigned the SAT in 2017. Scores prior to 2017 also included a Writing Section, resulting in a total exam score of 2400. Since 2017, the SAT total exam score is 1600.

² Data taken from Naviance report, using highest combined score per student.

³ Data taken from College Board Total Group Profile Reports, 2016 – 2020

The College Board also recognizes students whose SAT scores are outstanding when compared to the whole population of test-takers. Commended Scholars have scored within the top 50,000 (~3%) test-takers on the PSAT/National Merit Scholarship Qualifying Test. One third of those students go on to earn recognition as Semifinalists (top 16,000).

Table 3- National Merit Scholarship Program Recognition at Wilmington High School, 2015-2020¹

Year	Number of National Merit Semifinalists	Number of Commended Scholars
2020	0	3
2019	1	2
2018	1	4
2017	1	0
2016	0	3

¹ Information compiled from WHS Press Releases, 2015-2020

Advanced Placement (AP®) Participation and Exam Results

Wilmington High School strives to offer rigorous coursework to students. One way to measure the rigor of a course is its approval for Advanced Placement (AP®) status with the College Board. Earning approval for Advanced Placement status means the course curriculum and instructor meet the standards put forth by the College Board. Students enrolled in AP® courses are required to take the College Board AP exam at the end of the year. AP® exams are scored on a scale of 1-5, where ≥ 3 is passing.

In May 2020, the College Board altered AP® exam format due to school closures related to COVID-19. Rather than full-length (~3 hour) paper/pencil exams, students took shortened exams at home via a computer, tablet or smartphone.

Table 4- Number of AP® Testers/Exams and Passing Rate, 2015-2020¹

Academic Year	Total Number of Unique AP Testers	Total Number of Exams	Percent of Scores ≥ 3	Percent of Scores 5	Number of AP Courses Offered
2019-2020	226	413	81.4	17	14
2018-2019	204	343	72.5	12	12
2017-2018	199	375	67.8	13	11
2016-2017	207	362	64.7	14	11
2015-2016	137	191	70.1	14	11

¹Data taken from College Board Advanced Placement Five Year Summary Report and School Profile, 2015-2020

The College Board awards students with recognition as AP® Scholars at various levels of distinction if they take and pass multiple exams throughout their high school career. Over the past five years, Wilmington High School has had more students choosing to take a high number of exams.

Table 5- AP Scholar Awards, 2014-2020¹

Academic Year	AP Scholar (3 Exams, score ≥ 3 on all)	AP Scholar with Honor (4 Exams, score ≥ 3 on all)	AP Scholar with Distinction (5 Exams, score ≥ 3 on all)	National AP Scholar (8+ Exams, score ≥ 4 on all)
2019-2020	33	16	16	3
2018-2019	21	15	12	1
2017-2018	27	7	15	5
2016-2017	24	7	10	2
2015-2016	11	2	8	1

¹ Data taken from College Board Advanced Placement Scholar Roster Report, 2015 – 2020

AP® Exam scores are one indicator of the rigor of Wilmington High School courses and their performance on the exam is one measure of their level of preparation for college-level coursework. Some students choose to pursue AP® courses via Virtual High School, an online learning platform. Students who score ≥ 3 on exams are eligible for college-level credit. Specific credit granted varies by institution.

Table 6- AP® Test Results, Students by Score - May 2020¹

Exam	Student Score					No. of Exams	% of Scores ≥ 3
	5	4	3	2	1

¹Data taken from College Board Advanced Placement Score Summary, 2020

School Counseling Activities

The School Counseling Office at WHS hosts a variety of events throughout the year. During the 2019-2020 school year, the counselors hosted student seminars by grade level: Introduction to WHS in 9th grade, Career Exploration in 10th grade, College Planning Introduction in 11th grade and College Application Planning in 12th grade. In addition, the counselors offered several optional student seminars that covered a variety of topics, including financial aid and scholarships, collegiate athletics, PSAT score interpretation, SAT preparation and AP test preparation. In the fall of 2019, the Office hosted visits from representatives from 71 colleges and universities. The School Counseling Office hosted four therapy dog visits that were open to all students. In winter 2020, the School Counseling Office also hosted a WHS Alumni Roundtable with graduates from the Class of 2016 and an On The Spot Admission Day event with Southern New Hampshire University and Middlesex Community College. In the spring of 2020, after schools were closed, the counselors processed scholarship applications for 112 graduating students.

In addition to many student events, the School Counseling Office also hosted several parent events, including Financial Aid Night in partnership with the Massachusetts Educational Financing Authority, College Information Night and Senior Parent Coffee Hour. The counselors also offered several events including a Senior Parent Lunch Break Q&A, Junior Parent College Info Session and Optional AP Exam Info Session.

Parade of Graduates

Office of Student Support Services

The Office of Student Support Services encompasses a number of departments within the Wilmington Public Schools; Special Education, Section 504, Behavioral Health and Social Emotional Learning, Counseling, Nursing, Civil Rights and Preschool Programming. During the 2019-2020 school year, the Office of Student Support Services received 153 referrals for initial evaluations and provided special education and related services to 604 eligible students.

A top priority in our district's Strategic Plan 2019-2022, encompasses Social Emotional Learning (SEL). The objective is to "foster the well-being of each child to achieve social, emotional and academic success." Over the course of the 2019/2020 school year, many social emotional learning and behavioral health initiatives were in place to further improve this specific objective. A commitment to establish non-academic multi-tiered systems of support through positive behavioral interventions and supports (PBIS), increasing access to mental health supports and relationship mapping protocols were a highlight. School based PBIS teams continued in their fourth year, to work on creating a framework to establish and sustain effective school-wide and individual behavior support needed to enhance academic, social and behavioral outcomes for all students. WPS is a member of the Massachusetts School Mental Health Consortium composed of Massachusetts school districts committed to improving the mental health services and supports available to students across the Commonwealth. The district's Behavioral Health task Force engaged in efforts to improve our systems and supports in this area. In addition, data from our relationship mapping identified at risk students and helped to ensure connections and positive relationships with students and staff. In August 2019, the WPS applied for the FY20 Safe and Supportive School Code 335 Grant and was awarded \$6,500. This funding allowed Wilmington Middle School to continue to promote student's behavioral health, including social-emotional learning, bullying prevention and positive behavioral intervention approaches. During the fall 2019, members of the Vaping Committee continued to meet to create a diversionary program to be offered as an alternative to suspension at the MS and HS levels.

Behavioral Health Screenings were conducted at the middle and high school levels. Seventh grade students participated in the Signs of Suicide Program (SOS) during the Winter/Spring. SOS, which is an evidenced-based program that provides tools to help students identify the signs and symptoms of depression, suicide and self-injury in themselves and their peers. 7th and 10th graders participated in Screening, Brief Intervention and Referral to Treatment (SBIRT), an evidence-based practice used to identify, reduce and prevent problematic use, abuse and dependence on alcohol and illicit drugs. The Youth Risk Behavior Survey (YRBS) was administered during the winter 2019 to all middle and high school students. This survey is conducted every two years to monitor health indicators, behaviors and risk factors contributing to the leading causes of morbidity, mortality and social and academic problems among adolescents. These results were compared with participating schools in the Middlesex league and shared with the community in the fall of 2019.

From mid-March 2020-Fall 2020, the schools closed due to the COVID-19 pandemic and all student learning and professional development was done virtually. A Social Emotional Support Reopening group was established to develop a multi-tiered (non-academic) system of support for students, staff and families for in person, hybrid and remote learning models. In addition, various professional development opportunities were offered to staff throughout the year on topics such as: Universal Design For Learning, Multi-Tiered Systems of Support, Anxiety, ADHD and stimulant Medications, Mindfulness, Positive Behavioral Interventions and Supports, Suicide Prevention, Emerging Trends in Substance Abuse, Teacher Language and Responsive Classroom, Executive Functioning, Social Media's Impact on Mental Health, Youth Mental Health First Aid, Safety Care

Behavioral Crisis Prevention & Management Training, Social Thinking and Developmental Childhood Trauma. We continued a partnership with McLean's Anxiety Mastery Program for clinical staff and SEL program staff to be trained in evidence-based interventions in the school setting, including Cognitive Behavioral Therapy and Dialectical Behavior Therapy.

Providing education and access to resources for families was offered throughout the 2019/2020 school year. In the fall of 2019, Wilmington Community Cares Event was well attended. John Mattleman presented "The Secret Lives of Teens & Tweens". The presentation covered topics such as depression, suicide, 'acting out' behaviors, drug and alcohol, use and more. Highlights from our district's and Middlesex League YRBS results were also included in the presentation. A panel of community and school resources were available, along with a display called "In Plain Sight" from Wilmington Police Department.

In the Spring of 2020, a two night parent/guardian pre-recorded webinars on Parenting In the Time of Coronavirus, presented by staff from McLean Anxiety Mastery Program was offered Part 1: For parents of children in grades K-6, Part 2: For parents of children in grades 7-12. The webinars shared information on the topic of managing mental health during the COVID-19 epidemic. The speakers shared concrete strategies for supporting children and families in tough moments. Specific topics included: what is a normal response to this type of event, how to maintain compassion for ourselves and our kids during stressful situations, skills to manage intense emotions, tips on keeping active to combat depression and ways to manage children's behavior at home during quarantine. The Special Education Parents Advisory Council (SEPAC) had four meetings and offered a parent workshop on Basic Rights in Special Education. Due to the school closure in March, previously scheduled meetings for the spring were impacted, however, meetings resumed remotely in the fall of 2020.

Former Town Hall/Arts Center Receives a Facelift in Preparation for Student Support Services New Offices

Shawsheen Valley Regional Vocational Technical School District

The Shawsheen Valley Regional Vocational Technical School District (SVTHSD) is pleased to submit its 2020 Annual Report to the citizens of Bedford, Billerica, Burlington, Tewksbury and Wilmington. Located on Cook Street in Billerica next to the towns of Burlington and Wilmington, the school celebrated its 50th anniversary this year, perpetuating the highest quality in vocational technical education to area youth and residents.

The representatives of the 10-member Regional School Committee that governs the District are: Nancy Asbedian, Treasurer, and Glen McIntyre from Bedford; Ronald Fusco, Vice Chairman, and Taryn Gillis, Secretary, from Billerica; Paul V. Gedick and Kent Moffatt from Burlington; Patricia W. Meuse, Chairman, and Lisa Gallagher from Tewksbury; and James M. Gillis and Robert G. Peterson from Wilmington. We would like to thank Paula McShane Lambert of Billerica and Robert Gallagher of Burlington for their years of service to the Shawsheen School Committee as neither sought re-election in 2020. Bradford Jackson began his tenure as Superintendent/Director of the District in July of 2020.

Shawsheen Valley Technical High School (SVTHS) is one of twenty-six (26) regional vocational technical school districts in Massachusetts. One thousand three hundred eight (1,308) high school students were reported to the Department of Elementary and Secondary Education (DESE) in SVTHS's high school foundation enrollment in October of 2020, and more than 400 adults participated in the school's various adult and continuing education courses.

The SVTHS faculty is an exceptional group of talented academic and vocational-technical educators who are highly qualified to teach in their respective disciplines and occupational areas. SVTHS employs one hundred forty-four (144) full-time teachers as well as fourteen (14) paraprofessionals. Of those full-time teachers, ten (10) are department chairs and eighteen (18) are lead teachers. All SVTHS teachers exhibit the character, health, personality and professional competency worthy of serving the needs of District students.

Post-Secondary Preparedness & Student Achievements

Post-Secondary & Pathway Information. In June of 2020, SVTHS graduated 330 seniors. Sixty-four percent (64%) of the graduates planned to attend a two- or four-year college or other post-secondary schooling in the fall. Thirty-three percent (33%) of the graduates intended to continue working in their trade or another pathway and three percent (3%) of graduating seniors planned to enlist in the military.

Scholarships and Awards. One hundred thirty-six (136) scholarships were distributed to seventy-five (75) students in the Class of 2020 totaling \$125,350. Twenty-one (21) members of the Class of 2020 were members of the National Honor Society (NHS) and the National Vocational Technical Honor Society.

Cooperative Education Program. At the conclusion of the 2020 school year, sixty-four percent (64%) of eligible seniors participated in the district's Cooperative Education Program (Co-Op). Students were employed in positions related to their Chapter 74 vocational-technical programs by 186 local employers.

Student Mental Health and Wellness. At SVTHS we recognize the importance of supporting students' mental health needs. In 2019, we deepened our commitment to this belief by adding a School Adjustment Counselor position to our staff. In 2020, we further increased supports with the addition of a second School Psychologist position and a second School Nurse (RN) position.

MCAS Achievement & Student Growth Percentile (SGP). Due to the COVID-19 pandemic, MCAS was cancelled for all students in March and May of 2020. Those students are slated to take the exam in May of 2021.

High School Completion. The high school completion portion of the accountability report consists of three measures: the four-year cohort graduation rate; extended engagement rate; and dropout rate. SVTHS continued to exhibit some of the highest four-year cohort graduation rates and extended engagement rates in the Commonwealth. The Department of Elementary and Secondary Education factors in 2019 as the most recent year for the four-year cohort graduation rate and 2018 as the most recent year for the extended engagement rate as follows: Four-Year Cohort Graduation Rate: 97.6%; Extended Engagement Rate: 99.1%

SVTHS continued to exhibit one of the lowest dropout rates in the Commonwealth. The Department of Elementary and Secondary Education factors in 2019 as the most recent year for the annual dropout rate as follows: Annual Dropout Rate: 0.3%.

Concurrent Enrollment. SVTHS further expanded student access to concurrent enrollment courses at the start of the 2020-2021 school year with the addition of an American Government course, offered alongside the English Composition I and Statistics courses that were already being offered. Students enrolled in those courses are able to earn college credit from Middlesex Community College before they graduate from high school and those credits can be transferred to other institutions, depending on where students choose to enroll in post-secondary study.

Adams Scholars. Shortly after recognizing the superior performance of Shawsheen's sophomores, the Department of Elementary and Secondary Education lauded the school's senior class by naming eighty-four (84) recipients of the John and Abigail Adams Scholarship Award.

