MAIL-IN REQUEST FOR BIRTH RECORD

Certified copies of birth records are available from the community where the birth occurred, where both parents(married) lived at the time of the birth (if in Massachusetts), and at the Massachusetts Registry of Vital Records and Statistics.

If you are certain that the birth record is on file in this office, you may order a copy by printing this form, completing as much detail as is available and mailing to the address above along with a check or money order made payable to the "Town of Wilmington".

If you are not sure that the record is on file in Wilmington, you may call us at (978) 658-2030 to confirm.

Some records may be restricted. For example, if the parents were not married at the time of birth or the father is not named on the record. *Only those listed on these records are entitled to obtain a certified copy.* You would have to provide a copy of a photo identification issued by a government agency (i.e. valid driver's license).

Your mail-in request will be processed the day it is received. Certified copies of the records may also be obtained in person at the Town Clerk's office.
