This Agreement is made pursuant to and subject to the terms of Chapter 150E of the Massachusetts General Laws, as the same may be amended from time to time.

One complete copy of this Agreement shall be furnished by the Town to each member of the Negotiating Committee appointed by the Union and to the four principal officers of the Union within two weeks from the date of execution hereof by the parties, and to each member of the Union as soon as practicable.

ARTICLE 1 RECOGNITION

Section 1: The Employer recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing salaries, wages, hours, and other conditions of employment for all employees of AFSCME-Unit #2, which represents employees of all departments except Fire, Police, and Public Buildings (covered by another Union), excluding the Department Heads, Personnel and Purchasing Clerks, Assistant Town Manager, Public Works Operations Manager, Business & Utilities Manager, Assistant Business Manager, Deputy Town Engineer, GIS Manager and Assistant Town Engineer.

Section 2: The Employer agrees that it will refrain (1) from interfering with, restraining or coercing employees in the exercise of their right to self organization, to form, join or assist any employee organization, to bargain collectively through representatives of their own choosing on questions of wages, hours and other conditions of employment and to engage in other concerted activities for the purpose of collective bargaining or other mutual aid or protection; (2) from dominating or interfering with the formation, existence or administration of any employee organization; or (3) from discharging or otherwise discriminating against an employee because he has signed or filed any affidavit, petition or complaint or given any information or testimony in a hearing before the State Labor Relations Commission, on a charge that the Town has engaged or is engaging in a practice prohibited by MGL, Chapter 150E.

Section 3: The Union shall be responsible for representing the interests of all such employees without discrimination and without regard to the membership of employees in the Union, and the Union agrees to refrain from engaging in the prohibited practices set forth in Massachusetts General Laws, Chapter 150E, Section 10(b).

ARTICLE 2 MANAGEMENT CLAUSE

Section 1: Except insofar as modified by this Agreement, the management and control of the Wilmington Municipal Departments and of the various employees employed therein shall remain the sole right, responsibility and prerogative of the Town and/or Town Manager.

Section 2: The management of the work of the Town, the direction of the work and the right to plan and control Town operations and make and enforce reasonable work rules is reserved exclusively in the Town and the Wilmington Town Manager Act, provided that such rights will not be inconsistent with the terms of this Agreement or Chapter 150E of the General Law.

Section 3: These rights, responsibilities and prerogatives are not subject to delegation in whole or in part, except that the same shall not be exercised in a manner inconsistent with, or in violation of, any of the specific terms and provisions of this Agreement.

Section 4: No action taken by the Town pursuant to its governmental powers, shall be subject to the grievance provisions of this Agreement other than as specifically provided for herein.

Section 5: It is understood and agreed by the parties hereto that the Town does not have to rely on any collective bargaining contract with its employees as the source of its rights and management prerogatives, that this Contract does not purport to spell out the job responsibilities and obligations of the employees covered by this Contract, that said responsibilities and obligations are to be determined by the Town except insofar as they may be specifically described or outlined in this Contract, that the employees cannot contend they are not required to perform obligations or duties not outlined in this Contract, and that the failure or omission of the parties to outline or delineate in this Contract the responsibilities and obligations of the employees is not to be relied upon by the latter as evidence of the fact that such obligations or responsibilities do not exist.

Section 6: There shall be no strikes, work stoppages or interruption or impeding of work. No officer or representative of the Union shall authorize, encourage, aid or condone any such activities. No employee shall participate in any such activities.

VACANCIES, WORKING OUT OF GRADE, RESIDENCE REQUIREMENT, RESIGNATION, PROBATIONARY PERIOD, PROMOTION, PHYSICAL EXAMINATION, JOB CLASSIFICATION, TEMPORARY LIBRARIANS

Section 1: The Town agrees that in all the departments, subject to this Agreement, the Town will post a notice on the departmental bulletin board of any prospective job vacancy or newly created position in the bargaining unit as soon as practicable after the Town has knowledge thereof and it determines to fill said vacancy or position. Such notice shall state a date not less than five (5) days after such posting within which it will receive applications for such vacancy or position from eligible employees desiring to apply for such job. The employer agrees to notify the union within 5 days of the date that a vacant job has been filled.