Support Services

The SVTHS Support Services Department services one of the largest populations of students with disabilities in vocational education within Massachusetts, approximately 380 students comprising nearly thirty percent (30%) of our student body. The most frequently occurring area of need is in the category of Specific Learning Disability, indicating that a history of academic difficulty existed prior to students' arrival at Shawsheen. Nevertheless, SVTHS has a strong graduation rate of students with disabilities with one hundred percent (100%) of seniors graduating in June, 2020. This compares to a state average of approximately 73% percent for students with disabilities.

In the fall of 2020, Shawsheen was approved to be a school-wide Title 1 school. All students, including students with disabilities, have the opportunity to receive targeted instruction and intervention in core subject areas. This year, ninety-four percent (94%) of freshman students with disabilities passed their 9th grade classes. For upperclassmen in grades 11 and 12, fifty-four percent (54%) of students with disabilities completed advanced courses. All students with disabilities in the class of 2021 have met graduation competency in Math and English as outlined by the state. These results occurred due to a full team-effort on the part of Academic, Vocational/Technical and Support Services staff to address the needs of our population of students with disabilities. Students who initially experience difficulty passing one or more of the MCAS exams eventually attain graduation status through the district's MCAS remediation programs and re-taking the examination.

Students with disabilities continue to have full access and participation in cooperative education, as well as all extra-curricular activities such as sports teams, SkillsUSA, and after school clubs. Parents of special education students at SVTHS are highly involved in the IEP Team process, with parent attendance at IEP team meetings approaching one hundred percent (100%). Every effort is made to accommodate parent requests for IEP Team meeting dates to ensure their participation. Prior to the IEP Team meeting, parents are forwarded forms which request their input for current concerns regarding their student's educational progress. Responses are documented in the IEP and an IEP proposal is created at the team meeting so parents can fully participate in the IEP development and understand all the elements of the IEP.

Educational Technology Department

The Educational Technology Department focuses on operational functions to build efficiencies throughout the school and digital learning to ensure students and staff build competencies with digital skills necessary for college and career and instructional strategies for remote/digital learning.

Requests from both academic and vocational teachers for student devices continues to grow. A multi-year technology plan for computers/laptops was developed for both the academic and vocational areas. Additional laptops were purchased to supplement the existing students' devices already deployed and ensure all students have access to remote learning devices both in school and at home. Vocational areas continue to receive devices and specialized software necessary to support the curriculum.

The Ed Tech Department ensures new and existing programs are single sign-on and directly connected with ASPEN, the primary hub for all data flow. This process enables users to access multiple systems and resources used throughout the district with one primary login. Automated communication connections between academic and administrative data systems allow currency in like data fields.

Students, teachers and administrators continue to develop competencies in the use of technology. Shawsheen is a Microsoft Office 365 district and this resource has ensured a secured remote learning environment for students and teachers. Classes are taught through Microsoft Teams and teachers are becoming fluid in using this invaluable resource. Microsoft LIVE Events are being used extensively in connecting with future and incoming students and parents.

Community Engagement

Adult Evening School. The Adult Evening School offered a wide variety of vocational/technical courses for adults interested in expanding their knowledge and skills for the 21st century workplace. Our adult education programs and workforce development training programs are designed to help develop job training skills and enhance the quality of life for residents in our communities. In addition to our technical licensing, manufacturing, vocational/technical and occupational courses offered during two semesters from September to June, the community education program offers a wide variety of enrichment classes. These classes include business and computer applications, culinary arts, practical home repair, photography and metal working, to name a few. Interested residents should contact the Director of Community Services & Post-Secondary Programs for information and/or a brochure.

MassHire and Workforce Development Training. Shawsheen Valley Technical High School continues to explore and expand its collaboration with our local workforce and career development agencies to support the statewide initiatives to fuel job growth and address employer demand for talent, and to continue to strengthen the Massachusetts economy. This past year, Shawsheen

Tech's Adult Evening School provided its second innovative Advanced Manufacturing Training Program in the field of welding, for unemployed and underemployed adults as a response to an emerging skill gap challenge identified in the district's regional labor market blueprint. Programs will continue during this current school year, including training programs in Electronics and other sectors of advanced manufacturing.

Billerica House of Correction. Shawsheen Valley Technical High School continues to collaborate with the Middlesex Sheriff's Office (MSO) and the Billerica House of Correction (BHOC), through the Director of Community Services & Post-Secondary Programs. With the established Culinary Arts program, we are always looking to explore and expand our educational partnerships to incarcerated participants and returning citizens to assist in providing technical training and skill development.

School of Practical Nursing. The Shawsheen Valley School of Practical Nursing graduated 32 students in June, 2020. Over 877 graduates have entered the workforce as Licensed Practical Nurses since the program graduated its first class in 1995. Seventeen students answered the Governor's plea for entering the work force as a final term student. All seventeen students who began work have passed NCLEX and are licensed as LPN's. Residents interested in applying are urged to contact the Coordinator of the School of Practical Nursing, by viewing our website at www.shawsheenpracticalnursing.com.

Summer at Shawsheen. SVTHS hosted its 5th annual "Summer at Shawsheen" Program despite being forced to pivot from in-person activities to online offerings due to the COVID-19 pandemic. This program provided 61 students in our member towns with a variety of summer learning opportunities through five different remote offerings. The program plans to return to in-person offerings for the summer of 2021 including sports-based clinics, STEM-based classes, vocational-technical courses, academic and test-prep classes and enrichment courses for students entering grades 5-12. Individuals seeking summer program information should contact the Summer Programming Coordinator.

Project Explore. Nearly 450 middle-school students from the District signed up to participate in after-school career awareness activities during the 2020 winter semester. While the program was cut short in March, many students still had the opportunity to experience what career and technical education can offer them. Project Explore is a free, quality after-school program offered to 7th grade students who reside in the Shawsheen Valley Technical High School District. It provides a great opportunity for students to visit the school and explore 6 of our 22 different vocational-technical shops, offered over a three-week period. For registration materials or general information, interested residents should contact the Director of Community Services and Post-Secondary Programs.

Aquatics and Swim Program. In early 2020, our newly renovated Kenneth L. Buffum Pool had continued programs such as family swim, lap swim, water aerobics and swim lessons. The new touch pad timing system and score board have enhanced the facility immensely. As the global pandemic has slowed down our programs, the facility has been cleaned, disinfected and is adhering to all state and local guidelines in hopes to open for Co-Ed Shawsheen swim season. Individuals seeking swim program information should contact the Aquatics Director.

Athletics

Athletic Achievements. Student athletes experienced impressive success during the COVID-19-influenced athletic year which cancelled the Spring 2020 season and limited the Fall 2020 season. Athletic highlights from the 2020 calendar year include CAC League Championships in Wrestling, Boys Hockey, Basketball, Cheering and Golf. State Vocational Championships were earned by

Boys and Girls Swimming, Wrestling and Basketball Cheering. The Boys Swim team broke a school record in the 200 Freestyle Relay. Individual honors included three wrestlers earning Division I State Championships: Austin Dube (120 lbs.), Frank Foti (126 lbs.) and Aidan Leffler (182 lbs.). Boys soccer coach Tom Severo reached a career milestone earning his 400th victory as a varsity soccer coach (Boys and Girls combined).

Vocational/Technical Programs

Construction Cluster

Carpentry, Electricity, HVAC-R, Masonry and Plumbing. School year 2020 for the five construction programs, Carpentry, Electricity, HVAC-R, Masonry and Plumbing, continued to provide valuable services and viable opportunities for students to perfect their competencies through community and in-house district projects. These projects provide experience collaborating in reaching a common goal while achieving mastery of both practical and cognitive skills found within their Career Vocational Technical Education (CVTE) frameworks. These projects also prepare students to become economically productive by incorporating cutting-edge knowledge and technology within their occupational careers. The Construction cluster completed many projects throughout the five towns, as well as numerous projects within the school building, which include:

- The Carpentry, Electrical and Plumbing programs completed the construction of a single-family dwelling in Tewksbury for Tewksbury Habitat Build, a local non-profit organization.
- The Carpentry program completed the construction of two (2) 10' x 12' storage sheds for the Billerica Housing Authority and the Masonry program completed a concrete pad as well.
- The Carpentry program completed the design, fabrication and installation of new cabinetry in the school committee conference room.
- The Carpentry program worked in collaboration with the Design & Visual Communications and Metal Fabrication/Joining Technologies programs on the creation and installation of numerous holiday themed decorations for the Stone Zoo's annual ZooLights Winter Wonderland.
- In addition to their involvement in our community-based projects, the Carpentry, Plumbing, Masonry and Electrical programs assisted the Shawsheen Valley Technical High School's maintenance department with various repairs and installations within the school.
- The Masonry program completed the design and installation of a new patio area located outside the student cafeteria.

Advance Manufacturing Cluster

Electronics/Engineering Technology. The rebranding of the Chapter 74 Electronics/Engineering Technology program continues to go well despite challenges the school faced as we navigate this pandemic. Over the summer we received \$200,000 in grant monies to purchase equipment,

instruments, tools and curriculum that will provide our students with a state-of-the-art, pre-engineering and engineering education. We have added rapid prototyping capabilities, an industrial plastics injection molding/applied thermal science center, a materials engineering trainer, structural engineering trainer, applied mechanics trainer, pneumatic/hydraulic simulators/emulators, 3D printers, LASER cutter/engraver, manual mill/router, CNC mill/router and collaborative robot programming. In addition, 20 new industrial computers have been ordered to work with this equipment and instrumentation.

Drafting. Over the past year we put the finishing touches on the remodel work in the Drafting shop from the competitive Capital Skills Grant of \$125,000 that was awarded with matching school funds of \$80,000. These funds were used to renovate the shop and to supply advanced technology to implement curriculum and provide a modern, healthy classroom and shop environment conducive to industry standards. In-house and community service projects included a school-wide project to design a door lock to be used in the event of a school lock-down with the parts manufactured internally by our Machine Technology shop. We continue to create evacuation plans for the Billerica Housing Authority as well as the Middlesex House of Correction and Jail and in-house evacuation plans for Shawsheen Tech's academic classrooms.

Machine Tool Technology/Advanced Manufacturing Technology. Students continue industry recognized certifications that include the National Institute of Metalworking Skills (NIMS), Occupational Safety and Health Administration OSHA-10, and Manufacturing Advancement Center Workforce Innovation Collaborative (MACWIC) Levels 1 & 2 Certifications. Collaboration with Engineering designing and creating injection molds and blanks for the blow molding machine.

Services Cluster

Automotive Collision Repair and Refinishing. Estimating the damage to repairing various types of vehicles engages in both the related classroom and to hands-on shop competencies. The I-Car curriculum has been a wonderful addition to the program, providing recognition requirements and system enhancements to meet the rapidly changing needs of the industry. At the end of the year the unlimited live, online and virtual training was essential while the school was fully remote.

Automotive Technology. An educational trip to the World of Wheels provided opportunities for students to learn about new trends in the automotive field. Students continue to participate in Automotive Service Excellence (ASE) exams for the ASE entry-level certification program. Local businesses provided donations and valuable resources in the completion of the 1968 Ford F100 restoration project. Other highlights include:

- New state-of-the-art, industry standard Hunter Road Force Elite Tire Balancer;
- Students now have online access to the *Modern Automotive Technology 9th edition* textbook for greater accessibility during remote learning;
- Upperclassmen continue to work on faculty and customer vehicles to replicate real-world working conditions;
- Auto Tech Juniors work towards obtaining an OSHA 10-hour card before co-op employment;
- Upperclassmen working on 1927 Ford Roadster Hot Rod donated to program;
- New individual hand tool kits for Freshman/Sophomore programs;
- New, fully furnished Matco tool carts for the Junior/Senior programs;
- 2019 Chevrolet Silverado diesel pickup truck donation from Mass Bay Community College/General Motors;
- New Autel diagnostic scan tool for diagnosing electrical/drivability concerns.

Culinary Arts/Hospitality Management. Delicious meals continue to be prepared and offered to Shawsheen staff by this extraordinary program. For close to 30 years the Rams Head Dining Room has provided a variety of quality homemade affordable meals and recipes for the community while offering student-centered involvement within a dynamic work environment. This hospitality approach descends a deeper knowledge through active exploration of actual challenges while serving the public. The food truck is another opportunity for students to embrace actual work-based activities while serving our communities at farmers' markets and special town events which has received accolades from all that were served.

Metal Fabrication & Joining Technologies. Students at all levels engage in the creation of metal structures by cutting, bending and assembling their projects. With various raw materials, students have designed and built numerous projects for the community and the district. Projects included structures and decorations for the Stone Zoo's annual ZooLights Winter Wonderland, railings for the new cafeteria patio and multiple repairs to several equipment parts. Fabrication, layout and welding competencies enhance these real-world experiences that have led to more students participating in our cooperative education program.

Arts, Communication and Technology Cluster

Design and Visual Communications. The program placed 20 graduates into two- and four-year post-secondary trade related art and design schools. Five Design and Visual Communications students, one of which was the valedictorian of the class of 2020, successfully completed the very intense dual enrollment

program at Montserrat College of Art, earning three college credits. Students continued to master their skills by participating in many community-based projects such as the Stoneham ZooLights holiday project. Upon graduation, the management and entrepreneurship initiative continues to expand and offer self-employment opportunities to students who do not wish to go onto post-secondary art and design schools. Due to the COVID-19 pandemic, SkillsUSA competitions and AP Drawing and 2D Design courses were postponed.

Graphic Communications. Project-based learning is a major component of this program where the inquiry-based approach to learning happens daily. The growth of the program has been modernized with new equipment for embroidery, screen printing and sublimation printing. The program received a second Tajima embroidery machine and a Rolls Roller application table. With this equipment, students learn on the latest technology while gaining essential skills by creating promotional items that can be utilized by the school and the district. With the updated equipment, the Graphics program continues to assist the school store with decorated Shawsheen Tech apparel.

