

Recreation Matters

How to Register:

Weekdays:

Monday - Friday, 8:30 a.m. - 4:30 p.m.
Recreation Office, Town Hall, Room 8

Online:

www.wilmingtonma.gov
Click on the link for the Recreation Dept.

Mail:

Wilmington Recreation Department
Town Hall, 121 Glen Road
Wilmington, MA 01887

Night Drop:

In a sealed envelope, place
payment, with your contact information,
and program or trip information in the

Payment Drop Off

slot in the wall at the left of
the front door to Town Hall.
The box is opened once daily at 8:30 a.m.
The date payment is considered received
is the date it is removed from the box.

Pre-registration and/or pre-payment are required for all programs.

Please mark your calendar. There are no reminder calls.

Weekday programs held in a school are cancelled if school is cancelled.

There is a processing fee for program or trip cancellations unless the cancellation is by the Recreation Department.

Non-resident participation is at the discretion of the Recreation Department.

Non-residents pay a surcharge of \$5 for a class or day trip, and \$10 for an overnight trip.

Avoid disappointment - sign up early! Programs may have minimum registration requirements and risk cancellation if under-enrolled.

We welcome suggestions for new programs or trips.

Group sales allow us to offer the best possible prices for show tickets, events and trips, and occur well before sales to the general public. To secure the best possible prices, seats and accommodations, we must plan in advance - sometimes well before an event will actually be held, and before you see it advertised elsewhere.

If it is in our newsletter - it is time to register!

Our newsletter is updated at irregular intervals at the moment so that we can bring you safe programming as guidelines change and restrictions ease!

Stay current with your Recreation Department!

Volunteers:

Students looking for volunteer opportunities must contact the Recreation Department in advance of each event or program. Please note that some programs may have application deadlines and limited openings. Call or stop by for more information.

KIDS TEST KITCHEN

Grades: 1 - 5
Date: Thursdays, February 4 - March 18
(no 2/18), 6 Weeks
Time: 4 - 5 p.m.
Cost: \$85 per household

Each class presents students with an opportunity to explore new or familiar foods to prepare fun snacks, entrées and side dishes with a focus on health.

With adult supervision and occasional assistance, you will virtually work together to slice, dice, peel, measure and cook until both the student and instructor have each prepared the finished dish!

Younger students may require the help of a Sous Chef. Each household is considered as one participant making this a perfect opportunity for siblings and parents to work together!

We will be using the new KTK parent platform to deliver shopping lists and access instructional videos.

YOUTH PROGRAMS

SCRATCH PROGRAMMING

zoom

Instructor: Circuit Lab
Grades: 3 - 5
Dates: Mondays, January 25 - March 22 (no 2/15), 8 Weeks
Time: 4 - 5:30 p.m.
Cost: \$150

Let's write some code! In this class designed for computer programming beginners, we will use the Scratch programming language to create interactive stories, animations and even custom computer games. Our new coders will develop logical thinking skills and an understanding of how computers work. At the end of the class, students can continue developing their programs in the online Scratch community. No previous programming experience is necessary!

CREATIVE PLAY & IMAGINATIVE STORYTELLING

Google Meet

Instructor: Nicole Tetreault
Ages: 7 - 11
Dates: Saturdays, January 9 - 30, 4 Weeks
Times: 10:30 - 11:30 a.m.
Cost: \$50

This class will focus on using arts and crafts, teamwork, and imagination to create stories using everyday objects around the house. Students reimagine what common household items can be used for and include them as props in their stories and character building.

TOP SECRET SCIENCE & MATH

Instructor: Michael Bergen, Mass. Science Center
Grades: K - 5
Cost: \$20 per kit

With these hands-on kits, children will complete five different experiments. Each kit includes a teacher overview, step by step instructions, materials and a link to an online video. Students will be exposed to scientific process skills, critical thinking and scientific reasoning along with the scientific method.

The kit will be delivered to your home (Wilmington residents only) for your child to complete whenever they choose. This is a great option for educational fun during February vacation!

Order your kit by:

Kits will be delivered by Friday, February 12

The Science of Sound

In this presentation, students learn about vibrations and how changes in their frequency, pitch and amplitude result in different levels of sound. They'll participate in a sound guessing game; test how sound can travel in magnets; make a sound instrument and build the famous "rooster cup."

Wild Weather

Students explore the difference between weather and climate. We will examine how forecasts are created using weather instruments and the role of a meteorologist. Through 5 hands-on experiments they learn about thunder, tornadoes, snow, lightning and gravity.

Optical Illusions

Kids are introduced to the concepts of refraction, the science of optics, and the biology associated with sight. We use a wide variety of optical illusions like the magic mirror and the hole in the hand which demonstrate how physics can play tricks on your eyes.

YOUTH PROGRAMS

Children are required to wear a mask for "in person" programs.

WICKED GROSS SCIENCE

Instructor: Wicked Cool For Kids
Grades: 2 - 5
Cost: \$145

Gross Science is not for the easily queasy! The gross yet fascinating things in life hide many science secrets - like what's hidden in a diaper. Classify some creepy crawlies and neutralize smelly smells. Make some model mucus, create alien slime, have fun with other grossly amusing science adventures.

This class will be offered in person as well as online.

Town Hall Auditorium