Section 2: Any employee subject to this Agreement who, by assignment of the Town Manager or of a Department Head or authorized supervisor, is required temporarily to perform the duties of a higher-graded employee or position for a period of not less than one working day or more shall be compensated at a rate based upon that of the higher-graded position or employees for the entire period of time engaged in any such assignment. In computing the additional rate of compensation for such temporary higher-graded assignment, the minimal additional rate of compensation to be paid shall be at least equal to either (1) the difference between the current rate of compensation of the employee in the assigned compensation grade and step for his or her regular job title and the minimum rate of compensation established for the higher-graded position, or (2) the next step rate available in higher-graded position which is sufficient to provide at least an additional rate of compensation equal to the minimum step rate increase provided for the higher-graded position, whichever of the foregoing methods of compensation provides the larger increase in rate of compensation. The foregoing does not provide any additional adjustment in longevity increment. Compensation for working out-of-grade shall be paid monthly.

For employees who were authorized in accordance with this section to temporarily perform the duties of a higher graded employee or position as described in this section these employees working out of grade shall have their out of grade pay for the assigned periods adjusted by the terms of this agreement to be retroactive to July 1, 2018.

Section 3: Residence Requirements: All employees shall be citizens of the United States, and it is strongly encouraged that they maintain a permanent and bona fide residence within the corporate limits of the Town of Wilmington.

- A. Residency within the limits of the Town of Wilmington shall not be a condition of employment; however, in the best interest of the Town of Wilmington and its property, the Town Manager, through the Department Head, has the authority to promulgate a Departmental Rule and/or Regulation establishing a required "response time" for employees; however, prior to promulgating such a rule, the Department Head will consult with the Town Manager and bargain the impact with the Local Union.
- B. Within five (5) working days of the date of the promulgation of the rule and/regulation, the Union may appeal the rule to a single arbitrator on the sole issue of whether or not the rule is reasonable. The selection of the arbitrator and the rules of the arbitration shall be the same as those provided in Section 2 of Article 24, Grievance and Arbitration Procedures. The arbitrator's decision shall be final and binding upon the parties. The costs of the arbitrator and of the arbitration shall be borne equally by the parties.

Section 4: Resignations: An employee resigning his position should, whenever possible, give sufficient advance notice of his intention to enable the Town to make proper provisions for the filling of his position.

Section 5: Probationary Period: All appointments are made for a probationary period of six (6) months, during which time the employee's performance is subject to close review as to his competency to carry out the assignments of the position. Permanent status will be given to any employee who satisfactorily completes his probationary period in the position to which he was appointed, provided that his probationary period has not been extended.

Section 6: Promotions: The parties agree that the Town Manager shall apply the following standards in respect to promotions and the filling of job vacancies within the bargaining unit:

1. Ability and qualifications, in the reasonable judgement of the Town Manager, to perform the available work;
2. Length of continuous service (seniority); and
3. Ability to perform the essential functions of the position.

If, in the reasonable judgement of the Town Manager, the ability and qualifications of two or more persons are relatively equal, then length of continuous service shall be the determining factor. Promotion of employees to positions inside or outside of the bargaining unit shall be within the sole discretion of the Town and shall not be subject to a grievance under this Agreement.

B. Water Treatment Operator (FULL LICENSE)

Persons sick or disabled may be required to undergo physical examinations by a doctor selected by the Town Manager. Such examinations will be at the Town's expense.

Section 8: An employee subject to this Agreement who believes that he or she is required to perform duties on a continuing basis substantially different from those of the job classification, title or compensation grade to which the subject employee has been assigned, may request review of his assigned job classification, title or compensation. The employee shall submit in writing a statement in reasonable detail to his immediate Department Head, wherein, he alleges he is improperly classified, titled or compensated and the Department Head shall, within fourteen (14) days, review the request and make a report and recommendation in writing to the Town Manager. The Town Manager shall act upon such report and recommendation within fourteen (14) days by adjusting the employee's classification, title or compensation or refusing to do so and upon such refusal he shall, within the time period, state his reasons to the employee for the action taken.