Information Support Services and Networking/Programming and Web Development. Hands-on, industry-driven training skills provide opportunities for students to obtain industry recognized certifications. Twenty-one of last year's seniors received TestOut PC Pro certifications. The programming portion of the shop integrates via video game development where students have

professional accounts for Unity 3D and learned the interface while coding in C+ to create cutting edge games. Dual enrollment opportunities and scholarship opportunities are offered to all students in this shop to achieve college credit from Becker College while attending Shawsheen. The program purchased 55" gaming desks and headphones from Perkins V funds to enhance the gaming curriculum.

Business Technology/Marketing. The students continue to earn several Microsoft Office certifications. Students are also earning certifications in QuickBooks, Financial Literacy and Google Advertising with an introduction to Salesforce. Additionally, one student competed in Microsoft's National Competition. Our program has also introduced a new learning platform, G-Metrix, which can help students earn industry recognized certifications at a faster pace with higher score results.

Life Science Cluster

Cosmetology. With recommendations from the Craft Advisory Board, the Cosmetology shop, through the capital budget process and Perkins funds, purchased and installed six new student workstations that are portable for a versatile instructional work area. All 14 senior Cosmetology students graduated with a Massachusetts Class 1 Cosmetology license by the end of 2020. Nine students were successfully placed in the cooperative education program, being employed in salons throughout the five different communities. Most of the students in all grade levels received the COVID-19 Barbicide certificates and Milady Infection Control certificates.

Dental Assisting. The program had 11 of the 14 senior students working on co-op in dental offices in our local communities. Four students competed in dental assisting at the SkillsUSA District competition which was held at Shawsheen Valley Technical High School. Some of the students have successfully passed the DANB National Certifications in RHS (Radiation Health and Safety) and ICE (Infection Control Exams). Many have become licensed as Dental Assistants, RDA - Registered Dental Assistants for the Commonwealth of Massachusetts.

Medical Assisting. The Medical Assisting program is accredited by, and affiliated with, the American Medical Technologists (AMT). All senior students have the opportunity to gain clinical experience through our Cooperative Education Program or externship at Lahey Hospital and Medical Center in Burlington. Through collaboration with our very active Advisory Board and their recommendations, the program purchased a vision screening machine to keep our equipment current. The curriculum is also reviewed so that it stays state-of-the-art and meets the needs of the current job market and potential employers.

Health Assisting. With the demand for multi-skilled healthcare workers, SVTHS enrolls 26 students annually that are immersed into a vigorous curriculum culminating in a Massachusetts Department of Public Health certification as a nurse assistant. Curriculum in the principles of Patient-Centered Care enables students to care for patients in the acute care setting during their senior year. With the COVID-19 pandemic being introduced to America in the spring, many of the students participating in the Cooperative Education program (21 out of 25 seniors) continued to work in rehabilitation, long term care centers and in assisted living homes.

Miscellaneous

Capital Budget / Perkins V Grant / Workforce Capital Skills Grant. The Carl D. Perkins Career and Technical Education Grant (Perkins IV) is a principle source of federal funding to states and discretionary grantees for the improvement of secondary and post-secondary career and technical education programs. SVTHS received a \$200,000 Workforce Skills Capital Grant award to upgrade and expand the Electronics/Engineering Technology program that includes the study of

mechatronics and automation, leading to a new Industry 4.0 Certification credential. An industry-standard learning space for high school students and adult learners will include state-of-the-art Festo learning systems and courseware necessary for Level 1 Industry 4.0 Certification.

SkillsUSA. SkillsUSA is a national non-profit organization preparing students for careers in trade, technology and skilled-service occupations. In a nonconventional school year, because of the Coronavirus pandemic (COVID-19), on Friday, March 13, 2020, SVTHS continued with its tradition of preparing and competing in the SkillsUSA District Competition. This event is held annually at Greater Lowell Regional Technical High School with the hopes of qualifying for the state competition held each April. With pending uncertainty and the onset of the COVID-19 pandemic, Shawsheen pivoted their approach and worked collaboratively and creatively to provide an opportunity for students to compete and participate by transforming the gymnasium into an organized conference space for the 171 students to test their knowledge and have the opportunity to compete. While state officials said the students did not need to be in official dress, the students voted to come prepared and each student came in official SkillsUSA attire. At the end of the day, Shawsheen brought home a total of 101 medals, including 40 gold medals, 34 silver medals and 28 bronze medals!

Robotics Club. Students engaged in VEX Robotics Competitions, presented by the Robotics Education & Competition Foundation. SVTHS has three student teams that are tasked with designing and building a robot to compete against other high school teams. During these competitions, students are given the opportunity to apply their new-found STEM skills in an enthralling game-based engineering challenge. All three Shawsheen teams had great showings: on January 4th at the Taking the New Year's Tower competition held at Quinsigamond Community College (QCC); on January 25th at the Tower Takeover contest held at North Andover High School; and at their last competition of the year, held on February 1st at QCC, with all three teams just outside the qualifying window.

e-Sports. eSports (a.k.a. electronic sports, e-sports, or eSports) is a form of competitive sports using video games. Shawsheen is in its third year of having Massachusetts-recognized varsity level eSports teams. SVTHS eSports has two organized teams that compete with other high schools in individual and multiplayer video game competitions. Shawsheen also has an elite eSports lab with 25 gaming machines powered with Nvidia 1080 gaming cards, 27-inch high-definition gaming monitors, Corsair mice and gaming headphones. SVTHS has formed partnerships with MindTrek, Gamer Sensei and PlayVs. A recent Shawsheen graduate is currently attending Becker College on scholarship because of eSports and is enrolled in the eSports management program.

Conclusion and Acknowledgement

The SVTHS Committee, staff and students gratefully appreciate the support that they receive from the residents of the five-member District. The SVTHS family especially acknowledges the continued financial support of the local Town Managers, Finance Committees and Town Meetings, who collectively ensure and perpetuate the highest quality in vocational/technical training opportunities for area youth.

The District is grateful for the significant contributions provided by SVTHS staff and employees and acknowledges the many contributions of the SVTHS staff who retired during 2020. Those retirees are: Theresa Bradley, Paraprofessional; Terry Doherty, Plumbing Instructor; Richard Galante, ISSN/Programming & Web Instructor; Patricia Healey, Librarian; Karen Massahos, Business Information Services Instructor; Virginia Mooney, English Instructor; and Nancy Simm, Support Services Instructor.

COMMUNITY DEVELOPMENT

Planning & Conservation Department

The Department of Planning & Conservation (Department) is responsible for providing staff support to the Planning Board and the Conservation Commission. Additionally, the Department is responsible for various types of planning efforts including open space planning, hazard mitigation planning, planning for affordable housing and assisting with transportation planning efforts.

Valerie Gingrich serves as the Director, Sierra Pelletier serves as Assistant Planner and Cameron Lynch joined the team in 2020 as the new Conservation Agent. Senior Clerks, Cheryl Licciardi and Cathy Pepe, provide administrative support.

Planning Board

The Planning Board (Board) is responsible for reviewing and approving industrial, commercial and residential development in Town. The Planning Board also issues Stormwater Management Permits in accordance with the Town's Comprehensive Stormwater Management By-Law. The Planning Board members are appointed by the Town Manager for five-year terms. Current Planning Board members are Michael Sorrentino (Chair), Sean Hennigan (Clerk), Terence Boland, Randi Holland and Angela Marcolina.

For commercial development, the Planning Board conducts Site Plan Review and issues Special Permits for Pet Care Facilities, Marijuana Dispensaries, Signs and Parking Relief. The Board also provides recommendations to the Zoning Board of Appeals for special permits and variances. In 2020, the Planning Board conducted Site Plan Review and issued corresponding Stormwater Management Permits for a number of industrial developments, including the renovation of a 100,000 square foot warehouse at 100-110 Fordham Road for Amazon, a 44,000 square foot building at 100 Eames Street for Gerrity Stone, a warehouse addition at 330 Ballardvale Street for Monogram Foods, a 35,000 square foot warehouse addition at 228 Andover Street and an amendment for the renovation of a 400,000 square foot warehouse building at 613 Main Street for tenants Lowe's and Homans. Site Plan Review was also conducted for a new wireless communications tower at 4 & 6 Waltham Street. Three parking special permits were granted for industrial developments at 613 Main Street, 330 Ballardvale Street and 100 Eames Street.

For residential development, the Planning Board is responsible for permitting in conjunction with the Subdivision Control Act, providing recommendations to the Zoning Board of Appeals and issuance of Special Permits for Conservation Subdivision Design (CSD), Over-55 Housing, multi-family residential development in the Central Business District and Neighborhood Mixed Use District, inclusionary housing, lots having less than 10,000 square feet and M.G.L. Chapter 41 Section 81G roadway improvement projects. In 2020, the Board approved two multi-family special permits: 36 townhomes at 168 Lowell Street (the former Walpole Woodworkers site) and 49 condominium units at 635 Main Street. The Board issued the first inclusionary housing special permit since the zoning amendment was approved at the 2019 Annual Town Meeting for five affordable residential units within the 36-unit multi-family development at 168 Lowell Street. Four subdivisions are currently under construction in Town: Murray Hill Estates off of Eleanor Drive, Sawmill Brook Estates (Green Meadow) off of Chestnut Street, North Wilmington Estates on McDonald Road and Highland Estates off of Hopkins Street. Spruce Farm, the Over 55 Housing development off of Andover Street, is also under construction.

In addition to reviewing and approving development projects, in accordance with M.G.L. Chapter 40A, the Planning Board holds required statutory public hearings on proposed amendments to the Zoning By-Law and Map and submits formal reports and recommendations to Town Meeting voters. Those recommendations are included in this Annual Report under “Town Meeting”. In 2020, Annual Town Meeting approved the Planning Board’s recommended rezoning of parcels in the McDonald Road area from R60 to R20. Town Meeting also voted to amend the Town’s Comprehensive Stormwater Management By-Law to comply with the Environmental Protection Agency’s (EPA) new requirements. In conjunction with the Comprehensive Stormwater Management By-Law changes, the Board held a public hearing for amending the Town’s Comprehensive Stormwater Management Regulations and made the necessary changes to meet EPA requirements.

Planning Board Permits Issued in 2020:

Site Plan Review	10
Conservation Subdivision Design Special Permits (CSD)	0
Stormwater Management Permits	12
Simple Stormwater Management Permits	43
Sign Special Permits	1
Multi-Family Special Permits	2
Subdivision Approval Not Required (ANR)	9
Preliminary / Definitive Subdivisions	0 / 2
81G Roadway Improvements	0
Parking Relief Special Permits	4
Pet Care Facility Special Permits	0
Over 55 Housing Special Permit	0
Lots under 10,000 Square Feet Special Permit	1
Site Plan Review Waivers	5
Inclusionary Housing Special Permit	1
Marijuana Dispensary Special Permit	0

Conservation Commission

The Conservation Commission is responsible for the administration and enforcement of the Massachusetts Wetlands Protection Act. The Commission is also responsible for management of the Town’s Conservation Land and for acquiring additional land for conservation and passive recreation. Conservation Commissioners are appointed to three-year terms by the Town Manager. Current members include: Donald Pearson (Chair), Theron Bradley (Vice Chair), Vincent Licciardi, Michael McInnis, Laura deWahl, Alexander Rittershaus and Tom Ollila, who was new to the Commission in 2020.

Wilmington forms the headwaters of the Ipswich River watershed and portions of Town are also in the Shawsheen River and Mystic River watersheds. The Town has an abundance of wetland resource areas, including bordering vegetated wetlands (swamps, marshes, etc.), bank and land under water bodies (streams, ponds, etc.), bordering land subject to flooding (100-year floodplain) and riverfront areas (area within 200 feet of perennial

Blue Heron at Silver Lake

streams). The Commission reviews projects and activities proposed in wetland resource areas and within the 100-foot buffer zone of bordering vegetated wetlands and the bank of water bodies. The Commission’s objective is to ensure impacts to wetland resource areas are avoided and minimized in order to protect the public and private water supply and groundwater supply, provide flood control, prevent storm damage and pollution and protect fisheries and wildlife habitats. Activities reviewed by the Commission may include tree and vegetation removal; construction of houses, driveways, additions and septic systems; commercial and industrial development; and roadways and utility infrastructure.

At the 2020 Annual Town Meeting, four Town-owned parcels totaling 4.69 acres (Map 7 Parcel 83A and Map 8 Parcels 86, 86A and 87) were transferred to the care and custody of the Commission for protection. The parcels contain wetland resource areas and floodplain and will be protected as habitat and flood storage.

Turtle Outside Post Office

The Department and the Commission processed a number of Wetlands Protection Act applications in 2020, including larger industrial development and smaller residential projects.

Conservation Commission Statistics for 2020:

Filing Fees Collected	\$ 7,472.50
Public Hearings / Meetings Held (including continuances)	22
Notices of Intent Filed	21
Order of Conditions Issued / Denied / Withdrawn / Pending	19 / 1 / 1 / 4
Order of Conditions Appealed	3
Certificates of Compliance Issued	20
Requests for Determinations of Applicability	18
Negative Determination / Positive Determination / Withdrawn / Pending	17 / 1 / 0 / 2
Abbreviated Notice of Resource Area Delineation Issued / Pending	2 / 0
Extension Permits Issued / Denied	2 / 0
Emergency Certifications Issued	2
Enforcement Orders Issued / Violation Notices Issued	2 / 2
Acres of Land Acquired	4.69

Open Space, Housing, Transportation and Economic Development

The Open Space Committee, established in 2019, continued to work on updating the Town’s Open Space and Recreation Plan, a five-year plan that outlines open space goals and objectives. The Committee will complete the plan update in 2021, which will be submitted to the state for approval. An approved plan makes the Town eligible for grant funding for trails and parks.

In 2020, the Town was awarded a \$31,000 grant to prepare a Municipal Preparedness (MVP) Plan and Hazard Mitigation Plan (HMP) update. The Department of Planning & Conservation and the Engineering Division are managing the planning effort that involves identifying and planning for current and future natural hazards. The MVP Plan and HMP update will be completed in 2021.

