**Middlesex Avenue Sewer Extension**

Paul Alunni, Town Engineer, was present and provided to the Commission information regarding the Middlesex Avenue Sewer Extension Project proposal for review. Mr. Alunni explained that the scope of the project includes a 2,900 lineal foot sewer extension along Middlesex Avenue, from Jefferson Road to Salem Street. The Town recently received a grant to fully finance this sewer extension through the Commonwealth's Mass Works Grant Program. The private residential project associated with this grant is referred to as Princeton Wilmington Smart Growth Housing Development, which is 108 unit of mixed income housing on Jefferson Road.

Mr. Alunni continued to explain that the Town received a 2.89 million dollar grant for financing three (3) public infrastructure projects which included"

1. Middlesex Avenue Sewer Extension Project (Jefferson Road to Salem Street)
2. Culvert Replacement (Middlesex Avenue over Lubber's Brook)
3. Roadway Improvements, including pedestrian mobility (along Middlesex Avenue to High Street).

Following the presentation and a lengthy discussion relative to the proposal, the following motion was made: ON A MOTION MADE BY COMMISSIONER CAMOSCIO SECONDED BY COMMISSIONER LAVITA IT WAS UNANIMOUSLY VOTED TO SUPPORT THE SEWER EXTENSION PROPSAL FOR MIDDLESEX AVENUE FROM SALEM STREET TO MIDDLESEX AVENUE AT JEFFERSON ROAD.