Section 9: Temporary Librarians: In cases of temporary vacancies or long term absences, the Town may for the sufficient operation of the department, engage contractor and/or per diem library professionals to fill available shifts. Existing qualified permanent staff shall be offered the available shifts first. If a shift is being filled by a contractor library professional, the rate of pay shall be as required through the contract service, if the shift is being filled by a per diem librarian the rate of pay shall be at the first step of the grade of the position being temporarily filled. This section shall apply to Librarian and Assistant Librarian positions.

Section 10: If an employee transfers from AFSCME Unit I to AFSCME Unit II and vice versa, the employee shall retain all accrued vacation, sick and personal leave. The employee's original date of hire full time employment will be used for the purpose of calculating longevity. For purposes of Union seniority, a transferred employee does not supersede the service record of those employees already employed in this bargaining unit.

ARTICLE 13

The On-Call Foreman shall serve as liaison between Public Safety Dispatch and DPW and shall take calls during non-working hours, assess the situation to determine if a response is necessary and dispatch an appropriate DPW employee or crew or appropriate divisional foreman as needed and as outlined in Section 12 below. The On-Call Foreman shall also maintain the overtime list during his/her on-call period and ensure the list is updated for the next call during the standby period. Section 10: If a vehicle in service breaks down on the road when no mechanic is on duty and repair work estimated to last more than ten (10) minutes is required, a mechanic shall be called in on an overtime basis. If the vehicle is returned to the shop for repair, only the mechanic shall perform the repair work. If no mechanic is available, the Town reserves the right to make repairs without regard to this paragraph.

Section 11: DEPARTMENT OF PUBLIC WORKS OVERTIME: (Includes the Highway Division, Garage Division (Mechanics), Tree Division, Cemetery Division, Parks & Grounds Division, Water Division and Sewer Division)

1. To the extent practicable, the overtime within each division will be evenly distributed according to the overtime rotation list (i.e. employees with the least number of overtime hours within the division will be the first offered overtime). All new, laterally transferred and promotion employees shall start with averaged overtime hours within their newly assigned division (Operations Supervisor not included in this calculation). All employee overtime hours shall accrue continually. When hours are equal, divisional seniority will govern, and if the need arises to go outside the division, overall departmental seniority will govern. When an overtime assignment requires duties that are included in the responsibilities of more than one division in the course of a normal work day, the Town shall assign employees from those divisions to the overtime work.
2. When all available qualified employees of the division that normally perform the overtime work have been offered overtime, and the need arises to add qualified personnel from other divisions or departments, it will be done on the basis of Article 13, Section 13. To the

extent practicable, the employee(s) from divisions that do not normally perform the work that is being performed will be released from the work first.

3. If an employee refuses overtime, that employee will be charged for all hours worked by the replacement employee. However, any employees assigned call duty shall not be charged overtime hours if another employee covers his call duty.
4. When an employee has been improperly overlooked in the assignment of overtime work, that employee will be given every opportunity to make up the overtime hours missed, by being assigned, to the extent practicable, the first available overtime for which the employee is qualified, until the employees' hours are no longer lowest.
5. It is understood that it is the policy of the Town to deal with emergency situations in the most expedient manner possible. The Town reserves the right to call personnel for an emergency situation as it deems appropriate.
6. The Town shall have the sole right to assign personnel to serve in a supervisory capacity. These supervisory assignments will be made to employees that the Town determines to have the necessary qualifications through training and experience.

Section 12: DEPARTMENT OF PUBLIC WORKS OVERTIME RULES.

1. All employees shall notify the employer by each Tuesday by 12 Noon before each weekend if unavailable for overtime and shall not be charged overtime hours declined for weekend. Weekend timeframe is defined as the period from end of regular shift on Friday to start of normal shift on Monday. When the Town observes a holiday creating a long weekend, the weekend timeframe shall include both the weekend and the holiday immediately preceding or immediately following the weekend.
2. All employee hours paid shall be charged and accrued on the overtime rotation list by the morning of the next shift worked, to the extent practicable.