The Town reviewed, and the Zoning Board of Appeals approved, a Comprehensive Permit in 2020 for 108 apartment units along Jefferson Road and Middlesex Avenue. Of the total residential units, 20% will be restricted as affordable units at 50% Area Median Income. The approval of the Comprehensive Permit increased the Town's subsidized housing inventory to over the required 10%. To facilitate the proposed transit-oriented residential development, the Town applied for and received a \$2.89 million grant from the state's MassWorks program in 2020 to extend sewer service down Middlesex Avenue, replace the failing Lubber's Brook culvert at Middlesex Avenue and construct roadway improvements.

In 2020, the Wilmington Economic Development Committee (WEDC) continued with its mission "to be the proactive arm of the Town of Wilmington to the business community. We seek to collaborate with the residents, property owners and businesses to help promote an atmosphere conducive to smart economic growth, by thoughtfully identifying and targeting key business sectors that complement the fabric of our community, are beneficial to the residents and create jobs.

The WEDC serves as an advisory board and liaison between businesses and municipal government providing recommendations for planning and permitting processes that best serve the business and resident communities, while being consistent with the Town's Master Plan and being respectful of environmental and traffic considerations."

In 2020, the WEDC recommended zoning changes to the Planning Board that encourage restaurant uses in Town. Survey work done by the WEDC showed that residents want more dining options in Town. Another recommendation to the Planning Board was to create a new brew pub use similar to a restaurant use but allowing a certain amount of brewing on-site. This type of experiential use was recommended by the 2019-20 economic study conducted by the UMass Donahue Institute for upper Main Street.

Middlesex Canal Commission

On Wednesday, December 23, 2020 the last asphalt roofing shingle was placed on our future Museum and Visitor Center at 2 Old Elm Street in North Billerica. We now have a weather tight building which has been the primary goal of the Building Committee since February 2014 when we were given the 1870's brick woolen warehouse. As soon as warmer weather arrives we will complete the soffit and trim at both gable ends. Work inside to start the floor and stair installation will continue over the winter, weather permitting.

Our programs have been severely altered by the COVID-19 pandemic. All lectures, children's programs, rentals, etc. have been cancelled. Our Fall walk was well attended as people were looking for a way to exercise with proper spacing between participants.

Indeed the Museum was completely closed for several months as we have had to accommodate this dreadful virus. Attendance is down as visitors have tried to follow guidelines to stay home but several of our stalwart members have kept the museum open when possible. Masks are essential and distancing required.

Inspector of Buildings

The office of the Inspector of Buildings is responsible for enforcing the Commonwealth of Massachusetts building, plumbing, gas and wiring codes. The office also enforces the Town of Wilmington Zoning By-laws and maintains all related records. In addition, all administrative tasks for the Board of Appeals are handled by this office.

The Inspector of Buildings is Al Spaulding; the Plumbing and Gas Inspector is Paul Raffi; the Wiring Inspector is Frederick Sutter. Toni LaRivee, who served as the clerk for the Building Inspector's office and the Board of Appeals retired after three decades of dedicated service. Kelly Malatesta serves as the new clerk for the Building Inspector's office and the Board of Appeals.

It is our responsibility to help people understand all codes, the Town's Zoning By-laws and how best to comply with those regulations. We also provide assistance to those who have questions about land and property in the town. If you have any questions, please do not hesitate to call or come and see us.

The COVID-19 pandemic impacted the Annual Town Meeting and Annual Town Election during the Spring of 2020. Due to the hazards posed by the coronavirus, the Annual Town Election, originally scheduled for April 25, 2020, was first postponed indefinitely, and then finally scheduled for and held on June 20, 2020. Likewise, the Annual Town Meeting, was originally scheduled for May 2, 2020, and for the same reasons postponed a first time to May 30, 2020, and then postponed to and held on June 27, 2020. Finally, the location of the Annual Town Meeting and the start time was changed to the softball field on Wildwood Street, under a tent, at 9:00 a.m. The dates and times listed below are the original dates and times from the original warrant, posted on April 10, 2020.

ANNUAL TOWN ELECTION – JUNE 20, 2020 WITH ACTION TAKEN THEREON

TO: THE CONSTABLE OF THE TOWN OF WILMINGTON

GREETINGS:

In the name of the Commonwealth of Massachusetts and in the manner prescribed in the By-laws of said Town, you are hereby directed to notify and warn the inhabitants of the Town qualified to vote in Town affairs to meet and assemble at the Boutwell School (Precincts 1 and 2), Wildwood School (Precincts 3 and 4) and the Town Hall Auditorium (Precincts 5 and 6), Saturday the twenty-fifth day of April, A.D. 2020 at 7:45 o'clock in the forenoon, the polls to be opened at 8:00 a.m. and shall be closed at 8:00 p.m. for the election of Town Officers:

ARTICLE 1. To bring in your votes on one ballot respectively for the following named offices to wit: Two Selectmen for the term of three years; two members of the School Committee for the term of three years; one member of the Wilmington Housing Authority for the term of five years.

You are also hereby further required and directed to notify and warn the said inhabitants of the Town of Wilmington who are qualified to vote in elections and Town affairs therein to assemble subsequently and meet in the Town Meeting at the Wilmington High School Auditorium, Church Street, in said Town of Wilmington on Saturday the fourth day of May, A.D. 2019 at 10:30 a.m., then and there to act on the following articles:

In accordance with the above Warrant, the election was opened by the Town Clerk, Christine R. Touma-Conway, at the Town Hall, Assistant Town Clerk, Linda Golden at the Boutwell School and Warden Wendy Diecidue at the Wildwood School.

All voting equipment was in place at each precinct. The checkers were prepared with their voting lists and everything was in readiness at 8:00 a.m. and the polls were declared open.

The results were as follows:

BOARD OF SELECTMEN for three years (vote for two)

Jomarie O'Mahony	473
Gary DePalma	458
Blanks	148
Write-in	<u>31</u>
Total	1,110

Gary DePalma is Sworn In by the Town Clerk

SCHOOL COMMITTEE for three years (vote for two)

Stephen Bjork	493

Blanks	124
Write-in	9
Total	<hr/> 1,110

HOUSING AUTHORITY for five years (vote for one)

Audrey Reed	510
Blanks	43
Write-in	2
Total	<hr/> 555

Jennifer Bryson Sworn In
Following Reelection to School
Committee

The results of this election were ready at 8:30 p.m. and the elected officers present were sworn in to the faithful performance of their duties by the Town Clerk, Christine R. Touma-Conway. The total number of votes cast was 555 which represented 3.2% of Wilmington’s 17,424 registered voters.

ANNUAL TOWN MEETING – JUNE 27, 2020 WITH ACTION TAKEN THEREON

With a quorum present at 9:05 a.m. (150 by the Town of Wilmington By-Laws) Robert G. Peterson, Jr., Town Moderator called the meeting to order and opened with the Pledge of Allegiance. The colors were presented by the Wilmington Minutemen.

The Moderator provided instructions specific to the change in location, the need to remain masked at all times except when speaking, the need to maintain social distancing and to observe directional arrows when moving about the meeting venue. The Moderator then began the reading of the warrant.

VOTED: Motion was moved by Chairman Gregory B. Bendel, and seconded by John F. Doherty III, Finance Committee Chairperson, the Town of Wilmington Town Meeting voted that the Moderator dispense the reading of the Warrant and take up and make reference to each article by number. The Moderator declared the motion as passed.

The Moderator then introduced newly elected and re-elected town officials.

All articles were approved by the Finance Committee and Planning Board unless otherwise noted.

CONSENT AGENDA 1

The Moderator introduced and explained the concept of a Consent Agenda: in the interest of expediency in the conduct of Town Meeting, by which Town Meeting would first entertain a motion to take up specified routine and non-controversial articles as a group, and secondly, Town Meeting would vote to approve the specified articles. The articles proposed to be part of the consent agenda were:

- Article 2. Hear Reports
- Article 4. Compensating Balance Agreements
- Article 35. Memorial and Veterans’ Day Services
- Article 36. Lease of Space for VFW and American Legion
- Article 37. Operating a Public Rink
- Article 38. Revolving Accounts for Recycling Bins and Septic Systems

- Article 40. Appropriate Funds Received from Uber & Lyft Tax
- Article 42. Appropriate Funds for PEG Access
- Article 43. Five Year Agreement for Trash and Recycling
- Article 44. Five Year Agreement for Disposal of Trash at Wheelabrator
- Article 54. Barbara J. Mette Music Room
- Article 55. Enter MOU with Department of Children and Families
- Article 56. Peggy Kane Reading Garden

VOTED: Motion was moved to allow the articles as read by the Moderator be voted together as a consent agenda under a single motion by Selectman Kevin A. Caira, seconded by Mr. Doherty. The Town of Wilmington Town Meeting voted in the affirmative that the specified articles be voted together under a single motion. The Moderator declared the motion as passed.

The Moderator then requested a motion to approve Articles 2, 4, 35, 36, 37, 38, 40, 42, 43, 44, 54, 55 and 56 as written in the Warrant and presented in the consent agenda.

VOTED: Motion was moved that the Town Meeting vote to approve the articles as described by the Moderator by Mr. Caira, seconded by Mr. Doherty. The Town of Wilmington Town Meeting voted in the affirmative that the articles included in the consent agenda be approved. The Moderator declared the motion as passed.

ARTICLE 2. To hear reports of Committees and act thereon.

VOTED: By Consent Agenda 1, the Town of Wilmington Town Meeting voted in the affirmative that no action be taken on this article.

ARTICLE 3. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow pursuant to any applicable statute a sum of money for the purpose of paying unpaid bills of previous years; or take any other action related thereto.

VOTED: Motion was moved by Selectman Jonathan R. Eaton, and seconded by Mr. Doherty, that the Town vote to appropriate funds from Fiscal Year 2020 Operating Budget, Insurance Department – Accident Fire and Police, the amount of Fifty Dollars (\$50.00) for the purpose of paying an invoice incurred in FY 2018 to Lahey Clinic, Inc. The Town of Wilmington Town Meeting voted unanimously in the affirmative that the motion be approved. The Moderator declared the article as passed.

ARTICLE 4. To see if the Town will vote to authorize the Treasurer/Collector, with the approval of the Selectmen, to enter into an agreement, under the provisions of Chapter 44, Section 53F of the Massachusetts General Laws, with one or more banks doing business in the Commonwealth of Massachusetts during Fiscal Year 2021 for a term not to exceed three years, which will permit the Town of Wilmington to maintain funds on deposit with such institutions in return for said institutions providing banking services; or take any other action related thereto.

VOTED: By Consent Agenda 1, the Town of Wilmington Town Meeting voted in the affirmative to approve this article.

ARTICLE 5. To see how much money the Town will appropriate for the expenses of the Town and the salaries of several Town Officers and Departments and determine how the same shall be raised, whether by taxation, transfer from available funds, or otherwise; or take any other action related thereto.

VOTED: Motion was moved by Mr. Doherty, and seconded by Theresa Manganelli, Finance Committee, to dispense with the reading of the departmental budget amounts and consider action on the Omnibus Budget under a single motion. The Town of Wilmington Town Meeting voted in the affirmative that the motion be approved. The Moderator declared the motion as passed.

VOTED: Motion was moved by Mr. Doherty, and seconded by Ms. Manganelli, Finance Committee, the Town of Wilmington Town Meeting voted in the affirmative that the Town consider and act on the Omnibus Budget pursuant to a single consolidated action with each line to be considered a separate appropriation, and approve the amounts and funding sources as recommended by the Finance Committee in the handout entitled Recommendations of the Finance Committee and Planning Board Relative to the Warrant Articles to be presented to the Annual Town Meeting Saturday, June 27, 2020 at 9:00 a.m. Wilmington High School Softball Field with a total budget amount for Fiscal Year 2021 for the Town of Wilmington of One Hundred Ten Million Five Hundred Eleven Thousand Nine Hundred Twelve Dollars (\$110,511,912). The Moderator declared the motion as passed.

ARTICLE 6. To see if the Town will vote to raise and appropriate, transfer from available funds, or borrow pursuant to any applicable statute a sum of money for the purchase of new and/or replacement capital equipment, including but not limited to the following items, and further to authorize the sale, trade-in, conveyance or other disposition of any equipment being so replaced, such funds to be spent by the town department, so indicated, with the approval of the Town Manager and, to the extent set forth in Chapter 592 of the Acts of 1950, the Board of Selectmen, as follows:

Police Department

Purchase of four (4) replacement police cruisers.

Fire Department

Purchase of one (1) replacement utility vehicle.

Retrofit one (1) Forestry Vehicle with flatbed body, skid pump, upgrades to suspension, tool boxes and hand tools.

Department of Public Works

Purchase of one (1) vacuum sweeper to be assigned to the Highway Division.

Purchase of one (1) heavy duty 6-wheel dump truck with plow and sander to be assigned to the Highway Division.

Purchase of one (1) heavy duty one-ton utility body truck with plow to be assigned to the Highway Division.

Purchase of one (1) heavy duty 3/4 ton pickup truck with plow to be assigned to the Parks & Grounds Division.

School Department

Purchase of one (1) replacement Handicap Accessible Wheelchair Minivan.

or take any other action related thereto.

VOTED: Motion was moved by Selectman Jomarie O'Mahony, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that the following amounts be raised and appropriated from the FY-21 tax levy and other general revenues of the Town:

Ninety Thousand Dollars (\$90,000) for the purchase of two (2) replacement police vehicles for the Police Department;

Fifty-Two Thousand Seven Hundred Dollars (\$52,700) for the purchase of one replacement utility vehicle for the Fire Department;

Thirty-Two Thousand Two Hundred Fifty Dollars (\$32,250) to retrofit one (1) forestry vehicle with flatbed body, skid pump, upgrades to suspension, tool boxes and hand tools;

One Hundred Fifty-Five Thousand Dollars (\$155,000) for the purchase of one (1) heavy duty 6-wheel dump truck with plow and sander for the Department of Public Works Highway Division;

Eighty-Five Thousand Dollars (\$85,000) for the purchase of one (1) heavy duty one-ton utility body truck with plow for the Department of Public Works Highway Division;

Forty-Three Thousand Dollars (\$43,000) for the purchase of one (1) heavy duty ¾ ton pickup truck with plow for the Department of Public Works Parks & Grounds Division;

Fifty-Six Thousand Dollars (\$56,000) for the purchase of one (1) replacement Handicap Accessible Wheelchair Minivan for the School Department;

and that Two Hundred Eighty Thousand Dollars (\$280,000) be raised and appropriated from Available Funds "Free Cash" for the purchase of one (1) vacuum sweeper for the Department of Public Works Highway Division;

all such funds to be spent under the direction of the Town Manager; and further to authorize the sale, trade in or other disposition, if any, of said replaced vehicles.

The Town of Wilmington Town Meeting voted in the affirmative that the specified purchases be made. The Moderator declared the article as passed.

ARTICLE 7. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the purchase of new portable radios for the Wilmington Fire Department; or take any other action related thereto.

VOTED: Motion was moved by Mr. Eaton, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that Thirty-Nine Thousand Dollars (\$39,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the purchase of new portable radios for the Wilmington Fire Department. The Moderator declared the article as passed.

ARTICLE 8. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the purchase of a power loader; or take any other action related thereto.

VOTED: Motion was moved by Mr. Bendel, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that Thirty-Two Thousand Dollars (\$32,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the purchase of a power loader for the Wilmington Fire Department. The Moderator declared the article as passed.

ARTICLE 9. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the Information Technology Department to purchase a backup appliance for data storage and recovery; or take any other action related thereto.

VOTED: Motion was moved by Mr. Cairra, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that One Hundred Thousand Dollars (\$100,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the purchase of a backup appliance for data storage and recovery for the Information Technology Department. The Moderator declared the article as passed.

ARTICLE 10. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the purchase of portable radios for the Wilmington Police Department; or take any other action related thereto.

VOTED: Motion was moved by Mr. Eaton, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that Ninety-One Thousand Dollars (\$91,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the purchase of portable radios for the Wilmington Police Department. The Moderator declared the article as passed.

ARTICLE 11. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the purchase of new patrol rifles; or take any other action related thereto.

VOTED: Motion was moved by Ms. O'Mahony, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that Twenty-Eight Thousand Dollars (\$28,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the purchase of patrol rifles for the Wilmington Police Department. The Moderator declared the motion as passed.

ARTICLE 12. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the upgrade of critical radio communications infrastructure and equipment in the Public Safety Dispatch Center and related and ancillary facilities to be utilized by Dispatch, Fire and Police; or take any other action related thereto.

VOTED: Motion was moved by Selectman Gary B. DePalma, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that Four Hundred Fifty Thousand Dollars (\$450,000) be raised and appropriated from Available Funds "Free Cash" to be spent by the Town Manager for the upgrade of critical radio communications infrastructure and equipment in the Public Safety Dispatch Center and related and ancillary facilities to be utilized by Dispatch, Fire and Police. The Moderator declared the article as passed.

ARTICLE 13. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money to replace furnishings and equipment and for the remodeling of the Public Safety Dispatch Center, including design and engineering costs and any other incidental and related costs and expenses; or take any other action related thereto.

VOTED: Motion was moved by Mr. Bendel, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that One Hundred Ninety-Four Thousand Dollars (\$194,000) be raised and appropriated from Available Funds "Free Cash" to be spent by the Town Manager to replace furnishings and equipment and for the remodeling of the Public Safety Dispatch Center including design and engineering costs and any other incidental and related costs and expenses. The Moderator declared the article as passed.

ARTICLE 14. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money to complete a Feasibility Study and Schematic Design and to hire an Owner's Project Manager (OPM) for replacement of the Buzzell Senior Center and that the Owner's Project Manager shall provide the Town with regular updates on the status of the project; or take any other action related thereto.

VOTED: Motion was moved by Mr. DePalma, seconded by Mr. Doherty, that Six Hundred Fifty Thousand Dollars (\$650,000) be raised and appropriated from Available Funds "Free Cash" to be spent by the Town Manager to complete a Feasibility Study and Schematic Design and to hire an Owner's Project Manager (OPM) for replacement of the Buzzell Senior Center and that the Owner's Project Manager shall provide the Town with regular updates on the status of the project.

Kevin A. Cairra, 251 Woburn Street, proposed an amendment to the article as follows:

I move that Six Hundred Fifty Thousand Dollars (\$650,000) be raised and appropriated from Available Funds “Free Cash” to be spent by the Town Manager to complete a Feasibility Study and Schematic Design and to hire an Owner’s Project Manager (OPM) for replacement **or renovation and/or expansion/addition** of the Buzzell Senior Center and that the Owner’s Project Manager shall provide the Town with regular updates on the status of the project.

The amendment was seconded from the floor.

Discussion on the motion to amend was generally in opposition to it, after which the Town of Wilmington Town Meeting voted against adoption of the motion to amend. The Moderator declared the amendment as failed.

Discussion then ensued on the Main Motion, most of it in support of the motion, after which the Town of Wilmington Town Meeting voted in the affirmative to pass it. The Moderator declared the article as passed.

ARTICLE 15. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money to complete a Feasibility Study and Schematic Design and to hire an Owner’s Project Manager (OPM) for construction of a Town Hall/School Administration Building; or take any other action related thereto.

VOTED: Motion was moved by Mr. Eaton, seconded by Mr. Doherty, by teller vote the Town of Wilmington Town Meeting voted 108 in favor and 62 in opposition that Nine Hundred Fifty-Five Thousand Dollars (\$955,000) be raised and appropriated from Available Funds “Free Cash” to be spent by the Town Manager to complete a Feasibility Study and Schematic Design and to hire an Owner’s Project Manager (OPM) for construction of a Town Hall/School Administration Building. The article passed.

ARTICLE 16. To see if the Town will vote to raise and appropriate, transfer from available funds or borrow pursuant to any applicable statute a sum of money for the replacement of a portion of interior and exterior lighting with LED fixtures at the West Intermediate School; or take any other action related thereto.

VOTED: Motion was moved by Ms. O’Mahony and second by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that that One Hundred Thousand Dollars (\$100,000) be raised and appropriated from the FY-21 tax levy and other general revenues of the Town to be spent by the Town Manager for the replacement of lighting with LED fixtures at the West Intermediate School. The Moderator declared the article as passed.

CONSENT AGENDA 2

Stephen Turner, 59 Washington Avenue, made an oral motion as follows:

Move, that Articles 17, 18, 19, 25, 26, 27, 28, 29 be approved by combined consent.

The motion was seconded from the floor.

Town Manager Hull pointed out that Article 28 was going to be passed over.

Mr. Turner made a subsidiary motion to remove Article 28 from his motion, which the Moderator treated as a motion to divide the question and remove Article 28 from the proposed Consent Agenda. The motion for the subsidiary motion was seconded from the floor, and the Town of Wilmington Town Meeting voted in the affirmative on the subsidiary motion to divide the question, removing Article 28 from the main motion. The Moderator declared the subsidiary motion as passed.

Mr. Turner presented his written motion with the articles to be included. The Moderator then requested that Mr. Hull provide the appropriation amounts and their sources for each article to be included in the consent agenda to the Town Meeting and Mr. Hull did so.

VOTED: On the main motion, the Town of Wilmington Town Meeting then voted in the affirmative that Articles 17, 18, 19, 25, 26, 27 and 29 be approved by combined consent. The Moderator declared the motion as passed.

VOTED: Motion was moved by Mr. Cairra, seconded by Mr. Doherty, that the Town vote to amend Chapter 2, Section 1 of the By-Laws of the Inhabitants of the Town of Wilmington,

Revised by changing the date of the Annual Town Meeting to the last Saturday in April and the Annual Town Election be scheduled for Saturday prior so that said Section shall read as follows:

ANNUAL TOWN MEETING LAST SATURDAY IN APRIL AND ANNUAL TOWN ELECTION SATURDAY PRIOR

SECTION 1. The Annual Town Meeting shall be held on the last Saturday in April of each year and the Annual Town Election shall be held on the Saturday prior to the Annual Town Meeting.

By Teller vote, the Town of Wilmington Town Meeting voted 9 in favor and 98 opposed to amending the by-law. The article failed.

ARTICLE 46. (drawn #57) To see if the Town will vote to amend Chapter 2, Section 3 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by changing the time of the Annual Town Meeting from 10:30 a.m. to 9:00 a.m.; or take any other action related thereto.

VOTED: Motion was moved by Mr. DePalma, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative to amend Chapter 2, Section 3 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by changing the time of the Annual Town Meeting from 10:30 a.m. to 9:00 a.m. The Moderator declared the article as passed.

The Finance Committee recommended Disapproval of Article 47

ARTICLE 47. (drawn #50) To see if the Town will vote to amend Chapter 2, Section 10A of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by including an overall Omnibus Budget Presentation by the Town Manager followed by taking up of the operating budget as a whole by inserting the following language in subsection 5 therein so that said subsection 5 shall read as follows:

5. To hear the Omnibus Budget Presentation by the Town Manager and then to appropriate monies for expenses of the Town and salaries of Town officers and Departments as a whole and determine how same shall be raised.

or take any other action related thereto.

VOTED: Motion was moved by Mr. Bendel, seconded from the floor, the Town of Wilmington Town Meeting voted against amending Chapter 2, Section 10A of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by including an overall Omnibus Budget Presentation by the Town Manager followed by taking up of the operating budget as a whole by inserting the following language in subsection 5 therein so that said subsection 5 shall read as follows:

5. To hear the Omnibus Budget Presentation by the Town Manager and then to appropriate monies for expenses of the Town and salaries of Town officers and Departments as a whole and determine how same shall be raised.

The Moderator declared the article as failed.

The Finance Committee recommended Disapproval of Article 48

ARTICLE 48. (drawn #65) To see if the Town will vote to amend Chapter 2, Section 10B of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by eliminating random selection so that said Section shall read as follows:

SECTION 10B. ORDER OF ARTICLES

All articles in said warrant shall be enumerated by the Board of Selectmen and shall be presented to the Town Meeting by the Moderator in the order as so enumerated.

or take any other action related thereto.

VOTED: Motion was moved by Ms. O'Mahony, seconded from the floor, the Town of Wilmington Town Meeting voted against amending Chapter 2, Section 10B of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by eliminating random selection so that said Section shall read as follows:

SECTION 10B. ORDER OF ARTICLES

All articles in said warrant shall be enumerated by the Board of Selectmen and shall be presented to the Town Meeting by the Moderator in the order as so enumerated.

The Moderator declared the article as failed.

ARTICLE 49. (drawn #46) To see if the Town will vote to amend Chapter 3, Section 6 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised as it relates to Town Counsel Opinions mandatory filing with the Town Clerk to bifurcate said opinions between matters subject to the Attorney/Client privilege and those matters of general interpretation that should be available to the public for purposes of transparency and consistency in the application of the By-Laws and statutes so that the last sentence of said Section shall read as follows:

Whenever such opinion is given, he shall forthwith file a copy thereof with the Town Clerk for a permanent record; provided, however, that confidential and privileged communications shall be exempt from mandatory disclosure pursuant to the applicable provisions of the Massachusetts Public Records Law.

or take any other action related thereto.

VOTED: Motion was moved by Mr. Eaton, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative to amend Chapter 3, Section 6 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised as it relates to Town Counsel Opinions mandatory filing with the Town Clerk to bifurcate said opinions between matters subject to the Attorney/Client privilege and those matters of general interpretation that should be available to the public for purposes of transparency and consistency in the application of the By-Laws and statutes so that the last sentence of said Section shall read as follows:

Whenever such opinion is given, he shall forthwith file a copy thereof with the Town Clerk for a permanent record; provided, however, that confidential and privileged communications shall be exempt from mandatory disclosure pursuant to the applicable provisions of the Massachusetts Public Records Law.

The Moderator declared the article as passed.

ARTICLE 50. (drawn #52) To see if the Town will vote to amend Chapter 5, Section 27.5 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by deleting the language "or Town property adjacent to the water" therefrom; or take any other action related thereto.

VOTED: Motion was moved by Ms. O'Mahony, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that the Town vote to amend Chapter 5, Section 27.5 of the By-Laws of the Inhabitants of the Town of Wilmington, Revised by deleting the language "or Town property adjacent to the water" therefrom. The Moderator declared the article as passed.

The Finance Committee recommended Disapproval of Article 51

ARTICLE 51. (drawn #47) To see if the Town will vote to amend the By-Laws of the Inhabitants of the Town of Wilmington, Revised by adopting a Construction Noise By-law as follows; or take any other action related thereto.

Construction Noise By-Law

Purpose

The intent of this potential by-law is to regulate the hours during which construction and demolition activities may take place within the Town and otherwise to limit the impact of such activities on nearby residents and business.

Definition

"Construction" shall mean and include the construction, reconstruction, alteration, repair, demolition and/or removal of any building, structure or substantial part thereof if such work requires a building permit, razing permit, electrical permit, plumbing permit, gas permit, or mechanical permit, excavation that involves the use of blasting, jackhammers, pile drivers, back hoes and/or other heavy equipment; the starting of any machinery related to the above; deliveries; fueling of equipment; and any other preparation or mobilization for construction which creates noise or disturbance on abutting properties.

"Small contractor" shall mean a licensed person hired to perform less substantial construction work which shall mean work performed entirely on the interior of a building, with no evidence of such activity visible or audible at the property line of the property where construction is taking place.

Except as may be specified herein, acoustical terminology used throughout this By-Law is that approved as American National Standard Acoustical Terminology [ANSI S1.1-1994] by the American National Standards Institute (ANSI).

Hours

No person shall perform any construction within the Town except between the following hours, except that set-up and delivery may take place as early as 6:30 a.m.:

Monday through Friday: 7:00 a.m. and 6:00 p.m.

Saturdays; 8:00 a.m. to 4:00 p.m.

Sunday and Holidays: None

Exemptions

The restrictions set forth in this by-law shall not apply to work performed as follows:

- A) By any federal or state department, Wilmington Department of Public Works, the Reading Municipal Light Department and/or any contractors working directly for these agencies, when working within a public way or within easements;
- B) By a resident on or in connection with that person's residence, without the aid of hired contractors, whether or not such residence is a detached single family home, if said resident is in possession of a Permit granted by the Chief of Police, as described in the following section.
- C) Work occasioned by a genuine and imminent emergency, and then only to the extent necessary to prevent loss or injury to persons or property.