If any test during this period yields a positive result, the employee shall be immediately subject to further disciplinary action, the imposition of which shall not be withheld by the Town or the Department Head. In no case will an employee be suspended for a period to exceed thirty (30) days.

Section 4: Dismissals: Dismissals are discharges or separations made for misconduct, inefficiency or other just cause. In accordance with the provisions of Section 12A, Chapter 592, of the Town Manager Act, officers and employees not subject to Chapter 31 of the Massachusetts General Laws shall not be removed by the Town Manager except on ten days' notice, setting forth the cause of such removal in writing.

ARTICLE 32

DISCRIMINATION AND COERCION

Section 1: There shall be no discrimination by Department Heads or other agents of the employer against any employee because of his race, creed, color, sex, age, or because of his activity or membership in the Union. The employer further agrees that there will be no discrimination against any member for his adherence to any provisions of this Agreement.

Section 2: The Union agrees that neither its officers, members nor persons employed by the Union, shall discriminate against or coerce any employee for his non-membership in the Union.

ARTICLE 33

CONFLICT OF LAW

Section 1: Both parties agree that in the event of any conflict between the provisions of this Agreement and the provisions of State retirement and labor laws, on such matters as seniority, promotions, transfers, discharges, removals and suspensions, the State laws shall govern, except as otherwise provided in Section 7 of the Massachusetts General Laws, Chapter 150E; provided, however, that to the extent the General Laws of the Commonwealth allow a Municipal Collective Bargaining Agreement to prevail in the event of conflict with any state or municipal law or regulation, the provisions of this Agreement shall prevail with full force and effect.

Section 2: Should any provision of this Agreement be found to be illegal by a tribunal of competent jurisdiction, all other provisions of this Agreement shall remain in full force and effect for the duration of the Agreement.

ARTICLE 34
CLEAN-UP TIME

Section 1: Employees engaged in manual labor or special work shall be granted a 10-minute personal clean-up period prior to the end of each work shift. The 10-minute clean-up time at the end of the workday shall not be construed as permission to leave work ten (10) minutes early.

Section 2: Work schedules shall be arranged so employees may take advantage of this provision; the employer shall make the required facilities available.

ARTICLE 35
SENIORITY

Section 1: Seniority shall mean the length of continuous service of an employee of the Town.

For the purpose of promotions and the filling of job vacancies, Bargaining Unit seniority shall apply, provided, however, an applicant within the department where the vacancy exists shall have a preference over an applicant from other Town departments, subject to the provisions of Article 12, Section 6 of this Contract.

Seniority shall not accrue until date of permanent appointment, retroactive to date of initial employment.

For the purpose of layoff or job elimination, seniority within each job classification shall be determined on a departmental basis.

An employee who moves from one department to another shall not lose departmental seniority in the department from which he moves.

The Town shall maintain and post two seniority lists; Town wide and departmental.

Section 2: "Continuous service" shall mean employment by the Town without a break in such employment. A break in employment shall cause a loss of all seniority rights. A break in the employment of an employee shall occur upon the happening of any one or more of the following events:

1. If an employee shall quit of his own accord.
2. If an employee shall be discharged.
3. The employee shall be absent in excess of three consecutive days without obtaining approval for such absence under the provisions of this Agreement.
4. The employee shall fail to return to work within three working days after the end of an absence authorized under the provisions of this Agreement.
5. If, after a layoff under Section 3 of this Article, an employee shall not return to work within two weeks after receipt of notice from the Town that he will be rehired under said Section 3.
6. An employee shall be absent due to a layoff under Section 3 of this Article for a continuous period of more than one year.

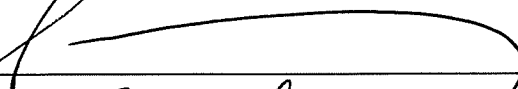

Section 3: In the case of layoff or reduction of personnel for lack of work or by reason of fiscal cutback, the laying off or demotion of employees within each job classification shall be determined by length of continuous service in the department; that is, the employee with the least seniority in the department shall be laid off or demoted first. Reinstatement within a classification or rehiring into the bargaining unit shall be in reverse order of seniority; that is, the person with the