Permits

The Chief of Police or a designee thereof (the Chief) may, in the Chief's reasonable discretion, issue permits in response to written applications authorizing applicants to perform construction during hours other than those permitted by this by-law. Such permits may be issued upon a determination by the Chief, in consultation with the Building Inspector, the Town Engineer or other Town staff, that literal compliance with the terms of this by-law would create an unreasonable hardship and that the work proposed to be done (with or without any proposed mitigative measures) will have no adverse effects of the kind which this by-law seeks to reduce. Each such permit shall specify the person authorized to act, the dates on which or within which

the permit will be effective, the specific hours and days when construction otherwise prohibited may take place, and any conditions required by the Chief to mitigate the effect thereof on the community. The Chief may promulgate a form of application and charge a reasonable fee for each permit. No permit may cover a period of more than thirty (30) days. Mitigative measures shall include notice to residents in the surrounding area and other mitigation as determined by the Chief. Objections by such residents shall be noted by the Chief and shall be taken into account when considering issuance of such permit.

Unreasonable Noise

Regardless of the hour or day of the week, no construction shall be performed within the Town in such a way as to create unreasonable noise. Noise shall be deemed unreasonable if it interferes with the normal and usual activities of residents and businesses in the affected area and could be reduced or eliminated through reasonable mitigative measures.

Copy of By-Law

The Building Inspector shall deliver a copy of this by-law to each person to whom it issues a building permit, razing permit, electrical permit, plumbing permit, gas permit or mechanical permit at the time that the said permit is issued.

Penalties for Violations

- A. Violations under in the discretion of the enforcing person, may be enforced by noncriminal disposition as provided in MGL Chapter 40, Section 21D.
- B. The penalty for a violation under this By-law shall be \$50 for a first offense, \$100 for a second offense, \$200 for a third offense, and for each succeeding offense each day or part thereof shall constitute a separate offense.

VOTED: Motion was moved by Mr. DePalma, seconded from the floor, that the Town vote to amend the By-Laws of the Inhabitants of the Town of Wilmington, Revised by adopting a Construction Noise By-law as written in the Warrant.

Police Chief Joseph Desmond was asked to explain the process that the By-law Review Committee followed in determining that a Construction Noise By-law be presented to Town Meeting for consideration.

There was discussion both for and against the adoption of the proposed by-law.

By Teller vote, the Town of Wilmington Town Meeting voted 57 in favor and 82 opposed to adopt the by-law. The article failed.

ARTICLE 52. (drawn #51) To see if the Town will vote to accept the provisions of M.G.L. Chapter 59, Section 5, Clauses Twenty-second G and Twenty-second H, provisions of Act commonly known as the Brave Act, to allow pursuant to Clause Twenty-second G for real estate tax exemptions available under M.G.L Chapter 59, Section 5, clauses Twenty-second, Twenty-second A, Twenty-second B, Twenty-second C, Twenty-second D, Twenty-second E and Twenty-second F for real estate that is the domicile of disabled veterans but is owned by a trustee, conservator or other fiduciary for the benefit of the disabled veteran to the same extent as if the disabled veteran were the owner of the real estate; and to allow pursuant to Clause Twenty-second H for a real estate tax exemption for real estate to the full amount of the taxable valuation of the real property of the surviving parents or guardians of soldiers and sailors, members of the National Guard and Veterans who: (i) during active duty service, suffered an injury or illness documented by the United States Department of Veteran Affairs or a branch of the armed forces that was a proximate cause of their death; or (ii) are missing in action with a presumptive finding of death as a result of active duty service as members of the armed forces of the United States; provided, however, that the real estate shall be occupied by the surviving parents or guardians as the surviving parents' or guardians' domicile; and provided further, that the surviving parents or guardians shall have been domiciled in the Commonwealth for five (5) consecutive years immediately before the date of filing

for an exemption pursuant to this clause or the soldier or sailor, member of the National Guard or veteran was domiciled in the commonwealth for not less than six (6) months prior to entering the service. Surviving parents or guardians eligible for an exemption pursuant to this clause shall be eligible regardless of when the soldier, sailor, member of the National Guard or veteran died or became missing in action with a presumptive finding of death, such exemption to be available until such time as the surviving parents or guardians are deceased, and provided that no real estate shall be so exempt which has been conveyed to the surviving parents or guardians to evade taxation; or take any other action related thereto.

VOTED: Motion was moved by Mr. Bendel, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that the Town vote to accept the provisions of M.G.L. Chapter 59, Section 5, Clauses Twenty-second G and Twenty-second H, provisions of Act commonly known as the Brave Act, as written in the Warrant. The Moderator declared the article as passed.

ARTICLE 53. (drawn #58) To see if the Town will vote to authorize the Town Manager, in cooperation with the Water and Sewer Commission, to lease all or a portion of the below-referenced property, currently the site of the so-called Nassau Avenue water tower and currently used jointly for water supply purposes and telecommunications leasing, to one or more telecommunications companies for the location of telecommunications facilities thereon, and to grant such easements upon said land as are necessary for utility services in support of such use; and further to authorize the Town Manager to enter into such lease or leases for said purposes for all or a portion of the land upon which said Nassau Avenue water tower is situated, located on Nassau Avenue and shown on Assessors Map 31 as Lot 59 and acquired by the Water Commission pursuant to a vote taken under Article 3 of the December 30, 1927 Special Town Meeting, upon such terms and conditions, and for a period in excess of three years, as the Town Manager shall determine to be in the best interest of the Town; and to authorize the Town Manager to enter into such agreements and execute such documents and instruments as are necessary to effectuate the purposes of this article; or take any other action related thereto.

VOTED: Motion was moved by Joseph Balliro, Water and Sewer Commission, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted in the affirmative that the Town vote to authorize the Town Manager, in cooperation with the Water and Sewer Commission, to lease all or a portion of the property, currently the site of the so-called Nassau Avenue water tower and currently used jointly for water supply purposes and telecommunications leasing, to one or more telecommunications companies for the location of telecommunications facilities thereon, and to grant such easements upon said land as are necessary for utility services in support of such use, as written in the Warrant. The Moderator declared the article as passed.

ARTICLE 54. (drawn #55) To see if the Town will vote to name the Wilmington High School Music Room the Barbara J. Mette Music Room; or take any other action related thereto.

VOTED: By Consent Agenda 1, the Town of Wilmington Town Meeting voted that the Town name the Wilmington High School Music Room the Barbara J. Mette Music Room.

ARTICLE 55. (drawn #60) To see if the Town will vote to authorize the Superintendent of Wilmington Public Schools, with the approval of the Board of Selectmen, to enter into Memorandum(s) of Understanding (MOU) with the Department of Children and Families, the Executive Office of Health and Human Services and the Department of Elementary and Secondary Education in order to obtain Federal Title IV-E reimbursement(s) for foster care transportation and to provide that payments for such foster care transportation under such MOUs may be made from such reimbursement(s) as a result of the foster care transportation being performed without appropriation of said reimbursement(s), pursuant to Massachusetts General Law Chapter 44, Section 70; or take any other action related thereto.

VOTED: By Consent Agenda 1, the Town of Wilmington Town Meeting voted that the Town authorize the Superintendent of Wilmington Public Schools, with the approval of the Board of Selectmen, to enter into Memorandum(s) of Understanding (MOU) with the Department of Children and Families, the Executive Office of Health and Human Services and the Department of Elementary and Secondary Education in order to obtain Federal Title IV-E reimbursement(s) for foster care transportation and to provide that payments for such foster care transportation under such MOUs may be made from such reimbursement(s) as a result of the foster care transportation being performed without appropriation of said reimbursement(s), pursuant to Massachusetts General Law Chapter 44, Section 70.

ARTICLE 56. (drawn #56) To see if the Town will vote to name the outdoor seating area at Memorial Library The Peggy Kane Reading Garden; or take any other action related thereto.

VOTED: By Consent Agenda 1, the Town of Wilmington Town Meeting voted that the Town name the outdoor seating area at Memorial Library The Peggy Kane Reading Garden.

ARTICLE 57. (drawn #59) To see if the Town will vote to amend the Zoning Map of the Town of Wilmington by rezoning the following parcels from Residence 60 to Residence 20; or to take any other action related thereto.

Map 83, Parcels: 16A, 25, 27, 28, 30, 30A, 31, 31A, 31B, 32, 33, 33A, 34

Map 84, Parcels: 4, 6, 7, 8, 9, 10, 10A, 11, 12, 13, 14, 14A, 14B, 15, 17, 18, 19, 20, 20A, 21, 21A, 21B, 22, 23A, 23B, 23C, 24, 28, 29, 30, 30A, 31, 31A, 32, 33, 35, 37, 42, 43, 46A, 47, 48, 49, 49B, 49C, 50, 51, 53, 54, 54A, 55, 55A, 56, 56A, 56B, 57A, 58, 59, 59A, 59B, 60, 61, 62, 63, 63A, 64A, 64B, 65A, 65B, 66, 67, 69, 70, 71, 72, 73, 74, 76, 79, 86, 89, 91, 92, 93, 94, 97, 98, 99, 101, 103

By teller vote, the Town of Wilmington Town Meeting voted 90 in favor and 3 opposed that the subject parcels be rezoned. The article passed.

ARTICLE 58. (drawn #49) To see if the Town will vote to amend the By-Laws of the Inhabitants of the Town of Wilmington, Revised by amending Section 51, Comprehensive Stormwater Management By-law, as follows; or take any other action related thereto.

1. By amending Section 51.1.2 by adding a new Section 1.2.6 that reads as follows and renumber the remainder of the section:

Require Low Impact Development (LID) site planning and design strategies to the maximum extent feasible;

51.1.2 PURPOSE

The purpose of this By-law is to regulate discharges to the Municipal Separate Storm Sewer System (MS4) to protect the Town of Wilmington's water bodies and groundwater and to safeguard the public health, safety, welfare and the environment. Increased and contaminated stormwater runoff associated with construction sites, developed land uses and the accompanying increase in impervious surface are major causes of impairment of water quality and flow in lakes, ponds, streams, rivers, wetlands and groundwater. This is accomplished through the following:

- 1.2.1 Institute water resource protection measures identified in the Supplemental Final Comprehensive Water Resource Management Plan / Environmental Impact Report - Commonwealth of Massachusetts EOE File Number 8844 (CWRMP);
- 1.2.2 Protect groundwater and surface water from degradation
- 1.2.3 Promote groundwater recharge;
- 1.2.4 Require practices to control the flow of stormwater from new and redeveloped sites into the Town storm drainage system in order to prevent flooding and erosion;
- 1.2.5 Require practices that eliminate soil erosion and sedimentation and control the volume and rate of stormwater runoff resulting from land disturbance activities;
- 1.2.6 Require Low Impact Development (LID) site planning and design strategies to the maximum extent feasible;
- 1.2.7 Prevent pollutants from entering the Town's municipal separate storm sewer system (MS4) and minimize discharge of pollutants from the MS4;
- 1.2.8 Ensure that soil erosion and sedimentation control measures and stormwater runoff control practices are incorporated into the site planning and design process and are implemented and maintained;
- 1.2.9 Ensure adequate long-term operation and maintenance of structural stormwater best management practices so that they work as designed;
- 1.2.10 Comply with state and federal statutes and regulations relating to stormwater discharges; and
- 1.2.11 Establish the Town's legal authority to ensure compliance with the provisions of this By-law through inspection, monitoring, and enforcement.

Nothing in this By-law is intended to replace the requirements of either, the Town of Wilmington Zoning By-law, General By-law, or any other By-law that may be adopted by the Town of Wilmington. Any activity subject to the provisions of the above-cited By-laws must comply with the specifications of each.

2. By amending Section 51.2.1 by inserting the words "roadway construction" after the words "utility line work" to read as follows:

51.2.1 No person undertaking construction activity that requires a Planning Board review (including new residential subdivisions and multi-family development, new commercial/industrial development or commercial/industrial redevelopment), a Building Permit (such as new single

family residential development or redevelopment), utility line work, roadway construction, or any other threshold set forth in sections 2.2, 2.3, or 2.4 of this By-law may proceed without obtaining a Stormwater Management Permit (SMP) or a Simple Stormwater Management Permit (SSMP) from the Planning Board.

3. By amending Section 51.2.2 by inserting the word “Permit” in the title, deleting Section 2.2.2.b, and inserting the words “but less than 43,560 square feet of land (1 acre)” within Section 2.2.1.a to read as follows:

51.2.2 Stormwater Management Permit (SMP)

A Stormwater Management Permit (SMP) is required for the following:

- 2.2.1 Any activity that will disturb or alter 20,000 square feet or more of land, or which is part of a common plan for development that will disturb or alter 20,000 square feet or more of land, except that:
 - a. Single-family construction on residential lots on existing roadways with no required roadway improvements (Existing Lots or Approval Not Required Lots) that disturbs more than 20,000 square feet of land but less than 43,560 square feet of land (1 acre) in aggregate (Maximum 4 Lots or less) shall be required to obtain a Simple Stormwater Management Permit (SSMP) for each lot instead of a SMP.
- 2.2.2 Any activity that must undergo Site Plan Review per the Wilmington Planning Board Site Plan Review Rules and Regulations, except that:
 - a. A Site Plan change of use that does not alter the site and does not trigger Standard 5 of the Massachusetts Stormwater Management Standards (uses with a higher pollutant load) shall be exempt.

4. By amending Section 51.2.4 by inserting the words “provided that the area of disturbance is less than 1 acre” in Section 51.2.4.3 and Section 51.2.4.8, inserting the words “or accessory structure” in Section 51.2.4.9, and adding new Sections 51.2.4.11 and 51.2.4.12 to read as follows:

51.2.4 Exemptions

No person shall disturb or alter land within the Town of Wilmington without having obtained a Stormwater Management Permit (SMP) or Simple Stormwater Management Permit (SSMP) for the property with the following exceptions:

- 2.4.1 Normal maintenance and improvement of land in agricultural use as defined by the Wetlands Protection Act Regulation 310 CMR 10.04 and MGL Chapter 40A Section 3.
- 2.4.2 Maintenance of existing landscaping, gardens or lawn areas associated with single-family residential lots, or creating new landscaping, gardens or lawn areas on single-family residential lots that will result in a net decrease in impervious area and will not alter drainage patterns.
- 2.4.3 Creating impervious area consisting of a previously existing unpaved driveway for a single family dwelling, or expansion of an existing paved driveway for a single family dwelling provided that the area of disturbance is less than 1 acre.
- 2.4.4 The construction of fencing that will not alter existing terrain or drainage patterns.
- 2.4.5 Construction or maintenance and repair of utility service lines (gas, water, electric, telephone, fire alarms, etc.) other than drainage lines or systems, which will not alter terrain, ground cover, or drainage patterns.
- 2.4.6 Emergency repairs to any stormwater management facility or situation that poses a threat to public health or safety, or as deemed necessary by the Planning Board.

- 2.4.7 Any work or projects for which all necessary approvals and permits, including building permits, have been issued before the effective date of this By-law.
 - 2.4.8 Construction of decks, patios, walkways, driveways, sheds, swimming pools, tennis or basketball courts, or replacement of septic systems on lots having an existing dwelling provided that the area of disturbance is less than 1 acre.
 - 2.4.9 An increase in the footprint of a house or accessory structure by less than 600 square feet.
 - 2.4.10 Repair or upgrade of septic systems when required by the Board of Health for the protection of public health.
 - 2.4.11 Maintenance and improvement of existing roadways (including widening less than a single lane, adding shoulders, correcting substandard intersections, improving existing drainage systems, and repaving projects) provided that existing conditions are improved where feasible.
 - 2.4.12 Municipal projects, provided that that the project complies with the applicable standards of the Comprehensive Stormwater Management Regulations and Massachusetts Stormwater Management Standards and Handbook.
5. By amending Section 51.3 by eliminating Section 51.3.8.

VOTED: Motion was moved by Michael Sorrentino, Planning Board, seconded from the floor, the Town of Wilmington Town Meeting voted in the affirmative to amend the By-Laws of the Inhabitants of the Town of Wilmington, Revised by amending Section 51, Comprehensive Stormwater Management By-law, as written in the Warrant. The Moderator declared the article as passed.

ARTICLE 59. (drawn #62) To see if the Town will vote to transfer the care, custody, management and control of the following Town-owned parcels from the board or officer having such care, custody, management and control for the purpose for which they are currently held to the Wilmington Conservation Commission for conservation purposes pursuant to the provisions of Section 8C of Chapter 40 of the General Laws, and further to dedicate and designate the parcels for such purposes subject to the protections of Article 97 of the Amendments to the Massachusetts Constitution; or to take any other action related thereto.

Map 7 Parcel: 83A

Map 8 Parcels: 86, 86A, 87

VOTED: Motion was moved by Laura deWahl, Conservation Commission, seconded by Mr. Doherty, the Town of Wilmington Town Meeting voted unanimously in the affirmative to transfer the care, custody, management and control of the following Town-owned parcels from the board or officer having such care, custody, management and control for the purpose for which they are currently held to the Wilmington Conservation Commission for conservation purposes pursuant to the provisions of Section 8C of Chapter 40 of the General Laws, and further to dedicate and designate the parcels for such purposes subject to the protections of Article 97 of the Amendments to the Massachusetts Constitution.

The Moderator declared the article as passed.

ARTICLE 60. (drawn # 53) To see if the Town will vote to amend the Zoning By-law and associated Zoning Map of the Town of Wilmington by voting to rezone from General Business (GB) to Residential 20 (R-20), the following-described parcel of land known as 5 Shady Lane Drive, Wilmington, Massachusetts:

Description

A certain parcel of land situated in said Wilmington and described as Lot No. 5, Block B, as shown on a plan of "Wilmington Acres", dated December 1946, Merrill A. Brown, C.E., a copy of which Plan is filed for record with the Middlesex North District Registry of Deeds, Book of Plans 70, Plan 58, and more particularly bounded and described as follows:

NORTHEASTERLY: by Shady Lane Drive, as shown on said Plan, one hundred (100) feet;

SOUTHEASTERLY: by Lot 4, Block B, as shown on said Plan, one hundred nine and 15/100 (109.15) feet;

SOUTHWESTERLY: by land now or formerly of Tibbetts, one hundred and 3/10 (100.3) feet; and,

NORTHWESTERLY: by Lot 6, Block B, as shown on said Plan, one hundred twelve and 72/100 (112.72) feet.

Containing, according to said Plan, eleven thousand, ninety-two (11,092) square feet.

or take any other action related thereto.

VOTED: Motion was moved by Scott Garrant, 54 Lowell Street, seconded by Mr. Doherty, to see if the Town will vote to amend the Zoning By-law and associated Zoning Map of the Town of Wilmington by voting to rezone from General Business (GB) to Residential 20 (R-20), the following-described parcel of land known as 5 Shady Lane Drive, Wilmington, Massachusetts:

Description

A certain parcel of land situated in said Wilmington and described as Lot No. 5, Block B, as shown on a plan of "Wilmington Acres", dated December 1946, Merrill A. Brown, C.E., a copy of which Plan is filed for record with the Middlesex North District Registry of Deeds, Book of Plans 70, Plan 58, and more particularly bounded and described as follows:

NORTHEASTERLY: by Shady Lane Drive, as shown on said Plan, one hundred (100) feet;

SOUTHEASTERLY: by Lot 4, Block B, as shown on said Plan, one hundred nine and 15/100 (109.15) feet;

SOUTHWESTERLY: by land now or formerly of Tibbetts, one hundred and 3/10 (100.3) feet; and,

NORTHWESTERLY: by Lot 6, Block B, as shown on said Plan, one hundred twelve and 72/100 (112.72) feet.

Containing, according to said Plan, eleven thousand, ninety-two (11,092) square feet.

By teller vote, the Town of Wilmington Town Meeting voted 119 in favor and one opposed that the subject zoning by-law be amended. The article passed.

The Finance Committee recommended disapproval of Article 61

ARTICLE 61. (drawn #45) To see if the Town will vote to appropriate Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) for the Board of Selectmen to expend for feasibility studies, engineering, financial design, permitting, construction and construction administration of a Town of Wilmington Senior Center to be constructed at the 19 acre Town Hall property at 121 Glen Road, Map 54, Lot 110 and to meet this appropriation that Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) be transferred from Free Cash in the Treasury of the Town, or take any other action related thereto.

The Article proponent withdrew the article prior to Town Meeting. The Moderator declared the action of Town of Wilmington Town Meeting as to have passed over Article 61.

The Finance Committee recommended disapproval of Article 62

ARTICLE 62. (drawn #63) To see if the Town will vote to appropriate Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) for the Board of Selectmen to expend for feasibility studies, engineering, financial design, permitting, construction and construction administration of a Town of Wilmington Senior Center to be constructed on land located on Map 45 Lot 142a (5.53 acres) address Main Street, Map 45 Lot 142b (.47 acres) address Glen Road, Map 45 Lot 142c (.48 acres) address Glen Road, Map 45 Lot 142d (.47 acres) address Glen Road Map 45 Lot 142e (.46 acres) address Glen Road Map 45 Lot 142f (.46 acres) address Glen Road, or any portion of the parcels stated, and to meet this appropriation that Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) be transferred from Free Cash in the Treasury of the Town, or take any other action related thereto.

VOTED: Motion was moved by proponent Michael McCoy, 11 Treasure Hill Road, seconded from the floor, the Town of Wilmington Town Meeting voted in the negative that the Town appropriate Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) for the Board of Selectmen to expend for feasibility studies, engineering, financial design, permitting, construction and construction administration of a Town of Wilmington Senior Center to be constructed on land located on Map 45 Lot 142a (5.53 acres) address Main Street, Map 45 Lot 142b (.47 acres) address Glen Road, Map 45 Lot 142c (.48 acres) address Glen Road, Map 45 Lot 142d (.47 acres) address Glen Road Map 45 Lot 142e (.46 acres) address Glen Road Map 45 Lot 142f (.46 acres) address Glen Road, or any portion of the parcels stated, and to meet this appropriation that Twelve Million Six Hundred Fifty Thousand Dollars (\$12,650,000) be transferred from Free Cash in the Treasury of the Town. The Moderator declared the article as failed.

The Finance Committee took no action on Article 63

ARTICLE 63. (drawn #43) To see if the Town will vote to amend the Zoning By-law and associated Zoning Map of the Town of Wilmington as follows:

By rezoning from Residential 60 (R60) to Highway Industrial (HI) the land shown as Parcels 1, 1A and 2A on Assessor's Map R1; and the land shown as Parcel 19A on Assessor's Map R2; and Parcels 24 and 24A on Assessor's Map 103, which premises are more particularly described in a deed recorded at the Middlesex North District Registry of Deeds in Book 15876, Page 245.

or take any other action related thereto.

The Article proponent, with the acceptance of the Planning Board, withdrew the article prior to Town Meeting. The Moderator declared the action of Town of Wilmington Town Meeting as to have passed over Article 63.

Prior to the day of the Annual Town Meeting, the Town Moderator declared he would recuse himself from consideration of Article 64 due to a conflict. The Moderator thereafter, in accordance with his granted powers, appointed Michael Champoux, 10 Gloria Way, as Acting Moderator to oversee Town Meeting's consideration of Article 64.

ARTICLE 64. (drawn #48) To see if the Town will vote to rezone from General Business (GB) and General Industrial (GI) to Neighborhood Mixed Use (NM) the following property:

The land, with the buildings thereon, now known as and numbered 100 and 102 West Street, Wilmington, Middlesex County, Massachusetts, and further being shown as Lot 4 and Lot 5 on a plan of land entitled "Approval Not Required Plan, #100-104 West Street, Wilmington, Mass., Feldman Land Surveyors, 152 Hampden Street, Boston, MA 02119, November 20, 2017, Scale: 1" = 60", and which Plan is duly recorded at the Middlesex North District Registry of Deeds at Plan Book 244, Plan 38.

Lot 4 contains 40,996 square feet of land, more or less, according to the above-referenced Plan, and Lot 5 contains 161,940 square feet of land, or 3.718 acres, according to the above-referenced Plan. Lot 4 and 5, combined, contain 202,936 square feet of land.

For Petitioner's title, see Deed recorded at the Middlesex North District Registry of Deeds at Book 32754m Page 215.

The above-referenced premises are also shown on the Town of Wilmington Assessor's Map 71 as Parcels 3 & 5.

or take any other action related thereto.

VOTED: Motion was moved by Attorney Robert Peterson, Sr. on behalf of the proponent, Derek Santini, 28 Kenwood Avenue, seconded from the floor, to see if the Town will vote to rezone from General Business (GB) and General Industrial (GI) to Neighborhood Mixed Use (NM) the following property:

The land, with the buildings thereon, now known as and numbered 100 and 102 West Street, Wilmington, Middlesex County, Massachusetts, and further being shown as Lot 4 and Lot 5 on a plan of land entitled "Approval Not Required Plan, #100-104 West Street, Wilmington, Mass., Feldman Land Surveyors, 152 Hampden Street, Boston, MA 02119, November 20, 2017, Scale: 1" = 60'", and which Plan is duly recorded at the Middlesex North District Registry of Deeds at Plan Book 244, Plan 38.

Lot 4 contains 40,996 square feet of land, more or less, according to the above-referenced Plan, and Lot 5 contains 161,940 square feet of land, or 3.718 acres, according to the above-referenced Plan. Lot 4 and 5, combined, contain 202,936 square feet of land.

For Petitioner's title, see Deed recorded at the Middlesex North District Registry of Deeds at Book 32754m Page 215.

The above-referenced premises are also shown on the Town of Wilmington Assessor's Map 71 as Parcels 3 & 5.

By teller vote, the Town of Wilmington Town Meeting, voted 123 in favor and 3 opposed that the subject zoning by-law be amended. The article passed.

The Finance Committee recommended disapproval of Article 65

ARTICLE 65. (drawn #44) To see if the Town will vote to amend the Town's Inhabitant By-Laws by adding a new section 55 to prohibit the participation of certain animals in traveling animal acts for public entertainment or amusement, to read as follows:

SECTION 5: TRAVELING ANIMAL ACTS

55.1 Definitions.

The following terms as used in this Section 55 shall have the following meanings:

"Covered animal," any of the following animals, and hybrids thereof:

- (a) Artiodactyla, excluding domestic cattle, bison, American buffalo, water buffalo, yak, zebu, gayal, bali cattle, suidae, sheep, goats, llamas, or alpacas;
- (b) Camelidae;
- (c) Canidae, including nay hybrids thereof, but excluding domestic dogs;
- (d) Crocodilia;
- (e) Elephantidae;
- (f) Felidae, including any hybrids thereof, but excluding domestic cates;
- (g) Marsupialia;
- (h) Non-human primate;
- (i) Perissodactyla, excluding domestic horses, ponies, donkeys, or mules;
- (j) Pinnipedia;
- (k) Ursidae; and
- (l) Elasmobranchii, excluding rays.

“Mobile or traveling housing facility,” a transporting vehicle such as a truck, trailer or railway car, used to transport or house animals while traveling for exhibition or other performance.

“Performance,” any exhibition, public showing, presentation, display, exposition, fair, animal act, circus, ride, trade show, petting zoo, carnival, parade, ace, or similar undertaking in which animals are required to perform tricks, give rides, or participate as accompaniments for the entertainment, amusement, or benefit of a live audience.

“Traveling animal act,” any performance of animals where such animals are transported to, from, or between locations for the purpose of such performance, in a mobile or traveling housing facility.

55.2 Prohibition.

(a) Notwithstanding any other provision of law, it shall be unlawful for a person to allow for the participation of a covered animal in a traveling animal act with in the Town of Wilmington.

(b) This section shall not apply to a performance that takes place at a non-mobile, permanent institution or other fixed facility, provided that the covered animal is not transported to such location for the purpose of such performance.

or take any other action related thereto.