- C. Each party shall also be obligated during the same three-month period to negotiate any new or additional items that may be proposed by either side relating to the wages, hours, and conditions of employment of the persons covered by this contract.
- D. Nothing herein contained, however, shall preclude the parties from negotiating or renegotiating at any time or times (a) all or any part of this contract or (b) other matters involving the wages, hours or conditions of employment of the persons covered by this contract; provided that the parties mutually agree to do so, and provided the dates set for the negotiation sessions are also mutually acceptable.
- E. The receipt of any written notice required under this Article shall be acknowledged in writing by the party receiving this notice within ten workdays of its receipt.
- F. Jurisdiction of Town Officials: It is agreed that once a collective bargaining contract is executed, an employee covered by such contract shall not have the right to a direct petition or appeal to any Town official, elected or appointed, or to seek the intervention of any Town official, elected or appointed, on a matter of said employee's wages, hours and conditions of employment; nor shall said employee seek to bring public pressure to bear on the Town's duly appointed bargaining representative, or the Town Manager, it being understood that the collective bargaining process, once elected by an employee group, shall constitute the exclusive means by which said group or its members shall negotiate or discuss the terms of their wages, hours and conditions of employment.

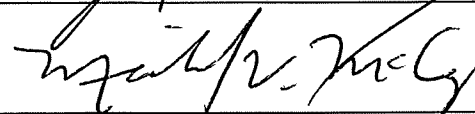

This Agreement signed this 7th day of August.

highest seniority shall be rehired or reinstated first. Nothing herein shall restrict the option of an employee to accept a layoff in lieu of a reduction in job classification without loss of his right to be rehired hereunder. It is understood that layoff under this Section shall, in all aspects except the right to be rehired under this Section, constitute a termination of employment by the Town. The right to be rehired hereunder shall exist for a period of eighteen (18) months from date of layoff (effective July 1, 1981).

Section 4: An employee who is displaced under Section 3 shall have the right, in lieu of layoff, to bump into an equivalent or lower-rated job in another department in which he has retained departmental seniority, if in the reasonable judgement of the Town Manager he is qualified to perform such job.

Section 5: In the scheduling of working hours, shifts, vacations and days off, the Town agrees, except in an emergency, to give preference to employees with seniority; provided, however, that the Town reserves the right to plan, direct and control the work of the Town at all times.

ARTICLE 36

REST PERIODS

All employees' work schedules shall provide for a 10-minute rest period during each one-half shift. The rest period shall be scheduled at the middle of each one-half shift, whenever this is feasible. Employees who are to work beyond their regular quitting time into the next shift, in the event of an emergency, a meal break will be given, if possible. In addition, employees shall be granted the regular rest periods that occur during the shift.

ARTICLE 37

BINDING EFFECT, TERMS AND DURATION

Section 1: It is expressly understood and agreed by the parties hereto that, if any provision of this Agreement is in conflict with State Laws, Town By-Laws, or regulations, or special acts of the Town of Wilmington, then to the extent that the General Laws of the Commonwealth allow a Municipal Collective Bargaining Agreement to prevail in the event of any such conflict, the provisions of this Agreement shall prevail with full force and effect.

Section 2: It is further understood and agreed that where funds are necessary to implement any provisions of this Agreement, a request must be submitted to the Finance Committee and the Town Meeting for an appropriation, and that until such appropriation is passed favorably said provision shall not be binding upon the Town; provided, however, that nothing in this section shall prevail over any provisions contained in General Laws, Chapter 150E.

Section 3: Duration:

- A. This contract shall take effect at 6:00 a.m., July 1, 2018 and shall remain in effect until 6:00 a.m. July 1, 2021. It shall thereafter automatically renew itself for successive terms of one year each unless either party shall have given the other a written notice on or before the first of September in any one year, of its election to modify or terminate all or any part of the contract as of the first of July of the new contract year, specifically designating in such notice those provisions of the contract it wants to reconsider or terminate. In the absences of a notice to terminate the entire contract, the contract shall continue in effect as to those provisions not so designated.
- B. In the event of a notice by either party, of its election to modify or terminate the contract, the parties shall make themselves available, at reasonable times, for the purposes of reconsidering or renegotiating the items so designated.