VOTED: Motion was moved by Hiram Shah, 38 Concord Street, seconded from the floor, to see if the Town will vote to amend the Town’s Inhabitant By-Laws by adding a new section 55 to prohibit the participation of certain animals in traveling animal acts for public entertainment or amusement, to read as follows:

SECTION 5: TRAVELING ANIMAL ACTS

55.1 Definitions.

The following terms as used in this Section 55 shall have the following meanings:

“Covered animal,” any of the following animals, and hybrids thereof:

- (a) Artiodactyla, excluding domestic cattle, bison, American buffalo, water buffalo, yak, zebu, gayal, bali cattle, suidae, sheep, goats, llamas, or alpacas;

- (l) Elasmobranchii, excluding rays.

“Mobile or traveling housing facility,” a transporting vehicle such as a truck, trailer or railway car, used to transport or house animals while traveling for exhibition or other performance.

“Performance,” any exhibition, public showing, presentation, display, exposition, fair, animal act, circus, ride, trade show, petting zoo, carnival, parade, ace, or similar undertaking in which animals are required to perform tricks, give rides, or participate as accompaniments for the entertainment, amusement, or benefit of a live audience.

“Traveling animal act,” any performance of animals where such animals are transported to, from, or between locations for the purpose of such performance, in a mobile or traveling housing facility.

55.2 Prohibition.

(a) Notwithstanding any other provision of law, it shall be unlawful for a person to allow for the participation of a covered animal in a traveling animal act with in the Town of Wilmington.

(b) This section shall not apply to a performance that takes place at a non-mobile, permanent institution or other fixed facility, provided that the covered animal is not transported to such location for the purpose of such performance.

Discussion ensued advocating for and against adoption of the proposed by-law. Marianne Gallezzo, 30 Roosevelt Road, motioned to move the question. The Moderator explained that he would accept any additional comments that offered new information that had not been presented already, and then bring the motion to move the question to a vote.

On the motion to move the vote, the Town of Wilmington Town Meeting voted to end debate. The Moderator declared the motion to move the vote as passed. At which point, the maker of the main motion, Mr. Shah, was entitled to 10 (ten) minutes to speak. Mr. Shah yielded his time to Petitioner, Jenne Sindoni, 119 Marion Street, who responded to several points made and questions raised by residents throughout the discussion. Ms. Sindoni then yielded back to Mr. Shah, who provided some statistics about states and other Massachusetts municipalities that have passed similar bans.

By voice vote, the Moderator declared that the Town of Wilmington Town Meeting voted to not adopt the proposed by-law. Four residents rose to request a teller vote be conducted. Thereafter, by teller vote, the Town of Wilmington Town Meeting voted 84 in the positive and 74 in the negative to adopt the subject by-law. The article passed.

With all business concluded at the June 27, 2020 Town Meeting a Motion to Adjourn was made and seconded. Voted. Adjourned at 3:46 p.m.

TOWN OF WILMINGTON MUNICIPAL SERVICES GUIDE

GENERAL ADMINISTRATION

Board of Selectmen (Meeting dates - 2nd & 4th Monday evening 7:00 p.m.)

The Board of Selectmen is recognized by the General Laws of the Commonwealth of Massachusetts as the Town's chief elected officials. The Board is responsible for appointing the Town Manager, the Board of Appeals, the Town Counsel and the Town Accountant. The Selectmen are also responsible for issuing numerous licenses including alcohol licenses, common victualer licenses and licenses to operate automobile dealerships. The Selectmen serve on a part-time basis.

Phone 978 - 658-3311

Jonathan R. Eaton, Chairman
Gregory B. Bendel
Kevin A. Caira
Gary B. DePalma
Jomarie F. O'Mahony

Town Manager – Jeffrey M. Hull – 978 - 658-3311

The Town Manager is the Chief Administrative Officer of the Town. He supervises and directs the administration of all departments, boards and commissions except for the Board of Selectmen, Town Moderator, Finance Committee, Schools, Board of Appeals, Election Officers and Registrars of Voters. His duties include the appointment and removal, if necessary, of staff and members of certain boards and commissions; attendance at all regularly scheduled meetings of the Board of Selectmen to advise and recommend specific courses of action regarding issues affecting the Town; representing the Town in all litigation to which the Town is a party; acting as the Chief Fiscal Officer of the Town; preparation and administration of a comprehensive annual budget and directing the procurement of all goods and services on behalf of the Town.

Assistant Town Manager/Human Resources Director – Kerry L. Colburn-Dion – 978 - 658-3311

The Assistant Town Manager serves as the town's risk manager responsible for arranging the purchase of all lines of municipal insurance, chairing the town Safety Committee meetings, arranging for loss control training and working with insurance carriers to respond to claims against the town; serves in a human resources role informing employees about the various benefits available to them and establishing practices to comply with state and federal employment regulations; serves as a resource for departments seeking guidance on compliance with state procurement regulations; serves as the town's "point person" on cable licensing and assists the Town Manager with municipal administration including annual budget preparation, collective bargaining with unions and responding to questions or requests for assistance from residents.

Town Clerk – Christine R. Touma-Conway – 978 - 658-2030

State law assigns duties to the Town Clerk in three major areas, the keeping of records and documents, the issuance of licenses and the administration of elections. In terms of the Town records the Clerk records proceedings of all town meetings and elections. The Town Clerk is Registrar of all vital statistics and Filing Officer for birth and death certificates, zoning decisions, etc. The Clerk's office also issues marriage licenses, dog licenses, etc. The Clerk is the Chief Election Official for all elections and serves as clerk of the Board of Registrars.

FINANCIAL ADMINISTRATION

Finance Director/Town Accountant – Bryan T. Perry – 978 - 658-2029

The Accounting Department reviews all requests for payment which involve Town funds. The department prepares warrants on a weekly basis for payment of all bills owed by the Town. The Accountant maintains the complete official financial records of the Town and prepares other financial records and reports as needed. The office provides information for the annual audit and bond ratings. Additionally, this office participates in the preparation of the annual budget. The Accounting Department is also responsible for the management of the Town's Information Systems, including financial systems, electronic mail and the Town's website.

Principal Assessor – Karen L. Rassias – 978 - 658-3675

The main responsibility of the Board of Assessors is to levy the property taxes necessary to meet appropriations and to insure that taxes are allocated equitably on the basis of the property owned by each taxpayer. The assessors are required to compute the tax rate and assess all real and personal property within the Town at fair-market value i.e. close to the true market value, except for property qualifying for preferential assessments such as forest, agricultural or recreation land. Tax rates depend on three factors: (1) the valuation of taxable property, (2) the tax levy or amount to be raised from property taxation and (3) property classification.

Treasurer/Collector – Pamela L. MacKenzie – 978 - 658-3531

The Treasurer/Collector is responsible for the billing and collection of monies due the Town including property and motor vehicle excise taxes and charges for water, sewer and ambulance services. This department is responsible for preparing the weekly payroll. The Treasurer/Collector monitors the Town's cash flow and arranges for short-term and long-term borrowing. The department serves as custodian of all Town funds. All municipal bank accounts are controlled by this office. The tax title and foreclosure proceedings for non-payment of taxes are handled by the Treasurer/Collector.

COMMUNITY DEVELOPMENT

Planning/Conservation Director – Valerie J. Gingrich – 978 - 658-8238

The major responsibilities of the Planning Department are to: undertake studies of land use, economic development, housing, transportation and other matters related to community development; compile and maintain maps, statistics and records related to land use and development; review individual proposals for development and for compliance with the subdivision regulations and zoning by-law; and prepare applications and administer grants related to planning and development.

The primary function of the Conservation Department is the administration and enforcement of the Wetlands Protection Act, Massachusetts General Laws Chapter 131, Section 40. The Act is intended to protect seven public interest issues related to wetlands: flood control, storm damage prevention, protection of public and private water supply, protection of ground water supply, prevention of pollution, protection of fisheries and protection of land containing shellfish. Some of the department's responsibilities include reviewing and inspecting development projects to insure their compliance with the Town and State wetlands statutes. In addition, the department manages several pieces of property throughout Town which have been placed into the Town's custody as conservation land.

Building Inspector – John T. Spaulding – 978 - 658-4531

The Building Inspector interprets and enforces the Town's Zoning By-Law, the State Uniform Building Code and certain other State codes. This department provides assistance to the Zoning Board of Appeals, architects, engineers, contractors and individual property owners in preparing zoning cases, plans and permit applications. The Building Inspector is responsible for plumbing, gas fitting and wiring inspections.

Director of Public Health – Shelly M. Newhouse – 978 - 658-4298

The department provides two primary types of service. Inspectional services include restaurant, retail food stores, cafeterias in industrial buildings and schools, all mobile food trucks, ice cream trucks and caterers. In addition, the department conducts percolation tests for the location of septic systems, septic system inspections, nuisance inspections and responds to citizens' complaints regarding dumping, air pollution and noise pollution and hazardous waste spills. The department provides public nursing services. This includes an annual rabies clinic for dogs and immunization for influenza, pneumonia, polio and various other diseases. The Town Nurse provides blood pressure and cholesterol screenings to Town residents. In addition, the nurse provides home health care visits to elderly residents of the Town.

PUBLIC SAFETY

Fire Chief – William F. Cavanaugh, III – 978 - 658-3346 -- Emergency Number - 9-1-1

The Wilmington Fire Department is responsible for providing fire protection and emergency medical services to the Town of Wilmington. Statutory and Regulatory Laws and regulations are enforced through the Fire prevention Office.

Inspections of fire alarm systems, smoke detectors, sprinkler systems, flammable and combustible liquids and explosives. Propane tank installations, oil burner installations and hazardous materials conducted by fire prevention and shift personnel.

Police Chief – Joseph A. Desmond – 978 - 658-5071 -- Emergency Number - 9-1-1

The principle responsibility of the Wilmington Police Department is the protection of people and property through enforcement of criminal laws and traffic regulations. The department also enforces certain local by-laws and provides public education such as the DARE program. Animal Control services are provided through this department.

Dispatch Supervisor – Corey K. Swift – 978 - 658-5071 -- Emergency Number - 9-1-1

The Public Safety Dispatch Department is responsible for providing emergency communications for the Wilmington Police and Fire Departments. The department answers all E-9-1-1 lines, dispatches police, fire and EMS as needed and handles all incoming business calls for personnel of both departments. The department also assists other town departments in handling their after-hours emergency calls such as water main breaks, animal control calls, notification to the DPW of road conditions and other public service needs.

DEPARTMENT OF PUBLIC WORKS

Director - Michael J. Woods – 978 - 658-4481 or 978 - 658-4484

The Public Works Department is responsible for highways, trees, parks, cemeteries, water, sewers, refuse and recycling. The Highway Division is responsible for the care and maintenance of the roads, sidewalks, parking areas and traffic lights. The Engineering Division assists town departments, boards and commissions with engineering related projects, such as drainage problems, review of subdivision plans and inspection of subdivision roadway construction. The Parks & Grounds Division is responsible for the maintenance of the Town's commons, parks and recreation areas. The Tree Division is responsible for the Town's public shade and ornamental trees and maintenance of the trees on the Town Common. The Public Works Department is also responsible for the operation of the Town's water supply, distribution, treatment systems, septic pumping stations, the sanitary sewer collection systems and the septic disposal station. These responsibilities are assumed by the Water & Sewer Department. The Department operates two water treatment plants in accordance with regulations established by the Commonwealth of Massachusetts Department of Environmental Protection (DEP) and the federal Environmental Agency (EPA).

In addition, the Public Works Department operates a curbside recycling program for many household items, maintains a composting center for brush and leaf disposal and oversees a contract for residential solid waste collection.

PUBLIC BUILDINGS DEPARTMENT

Superintendent – George W. Hooper, II – 978 - 658-3017 or 978 - 658-8124

The Public Buildings Department is responsible for approximately 714,000 square feet of building space. The department provides custodial services for all school buildings and most of the general government buildings. In addition to the custodial services, the department repairs and maintains all of the Town's municipal buildings. Public Buildings provides for the complete set-up at all Town elections and the annual and special town meetings.

HUMAN SERVICES

Elderly Services Director – Theresa Marciello – 978 - 657-7595

Wilmington Department of Elderly Services is committed to continuously advocating, promoting and providing services to Wilmington citizens 60 and over. These services contribute to the well-being of our seniors in the following ways: Information and Referral, Care Planning and Management, Health and Wellness Services, Transportation Service, Educational Programs, Counseling and Family Support Services, Financial and Health Insurance Counseling and Medical Advocacy.

The Buzzell Senior Center has an environment that is not only inviting, but also safe and enjoyable for elderly residents to be able to communicate with their peers and participate in many daily classes and activities.

Library Director – Christina A. Stewart – 978 - 658-2967

The Wilmington Memorial Library has over 65,000 items including books and audio books, movies and music, games and software, newspapers and magazines. With a library card, residents can access authoritative databases, downloadable audio books and ebooks. The library is a member of the Merrimack Valley Library Consortium (MVLC), a system of 35 libraries with a common catalog providing access to more than 3 million items. Items owned by MVLC libraries may be requested for delivery to our library. The library has computer workstations with high speed Internet connection, Microsoft Office and black/white or color printing. Wireless access is available throughout the library. Scanners, copiers and a fax machine are also available. With supplemental support from the Friends of the Library, the library offers a variety of programming for all ages year round. The calendar of events can be found on the library's web site www.wilmlibrary.org.

Recreation Director – Karen E. Campbell – 978 - 658-4270

The goal of the Wilmington Recreation Department is to offer high quality, relevant and affordable programs and services to the residents of Wilmington. We provide a variety of leisure services that are under constant review, with a focus on evolving offerings to keep pace with local demand and changing trends. We offer classes for all ages, sports and other programs to promote physical health and day and overnight trips to provide life-long education and entertainment. Our commitment is to excellence in our programming, presented with superior customer service.

Veterans' Agent – Louis Cimaglia, IV – 978 - 694-2040

The Veterans' Agent administers a State public assistance program for veterans and their dependents who qualify. Financial aid which, is reimbursed in a large part by the Commonwealth, is rendered in the form of cash grants to cover such items as living expenses and medical bills. The Veteran's Agent also offers assistance in applying for pensions and other programs administered by the United States Veterans Administration.
